YET THE MISCHIEF HE SOUGHT TO AVERT ARRIVED ON TIME.

Funny Experience That Greatly Amuned President Grant While Vis-iting a Friend Who Was Blensed With an "Enfaut Terrible.".

There is no poison so highly contagions, so deceptive and so destructive. Don't be too sure you are cured because all external signs of the disease have disappeared, and the doctor says you are well. Many per-tons have been dosed with Mercury and Potash for months or years, and pro-pounced cured - to realize when too late that the disease was only covered up. "The late General Grant," said F.
