STATE FAIR.

Everything Now Complete and First Day's Record Good.

Events Set For the Week. Picking the State Cotton Crop. Shaky On McKinley. Oyster Fund. Craven Poisoners.

Special to Journal. RALEIGH, Oct. 22.—At noon today Gov. Russell opened the 40th annual State Fair here. It is the best fair ever held in the State. Three thousand people were on the grounds yesterday, mainly diverting their attention to the "Midway." All day today exhibits were being received and tonight everything is complete. There is a wide variety of amusements.

Among the week's events here, will be the meeting to form the State Literary Society, Tuesday evening; the cotton ginners convention, Wednesday; the tobacco growers' convention, Wednesday; the State fruit shippers' convention, the annual meeting of the Confederate Veterans, to elect officers etc., and the State Farmers Alliance executive committee all on Thursday; the inter-collegiate football game Friday between Blacksburg and the North Carolina Agricultural and Mechanical College teams; the inter-state shot gun tournament Thursday. Today the registration for the November election began. It ends with this week. Twenty convicts from the penitentiary and 29 from the Anson farm were sent yesterday to the Roanoke farm, to pick cotton. The officials say over 600 convicts are now gathering cotton and that it will all be picked in 20 days. There are 250 convicts in the penitentiary. That crop of cotton will be a large one. None has been sold.

The Republicans from all parts of the State assembled at Greensboro yesterday, obeying Senator and State Chairman Pritchard's mandate, which was indeed a pressing one.

Chairman John S. Cunningham of the State Board of Agriculture arrived today, as did J. B. Coffield of that board. I met Wednesday.

It is beginning to be noticed that some of the Republican leaders here are quite shaky in regard to McKinley's re-election.

Judge Farnell left for New Bern today to hold a term of federal court.

Since April 1, of last year the State has received \$9,181 from oysters.

On a special train from Hagerstown Md., yesterday 78 fakirs arrived to attend the State fair.

The following is the official list of State soldier pensioners from Craven county:

Joe French, Co. I, 6th Regiment; Henry T. Hawkins, Co. F, 2nd Regiment; Isaac Fulcher, Co. F, 2nd Regiment; Alex. C. Hart, Co. B, 63rd Regiment; John Collins, Co. B, 24th Regiment; Hyswood Riggs, Co. F, 2nd Regiment; Isaac H. Rouse, Co. F, 2nd Regiment; I. G. Taylor, Co. F, 2nd Regiment; C. C. Butler, Co. I, 44th Regiment; D. A. Taylor, Co. C, 10th Regiment; Abner Wetherington, Co. C, 2nd Regiment; J. D. Hensley, Co. H, 6th Regiment; M. G. Trevaathan, Co. B, 2nd Regiment; M. J. Williams, Co. F, 2nd Regiment; E. R. Robinson, Co. K, 2nd Regiment; Aswell Coner, Co. I, 14th Regiment; Wm. H. Abney, Co. B, 48th Regiment; Wm. H. Wetherington, Co. F, 2nd Battalion, A. Wiggins.

Weather Conditions.

WASHINGTON, Oct. 22.—For North Carolina, Tuesday, rain, fresh southeast winds.

A central depression of the barometer is located near Omaha, Neb. and dominates the conditions over the greater portion of the country.

Hails have been general from the South Atlantic coast westward into Texas and northward across the interior.

St. Louis reports a maximum wind velocity of 84 miles from the southeast. The conditions indicate rain for this section tonight and Tuesday with fresh southeast winds.

The Farmers Losses.

WASHINGTON, October 22.—The statistician of the Department of Agriculture estimates that the farmers of Texas lost fully \$5,000,000, exclusive of damages to machinery and buildings, by the Galveston storm, \$2,400,000 of which was represented by cotton destroyed, \$300,000 by corn, \$112,000 by rice, and \$490,000 by live stock.

Waddell Withdraws From Race.

Special to Journal. WASHINGTON, Oct. 22.—A. M. Waddell withdraws from the Senatorial race and says that he is prevented from continuing in the contest on account of sickness in his family.

He tenders his services to the State Executive committee for the National contest.

IN OUR FAVOR.

English and German Alliance Leaves the Chinese Door Wide Open.

Special to Journal. WASHINGTON, Oct. 22.—The agreement between Germany and England, just made public, not to take any territory from China themselves or to allow any other power to do so, and to maintain the open door in Chinese commerce, gives the United States all that it has asked for an equal chance with all other nations to maintain and increase its trade with China.

The agreement is the most important event, regarded from the standpoint of American interests, that has occurred in connection with the Chinese mix-up. It insures getting peaceably what many think would have been justified in going to war to get, had it become necessary. Germany and England being our leading rivals for Chinese trade, were hardly actuated by a desire to help us. It is more likely that they wished to make sure that Russia should give up Manchuria, the Chinese province which it is already practically in possession of. This country has no interests in China other than of being allowed to trade with the Chinese, and that this agreement assures to us.

DIED PEACEFULLY.

Death of John Sherman at Washington Yesterday Morning.

Special to Journal. WASHINGTON, Oct. 22.—John Sherman died early this morning at the age of 77 years. He was born in Lancaster, Ohio.

His death was so peaceful that those in the room did not know of it until the doctor said that the end had come.

President McKinley went alone to the residence of the statesman, and paid his respects to the dead.

Narrow Escape of Monitor.

Special to Journal. WASHINGTON, Oct. 22.—The United States monitor Monterey had a narrow escape from destruction by fire at Hong Kong. The crew worked with wonderful discipline and confined the flames to the store room.

No other pills can equal DeWitt's Little Early Risers for promptness, certainty and efficiency. F. S. Duffy.

Fitzhugh Lee on Cuba.

WASHINGTON, October 22.—Gen. Fitzhugh Lee, who has been spending several days in Washington, does not predict failure for the Cuban Constitutional convention that will meet November 5, but he makes it quite evident that he does not believe the convention will provide a Constitution that will be accepted to Congress.

Gen. Lee made a statement concerning the present epidemic of yellow fever in Havana, the worst since American occupation, that is calculated to arouse interest and discussion in the medical and scientific world—that the best physicians in Havana had about been convinced that sanitary precautions were not a bar to yellow fever.

Republicans Nominate Slocumb.

At Dunn, Harnett county on last Saturday, the Republicans met in convention, and nominated for Congress, for Third District, A. H. Slocumb, of Fayetteville.

It is reported that John E. Fowler, nominated by the Populists, for Third District, will withdraw, leaving the contest between Thomas and Slocumb.

Killed in Sampson County.

Lee Merrill, a former citizen of Jacksonville, Oaslow county, and who moved to Sampson county last January, was shot and killed last Saturday night at his home in Sampson county. The shot was fired, by the accounts, by his brother in law Kirby. The body was brought to Jacksonville yesterday for burial. Mr. Merrill was well known in his section.

This is the season when mothers are alarmed on account of croup. It is quickly cured by One Minute Cough Cure, which children like to take. F. S. Duffy.

DeWitt Jones will be the examiner. Very few initiations, see for charter members.

NO FINAL SETTLEMENT.

Matters in the Coal Field Seem Still Doubtful.

Special to Journal. PHILADELPHIA, Oct. 22.—Today the 35th of the great coal miners strike does not show encouraging prospects of settlement. However, definite developments are expected this week.

The mine operators may withdraw the offer of an increase pay of 10 per cent if it is not soon accepted.

The first series of demonstrations at Wilkesbarre since the strike began occurred when a mob of 250 men closed coal washery today, after beating the foreman and breaking the tools.
