THE TROPICAL STORM.

The One Expected Here is Devastating the Gulf Coast.

Special to Journal. NEW ORLEANS, September 8.—The great hurricane struck New Orleans today. The government had given ample warning so that vessels escaped destruction but some ships in harbor were blown ashore.

Grand Island and other gulf islands are submerged. It is probable that many lives are lost. Heavy rains fell here and the tropical storm is central today south of Texas.

BIG LUMBER FAILURE.

Tunis Lumber Company of Norfolk in the Hands of Receivers.

NEW ORLEANS, Va., Sept. 7.—The Tunis Lumber Company was in the United States Court here today upon the application of Georganna H. Wilson, of Maryland, placed in the hands of a receiver.

The petitioner alleges that she holds a judgment against the company obtained in the Circuit Court of Norfolk of \$53,732.83. She also alleges that the company owns at Berkeley, Va., saw-mill plant valued at \$130,000, another at Baltimore worth \$75,000 and 30,000 acres of timber land in North Carolina; that creditors are pressing the company which owes large amounts.

The Tunis Company, one of the greatest yellow pine lumber producers in the trade, is understood to have become embarrassed by advances made by other mills, that the present suit is a friendly one instituted to save the concern's great assets from dissipation and enable it to unload the enormous accumulation of lumber piled up since the company, a member of the North Carolina Pine Association or Lumber Trust, ceased to freely sell its output because of the trade dullness, caused, it is believed here, by the great advance in the price of lumber made by the company. It is anticipated, will prove far greater than their liabilities. More than one million dollars is involved.

Theophilus Tunis and Captain H. B. Nichols were appointed receivers.

Situation in China.

PARIS, September 7.—Active negotiations are in progress looking to some compromise arrangements with Russia regarding the position she has assumed as to Peking.

The communications exchanged among the powers now have better promise of success. The compromise suggested, it is said here, is the withdrawal of the force of all the powers from Peking, leaving an international guard to protect the legations which will be allowed to remain at the Chinese capital pending a peace settlement. The main body of troops will return to the neighborhood of Tien Tsin leaving sufficient forces along the road to keep open the railroad between Peking and Tien Tsin.

Russia's attitude is interpreted here as meaning that she will withdraw her troops outside the walls of Peking, but not necessarily a great distance from that city.

AGAINST REPRIEVE.

Under Death Sentence For Burning A Dwelling With Loss of Life.

Abbott's Conviction Call Issued. Ghost of Tom Jones. Vance Monument Complete. No Paid Fire Department.

Special to Journal. RALEIGH, September 8.—Donnell Gilliam, E-q. of Tarboro, arrived here today to see Governor Russell in regard to a very important case. A negro named Channey Davis is under sentence to be hanged at Tarboro, September 14, for burning the residence of Mrs. Lavinia Battle last year. A movement is being made by Davis' counsel to secure a commutation of sentence. Mr. Gilliam came to protest against any such commutation and gave his reasons.

Davis set fire to Mrs. Battle's house and as a result caused the death of a young man who finding that a lady was in the burning house went back into it to save her. He was badly burned but heroically placed her in a window, and she was saved.

Today D. H. Abbott, chairman of the 1st district Republican congressional committee, issued a call for a convention at Elizabeth City October 9th. He said: "I do this regardless of any action taken by the State committee, but by request or direction of a majority of the district committee. Isaac Meekins, who claims to be the nominee, admits that the convention which nominated him had no authority to elect a new chairman of the committee or to fill vacancies thereon."

The superstitious negroes in the vicinity of Garner and Auburn are full of fear at what they claim is the mighty appearance of the ghost of Tom Jones, which they say is "walkin'" these moonlight nights. At the Sheriff's office today a telephone message was received saying Jones was there last night; that negroes swear they met him in the road. One negro who swore that Jones had as much intelligence as himself is in a state of the most abject fear and will not leave his house at night.

The bronze ornaments on the back of the Vance statue were put in place today. There are torches, two having the words "Soldier," "Statesman"; the others the words "State Legislature, Congressman, Colonel C. S. A., three Governor, elected four times to the United States Senate," and Zebulon Baird Vance born May 14, 1830, died April 14, 1894.

The aldermen here decide that they will adhere to the present system of a volunteer fire department, and not adopt a paid system. Chairman Simmons will be in Washington several days, in conference with the Democratic national chairman and other leaders of the party.

The 18 federal prisoners in the penitentiary here was discharged today. During the time these prisoners were taken 280 were received, but the greatest number at one time was 193.

In the penitentiary the convicts are making 15,000 mattresses this year, and 36,000 dozen shirts; all under contract.

A negro makes application for a State Confederate pension. He is from Bladen and says he was regularly enlisted as a seaman.

IS IT POPULISM?

Lincoln, The Nebraska City, The Capital, Leading in Population.

WASHINGTON, Sept. 9.—The Census Bureau today announced the returns for seven more cities. One of them, Lincoln, the capital of Nebraska, shows a decrease of 14,985 since 1900. This fact, in connection with the count of Omaha, Nebraska's principal city, which also shows a decrease, seem to indicate either that there is an exodus from the cities into the country regions of the State or else that the State as a whole is becoming less populous. Lincoln's percentage of decrease is 27.17, compared with Omaha's 26.98. There does not seem to be any explanation of this shrinkage.

All of the other cities in today's returns show an increase. The figures are as follows:

| | 1900. | 1890. | Increase. |
|----------------------|--------|--------|-----------|
| Atlantic City, N. J. | 27,630 | 13,065 | 113.94 |
| Galveston, Texas | 57,720 | 29,084 | 99.03 |
| Lincoln, Neb. | 43,160 | 58,154 | *27.17 |
| Mobile, Ala. | 38,469 | 31,079 | 23.79 |
| Nashville, Ten. | 30,805 | 26,158 | 6.17 |
| Peoria, Ill. | 26,100 | 41,094 | 56.75 |
| Trenton, N. J. | 73,207 | 54,438 | 37.58 |

AGAINST ALL RULERS.

Anarchist Plot Against Lives of Sovereigns. The Pope Included.

Special to Journal. NEW YORK, September 8.—A great stir has been created in Europe regarding Anarchist plots to kill all the crowned heads.

Ten anarchists have been assigned to kill each ruler. A special effort is to be made to kill the new king of Italy. The Emperor of Germany now wears a shirt of mail to protect him against attack.

The Anarchists have condemned the Pope to death. The authorities at the Vatican are taking the greatest precautions to protect him from danger. One plot against him has already been frustrated.

The Strike Ordered.

Special to Journal. PHILADELPHIA, September 8.—Official notice has been given of the great Pennsylvania coal miners strike, to begin Monday morning. The operators refuse to arbitrate.

Boers Again Defeated.

Special to Journal. LONDON, September 8.—The British defeated the Boers at Beitfontein. The Boers are fleeing and stand met some artillery and strong positions. Kruger and Steyn are fleeing from them with General Hamilton in pursuit.

Beat the Superstition.

CINCINNATI, September 6.—Three hours after she acted as bridesmaid at the wedding of C. W. John and Sadie C. Tucker, Miss Alice Sinclair, daughter of Charles S. Sinclair, was married to Willard Keeler, to whom she was engaged.

The Sinclair-Keeler wedding was not to have been celebrated tonight, but at the wedding supper of her friend, Mrs. John, Miss Sinclair found the "chimble," the supposed symbol of old-maidship, in her piece of wedding cake. Fearing that the superstition would prove true, she consulted with young Keeler, and they invited the entire wedding party and the minister, the Rev. L. E. Lee of the North Presbyterian Church to the home of her father, where she married in her bridesmaid's dress.
