### AFFLICTED MONARCH.

EMPEROR WILLIAM OF GERMANY. The Emperor of Germany has a run- | and lecturer on all catarrhal disease ning ear. Just think of it: a man at whose beck one of the strongest armies and navies of the whole earth could be set in motion, a man whose rule is absolute over the country of medical universi ties, a man whose slightest caprice could press into service the most noted savants and philosophers on earth, has a running

ear and is unable to find a cure! Now contrast the experience of the following citizens of the United States with the Emporor of Germany. Like the Emperor, they failed to find a cure. But, unlike the Emperor, they happened to be plain citizens of the United States, Life. Running of the ears, deafness or all ther affections of the middle ear, are lue primarily to chronic catarrh. Running of the ear is properly called chronic suppurative catarrh. Pe-ru-na will cure starrh of the middle ear, as well as atarrh located elsewhere. This has been proven over and over again in nnumerable cases besides the ones just nentioned. Deafness and running of the ears are but symptoms of chronic middle ear.
