## GREAT TURMOIL.

### The Mob Burns The City Hall At Akron Ohio.

### Result of Failure to Lynch the Negro Peck. Troops Called to the Scene Seven More Among Killed.

Special to Journal. Akron, Ohio, August 23.—The excesses of the mob which attempted to find and lynch the Louis Peck, who confessed to having attempted to assault the six year old daughter of Theodore Mass, culminated in great disorder last night. In the attempt yesterday, to storm the county jail, two members of the mob were killed.

Last night the mob destroyed the City Hall by the use of dynamite and fire. The loss is a million dollars. Two buildings were burned and one partially wrecked.

The Mayor of Akron called for troops. The Fourth Ohio arrived on the scene and cleared the streets at the point of bayonet. The mob fled before the advance of the soldiers.

The mob then started for the house of Chief Police and the troops hurried there. Five men were killed and two more are dying.

The Chief of Police and the other city officials are all in the Mayor's house, having escaped from his own house which the mob had surrounded.

More troops are on the way to Akron. Serious trouble is feared to-night. The Mayor and the commander of the troops are devising plans to protect the city. The Mayor and the city officers were besieged in the city hall for two hours before they escaped through a rear window.

The Chief of Police became deranged in his mind last night. A new Chief has been appointed.

The negro Peck, whom the mob was after, is in Cleveland jail where he was carried from Akron before the attacks by the mob. Another Akron negro was taken to Cleveland as it was feared that the mob would attack him.

## SENATORSHIP PRIMARIES.

### State Executive Committee Will Meet and Provide For Holding Them.

Special to Journal. RALEIGH, August 23.—Tonight the Democratic State Chairman, F. M. Simmons announces that there will be a meeting of the State Executive Committee here on the evening of September 5th to provide the machinery for holding the Senatorial primary, as prescribed in the resolution of the late State convention, and for the transaction of other connected with the national campaign.

There are at least four candidates for the Senatorship. There is most talk about two of these—Chairman Simmons and Julian S. Carr. The former has the prestige of two successful campaigns—1898 and 1900; the latter has much influence with the Confederate soldier element and is at the head of their organization in this State. The friends of Frank I. Osborne assert that he is the ablest of all the aspirants and the friends of Alfred M. Waddell, Mayor of Wilmington and ex-Congressman, make the claim as to him.

The primary will be held on the day of election, at which the Democratic voters are to express and decide their preference for Senator. Last January, when the Democratic State committee met, this plan of a Senatorial primary was warmly commended, and in April, when the State Convention of the party met, it was ordered that the primary be held on the day of the election. Ten days ago the fact suddenly developed that there was opposition to the holding of a primary at all, or that if it be held it be left to the counties. Your correspondent asked Chairman Simmons what would be done. He replied that the convention of the party had formally ordered the primary held in the State and that it would be so held. Inquiry was made as to what was the source of the opposition to the primary and in reply it was stated that the friends of some Eastern Congressman thought the vote cast at the primary might not be as large as that at the regular election and that this might lead to an idea there was "padding of votes".

### The Constitutional Amendment Was Carried by 53,932.

Special to Journal. RALEIGH, August 23.—The State Board of Canvassers met to-day and canvassed the vote on the Constitutional Amendment. The vote was for the Amendment 158,217, against the Amendment 104,285. Majority for the Amendment 53,932.

## RALEIGH.

### Offer of General Carr to Soldiers Home. The Visitors Wednesday. More Rain.

RALEIGH, N. C., August 23.—The generous offer of Julian S. Carr to completely equip the hospital at the Soldiers Home here is appreciated, but the veterans declare they must not let him have all the burden; that they will raise all they can and then let him do the rest. The hospital will be completed October 1. Its cost is \$5,000 appropriated by the Legislature. The veterans in their meeting last night asked the Legislature to make an ample appropriation. Its means are now limited, and there are on file 100 applications for admission, which cannot be granted. Col. Carr last year gave the Home provisions for four months, and this year has supplied it with flour.

The military made a fine impression here yesterday, marching well and being nicely equipped. To-day the New Bern division of Naval Militia left for home, after having marched to the capitol square and saluted the Vance Statue and the Confederate Monument.

The State Board of Agriculture is called to meet next week.

There were 4,000 visitors to the State Museum yesterday.

The Vance statue is greatly admired. Large numbers of people viewed it to-day.

The State characters the Church Lumber Company of Salem F. H. Fries and others being the stockholders. Heavy rains fell in this section last night, accompanied by severe electric storms. Cotton dealers say that crop has improved during this week, though in some sections the damage done by the intense heat and drought is irreparable.

An employment agency here is informed by New York employment agencies that no more negro laborers are wanted there. This is supposed to be the outcome of the recent race riot here. Wesley Whitaker, died here yesterday, aged 80. He was for years an editor, was Mayor and for 30 years a magistrate. He was the first railway postal clerk here.

Millions will be spent in politics this year. We can't keep the campaign going without money any more than we can keep the body vigorous without food. Dyspeptics need to starve themselves. Now Kodol Dyspepsia Cure digests what you eat and allows you to eat all the food you want. It radically cures stomach trouble. F. S. Duff.
