## RALEIGH.

### Supreme Court Adjourns Monday Until February

**Merited Promotion in Southern Railway Service. White and Negro Polls. Increase of Negro Illiteracy. Problem of Insane People.**

RALEIGH, Dec. 22.—The Supreme Court decided to adjourn Monday for the term, and meet again in February. The hearing in the tax assessment cases here ended to-day.

Robert E. L. Bunch, of Raleigh who has for a number of years been chief clerk of W. A. Turk, G. P. A. of the Southern Railway, becomes assistant G. P. A. of that system, with office at St. Louis.

The State charter the Hickory Milling Co., capital \$10,000.

There are 263,025 polls in this State, as shown by the tax lists. The increase in a year is 7,000. The white polls number 188,295, and the negro polls 73,975, making 114,601 more white than negro polls. The white lists \$243,133,720 of property, which is about \$1800 per capita; the negroes \$9,478,344, which is \$120 per capita, in round numbers.

In the way of "Schedule B" taxes the State gets from merchants for schools \$23,911; circuses \$3004; theatres \$4250; lawyers \$11251; private corporations \$12,101; marriage licenses \$16,925.

President Meserve of Shaw University, (colored) here says there are now more negro illiterates than there were in 1853. Then there were 4,000,000 negroes, all illiterate; now there are nearly 10,000,000, and of these 55 per cent are illiterate, making over 5,000,000.

The capital club will give its Christmas dance the 26th, and its New Year's dance on the 31st.

The state board of public charities is working on the problem of providing more accommodations for the increasing number of the insane. There are three alternative plans; one for a new asylum which is not thought practicable just now for a redivision of the State so as to throw more territory into the district's asylum patients to the asylum here, and then an enlargement of the asylum at Morganton, which already has 554 inmates. It is a great problem. The calls on the legislature for cost of enlarging all 4 asylums are now for \$350,000.

**Soldier Boys Christmas.**

MANLY, Dec. 21.—An order of General Ochs, former military governor, has again been promulgated to the effect that members of the volunteer force imprisoned for military offenses may be released and sent home in the discretion of the colonels of their respective regiments, provided they have not been dishonorably discharged. All military and civil duties have been ordered suspended for Christmas and New Year's day, with the exception of necessary guard and field duties.

General MacArthur announces that he will hold a formal reception on New Year's Day. The members of the Philippine commission, the judiciary, the archbishop, the apostolic delegation, the consuls, the officers of the American and foreign navies and army, and the heads of the civil bureaus and of commercial, civic and religious bodies, together with the general public are invited to attend. Army officers are directed to appear in the order of rank.

## Bule's Creek Academy Burned.

DUKE, N. C., December 20.—The main building of Bule's Creek Academy and the residence of Prof. L. C. Ogburn and a smaller building, all located in Harrell county, N. C., about ten miles west of Duke, N. C., were burned last night. It is generally believed that the fire was the work of a villainous negro, though as yet there is no proof of his guilt. The Bule's Creek school was under the control of Rev. J. A. Campbell, and as a preparatory school it stood without a superior in the State. It is a great loss to the principal, as it also is to the country at large. The school will be rebuilt at once.

Help is needed at once when a person's life is in danger. A neglected cough or cold may soon become serious and should be stopped at once. One Minute Cough Cure quickly cures coughs and colds and the worst cases of croup, bronchitis, grippe and other throat and lung troubles. F. S. Duffy & Co.

## The Kidnapping Case.

Special to Journal.

Omaha, December 21.—The result of 24 hours' work by the police of the city, and half a hundred detectives, has established the location of the house in which Edward Culahy, Jr., was held a prisoner for nearly two days. The house is located 4 miles from the city, and in a place of easy access, but so situated as to allow the desperadoes ample opportunity to lay and carry out their plans without molestation from inquiring neighbors.

Pat Crowe, well known to the authorities here, is suspected as one of those connected with the kidnapping, and Chicago police officials say he left there for Omaha about two weeks ago, and that several other well known characters in his set are known by the Chicago police to have gone to Omaha.

Don't use any of the counterfeits of DeWitt's Witch Hazel Salve. Most of them are worthless or liable to cause injury. The original DeWitt's Witch Hazel Salve is a certain cure for piles, eczema, cuts, scalds, burns, sores and skin diseases. F. S. Duffy & Co.

## Jail vs. Housekeeping.

SHAMOKIN, Pa. Dec. 21.—Mrs. Emma Kuchinski refused to live with her husband and six children, whom she deserted, and fled to Scranton, because she was tired of housekeeping. Yesterday she was arrested in that place and brought here for a hearing. Today she was sent to Northumberland County jail.

## Reed Shoes.

I have just received 24 dozen pairs of E. P. Reed and W. G. Douglass shoes in all styles. No shoes made that are better than Reed's and Douglass, every pair guaranteed. Respectfully,  
J. J. BAXTER.

## Heir's Are Found.

DUNORA, Pa. Dec. 21.—Oreighton Wandrell, a farmer aged about 70 years, living at Pennfield, has unexpectedly fallen heir to \$3,000,000. Wandrell had an uncle who accumulated a fortune of \$18,000,000. He died in New York in 1893, leaving his millions to three brothers and his nephew, Oreighton Wandrell.

For seven years an attorney of Albany, N. Y., has been advertising and searching for Wandrell's heirs. They were discovered a few days ago.

When you need a soothing and healing antiseptic application for any purpose, use the original DeWitt's Witch Hazel Salve, a well known cure for piles and skin diseases. It heals sores without leaving a scar. Beware of counterfeits. F. S. Duffy & Co.

Many persons have had the experience of Mr. Peter Sherman, of North Stamford, N. H., who says: "For years I suffered torture from chronic indigestion but Kodol Dyspepsia Cure made a well man of me." It digests what you eat and is a certain cure for dyspepsia and every form of stomach trouble. It gives relief at once even in the worst case and can't help but do you good.—F. S. Duffy & Co.

## May Reorganize Chosen Friends.

NEWARK, N. J., Dec. 21.—It has been decided by members of the Order of Chosen Friends here to contest the powers and rights of the receiver appointed by the Indiana Courts. To this end a call has been sent out to all the members of the order in New Jersey to send representatives to a meeting to be held in Newark on Friday of this week. A meeting of the council will be held in New York the same day. The question of the reorganization of the order will come before these meetings.

## CATARRH CAUSES CONSUMPTION.

VICE PRESIDENT ROXA TYLER, OF CHICAGO, ILL.

Roxa Tyler, Vice President of the Illinois Woman's Alliance, speaks in high praise of Peruna to restore tired nerves and weak body. In a letter written to Dr. Hartman from 910 East 6th street, Chicago, Ill., she says the following:

"During the past year I gradually lost flesh and strength until I was unable to perform my work properly. I tried different remedies, and finally Peruna was suggested to me. It gave me new life and restored my strength. I cannot speak too highly of it."

Mrs. Arthur L. Hamilton, wife of Colonel Hamilton, of the Seventh Regiment, Ohio Volunteer Infantry, and whose residence is at 29 Goodale St., Columbus, Ohio, writes the following about Peruna:

"Dr. Hartman's scientific remedy for catarrh: 'I can bear testimony as to the merits of your remedy, Peruna. I have been taking the same for some time, and am enjoying better health than I have for some years. I attribute the change to Peruna, and recommend Peruna to every woman, believing it to be especially beneficial to them.'"

Catarrh of the lungs is, ordinarily, known as consumption; also called tuberculosis. In these cases the catarrh has usually found its way into the lungs by the gradual extension of the disease from the throat through the bronchial tubes. Consumption is the natural termination of all cases of neglected chronic catarrh. Every one who is afflicted with chronic catarrh is liable to be attacked with consumption at any

time. In the first stages of the disease Peruna is a sure cure; in the later stages of the disease Peruna can be relied upon to produce great benefit, and in a large per cent of cases produce a permanent cure. All those afflicted with this dread disease should begin at once treatment with Peruna.

Mrs. H. A. Tyner, Four Oaks, N. C., says: "In January 1898, my daughter was taken sick with pain in her chest and right shoulder blade. A cough soon developed, which neither of our resident physicians seemed able to remove. She had every symptom of consumption—suppression of menses, night sweats and great emaciation. She was so low the April following that none of our neighbors thought she could live but a few months. In May, Mr. C. R. Adams, of this place, who had taken Peruna, told me if anything would help her Peruna would. Her improvement was very rapid during the third bottle. I feel that Peruna saved her life. My daughter's name is Mrs. L. Keene."

A slight cough, which, without a vestige of doubt, would soon disappear with the use of Peruna, becomes chronic bronchitis, which requires a persistent use of Peruna for some time. I see a great many cases of consumption each year due directly to a neglect of coughs, colds, etc., which, if Peruna had been kept in the house and used according to directions, would have been prevented.
