## RALEIGH.

After U. S. Officials. Ninth Congressional District Against Amendment. Negro Murdered.

Special to Journal.  
RALEIGH, Aug. 6.—Much pleasure was expressed here yesterday at the receipt of news that the mob at Bayboro, Pamlico county, had left the Court House, which it was besieging Saturday, and that the courts would decide who are entitled to the county offices. There are about 70 of the Democratic bolters there, who affiliated with the Fusionists. Some among them are the richest men in the county, the manspinner of the movement being Charles Fowler, the largest property owner in the county. The Naval Militia of New Bern instead of marching to Bayboro, 18 miles by road, went by steamer, distance 60 miles.

The State board of canvassers meets the last Thursday in this month, to canvass the election returns. Gov. Russell Secretary of the State Thompson, Walter H. Neal, W. G. Lamb, J. D. McNeill and E. H. Wilson compose the board.

In the 23d senatorial district Cameron Morrison and James Leck, Democrats, were elected by the largest majority ever given in the State.

The Democratic State Chairman is going right after United States officials who have shown "perfidious activity" in the State campaign. He will call in evidence through the county chairman.

The Ninth Congressional District gives from 1800 to 1800 majority against the Constitutional Amendment. Yancey county, which it was thought was Democratic, has gone against the Amendment by about 400.

A negro named High, murdered another here at 3 o'clock Sunday morning. The coroner's inquest was held today. Some Republicans having stated that the U. S. Marshal had a great number of warrants to serve upon Democrats, inquiry was made to-day at the Marshal's office as to the truth of the statement. It was denied positively.

State Chairman Simmons says the National campaign will be a lively one. Of course it will not approach in interest the State campaign. Nothing has ever approached it.

C. B. Aycock, Walter H. Neal, F. D. Winston and P. M. Pearsall left for Old Point to-day for a rest after their great political fight. Chairman Simmons will join them there.

## Treaty Rights in China.

WASHINGTON, Aug. 6.—In view of the strong and aggressive attitude this government has taken in demanding its treaty rights in China, it becomes important to know just what those rights are.

First and foremost, of course, comes the obligation of the signatory powers to protect the person of each other's ministers, diplomatic and consular agents. This all the world knows, notwithstanding many conflicting statements, the Chinese government failed to do, and there is grave doubt as to whether it even made the attempt to do until after it imagined it heard the tramp of the allied army on its way to Peking.

Next in importance is that section of the treaty dealing with citizens of either country residing in the other. That promised the broadest protection, in the exact words of the treaty, promising to "assure to citizens of the United States, in China, and to Chinese in the United States entire liberty of conscience and exemption from disability or persecution on account of their religious faith or worship in either country."

It is not denied that American citizens have been butchered by Chinese, for no other cause than their practices and preaching of Christianity. That is another count that China must settle satisfactorily with this government. To what extent our commercial treaty rights have been violated is not yet definitely known but every dollar of damage done will have to be paid by China, with interest.

Revenge is not dictating the policy of this government, which is asking no more and will take no less than what belongs to it under its treaties with China.

You will never find any other pills so prompt and so pleasant as DeWitt's Little Early Risers. F. S. Duff.
