Daughters of Confederacy Visits the Soldiers Home. Graham Days Will Deliver Address. Canning Company Charter.

Special to Journal.
RALEIGH, Oct. 11.—Maj. Graham Davis of New Bern accepts the invitation of the Ladies Memorial Association of Raleigh to deliver the next Memorial Day address here, May 10. His subject will be the "Causes which led to the Civil War."

This evening at the First Baptist Church here Miss Lilla May Vass was married to Mr. Brown Shepherd. Society people attended in great numbers, as it was one of the social events of the season. Miss Eleanor Vass, a sister of the bride, was her maid of honor and Mr. John B. Seymour of New York City was best man. The bride was given away by her brother, Mr. William Vass. She is a daughter of the late Maj. W. W. Vass of the Seaboard Air Line, who was at the time of his death the oldest railway treasurer in the country. The groom is a son of ex-chief justice James E. Shepherd.

This afternoon the State Convention Daughters of Confederacy went to the Soldiers Home, where there were some special exercises and a reception. The new hospital was inspected. It is not as yet occupied.

The electric light plant in the penitentiary will be in operation in a fortnight.

Didn't See Dollar Marks.

Special to Journal.
CORPUS, Oct. 9.—Ex-Gov. Hogg of Texas, one of Bryan's chief campaigners, led a party of Texas Democrats into the Republican national headquarters today to see Chairman Hanna of the Republican National Committee. Mr. Hanna and Mr. Hogg are old personal friends.

Mr. Hogg just rustled through Nebraska accompanied by Senator Wellington of Maryland. On his arrival here he found a number of Texas Democrats awaiting him. All wanted to see Senator Hanna. Ex-Gov. Hogg introduced them to Senator Hanna and there were friendly greetings all around. Ex-Gov. Hogg said afterward:

"Some of the Texas boys wanted to see Senator Hanna. They had heard a great deal about him and had seen pictures of him, so I told them to come along with me. I have known Senator Hanna for a long time and I just took the boys over to introduce them and to show them that Mr. Hanna is a gentleman and a fine fellow and that there were no dollar marks on his clothes. The boys were delighted to talk with Mr. Hanna."

Weather Conditions.

WASHINGTON, D. C., Oct. 11.—For North Carolina. Friday rain. Fresh northeast winds.

Weather Conditions.—The high pressure area which has dominated the weather for several days past is central over the eastern portion of the country this morning. Cool weather continues in all sections. Heavy frost is reported from Dodge City, and light frosts from Chicago, Cincinnati, Washington City and Baltimore.

The weather is generally cloudy in the lower Mississippi valley and eastward to the South Atlantic coast.

The unsettled area to the south and southwest will spread into this section with rain.

ALLIES MARCH.

But There Are No Americans in Line. Marines Leaving Tien Tsin.

Special to Journal.
WASHINGTON, Oct. 11.—The Empress of China has given orders for the beheading of Kang Yi, President of the Board of Punishment. Another report is that the Empress is dead.

Count Von Walderssee assumes command of the allied forces. Five of the allies are marching on Pooting Fu. There are no Americans in the expedition.

Satisfaction is expressed here at the punishment which the Chinese Government is reported to have inflicted upon Prince Tuan, who is banished to the Imperial post road on the Siberian frontier. It is known that some of the powers of Europe, notably Germany, will be disposed to insist upon the decapitation of Tuan. Officials here say, however, that the banishment of Tuan is in itself a heavy punishment, and that many Chinese have committed suicide rather than be taken to the Siberian frontier.

TIENTSIN, Oct. 10.—The American marines from Pekin have arrived at Taku, where they will be joined by the Tientsin battalion and will sail on the transport Indians for Cavite.

It is understood that Field Marshal Count von Walderssee refused to acknowledge Li Hung Chang's visit Friday. The Field marshal goes to Pekin in a few days.

A military order has been issued to the German troops to occupy the railroad from Yang-Tsun to Pekin. The rest of the road will be occupied by the Russians and the harbor of Ching-Wan-Tao has been allotted to the British.

Eight hundred French troops, with six guns, started this morning to relieve Catholic priests who are held prisoners at Ching-Hsien, 60 miles to the south. Three hundred French troops started in the direction of Pooting Fu to cooperate with 400 men reported to have left Pekin.

Bryan in Michigan.

Special to Journal.
DETROIT, Mich., Oct. 11.—The Democrats are enthusiastic over Bryan's trip through Michigan. They claim that the entire foreign vote of Michigan is for Bryan.

There is in this State indication of a material change in the German and Hol- and vote, more than in any other State visited by Mr. Bryan this year. In several places recognized leaders of these elements, men who supported the Republican ticket in 1896, were active in the Bryan meetings.

This year there is but one issue—the attitude the United States towards the Boer republics. Four years ago practically all the Dutch were Republicans. This year their votes will go for Bryan almost to a man.

Rich Men's Strike.

Special to Journal.
NEW YORK, Oct. 10.—Sixty copper-plate engravers, employed by Tiffany & Co., who are among the highest paid mechanics of their class in the world, are on strike.

Dressed in the height of fashion, they picketed the establishment of the firm in Union Square, today to prevent the employment of non-union men. Their dress from head to foot was immaculate. They wore silk hats, top coats, lustrous patent-leather shoes and diamond scarves.

In the company's factory at Forest Hill, N. J., these men earned from \$50 to \$100 a week. They made all the copper plates from which Tiffany & Co.'s wedding, reception and calling cards and similar stationery was engraved.

They belong to an organization known as the Brotherhood of Copper Plate Engravers. Tiffany & Co. have refused to recognize the union and a strike was ordered. The strikers are well able to stand a long period of idleness.

Rhodes is Conciliatory.

CAMP TOWN, October 10.—Cecil Rhodes received an ovation today when he assumed the presidency of the South African League's congress here.

In an address he attributed the South African war to the "mugwumps," and said that but for them Mr. Kruger would never have dared to send an ultimatum to Great Britain. On the whole, Mr. Rhodes was conciliatory in his remarks. He declared that now that "Krugierism has vanished" Great Britain would establish a Liberal Government, "which would do everything possible to unite the interests of South Africa with those of the Empire."

"Now that the battle is over the disputes on the origin of the war ought to cease. The race question must be subordinated. The league should support three points—the supremacy of the empire, equal rights and show the Dutch that there is no 'feeling' against them. Having won what it is entitled to, the league ought to demonstrate that the interests of the races are the same. Then there will be great hope for the country."
