Of Grand Lodge of Masons in North
Carolina.
Members Legislators Nearly All Ar-
rived. Office Seekers Pleading.
Classification of State Of-
ficers. Facts Regarding
Political Composi-
tion of General
Assembly.

RALEIGH, N. C., Jan. 8.—This evening
the annual communication of the
Grand Lodge of Masons began. The re-
port for the year by Grand Secretary
John O. Drewry showed that 276 lodges
had reported and 48 had failed to do so.
During the year the following new lodges
were chartered: Lake McLauchlin,
Enaka, Scotland, Robertal and
Cherryville. Today a charter was
granted Wheatstone lodge, at Bessemet
City, making in all 300. Galates lodge
was revived and Wake Forest lodge was
reinstated. During the year
all portraits were secured of Past Grand
Masters, John Louis Taylor, John Hale
and Richard J. Noble. The receipts dur-
ing the year were \$994. The member-
ship reported is 11,637. Secretary
Drewry says that if a complete report of
all Masons in North Carolina was made
it would be found that there were over
15,000. The gain in membership in the
past five years is large, as in 1895 there
were only 9888.

The State charters the Dixie Furniture
Company of Lexington, capital \$15,000.
E. J. Buchanan and others stockholders.
Members of the Legislature arrived
very rapidly today, and this afternoon
all save about half a dozen were present.
Great surprise was expressed today
at the resignation of Vice-President St.
John of the Seaboard Air Line.
Lt. Gov. Reynolds arrived here today.
He will preside to-morrow, and, as stated
yesterday, will resign then. The
president pro tem, to serve until Lt.
Gov. Wilfred D. Turner takes charge
will be Senator M. H. Justice. A tele-
gram was sent to Turner yesterday,
urging him to come here at once so that
Justice could confer with him regarding
the make up of the committees. It had
not been his purpose to come until the
15th.

molt's Chocolate Laxative Lozenges. As easy to

Reynolds Remains Undecided.
Special to Journal.
RALPHIGH, Jan. 8.—Lieut. Governor
Reynolds arrived here this afternoon.
He said that while he said yesterday
that he would resign as soon as the
senate organized, he was considering
whether he ought to resign when his
term of office was so nearly ended, and
tonight he telegraphed Congressman
Linney to know what he should do.
Mr. Reynolds says he defers to the
wishes of the post office department, as
he is to be postmaster at Winston-
Salem.

A Boquet For Russell.
Special to Journal.
RALPHIGH, Jan. 8.—Lieut. Governor
Reynolds made the declaration here to-
day, that Governor Russell's administra-
tion will pass into history as one of the
best North Carolina has ever had.

WAR FUND FOR CHINESE.
Immense Sums Being Extracted From
Coast Merchants.
TAKOHA, Wash. Jan. 8.—High officials
in the southern provinces of China are
carrying forward a well organized effort
to raise an immense sum of money for
purposes of defense and war, according
to a notice received here from Hong
kong. The scale of exaction has been
fixed in Foo Chow at 5000 taels for the
well-to-do, 10,000 for the rich and 20,000
taels for the very rich. When the tax
gatherers appear the merchants and
others tell pitiful stories of the hard
times, with the result that they usually
pay about one-third to one-half of the
amount assessed against them. At Can-
ton and other cities the new tax is levied
on all business in a sum equal to two
months' rent of each shop. If this sum
is not paid it must be paid by the owner
of the building and the other half by the
occupant.

BAD COMPLEXIONS
Dry Thin and Falling Hair
and Red Rough Hands
Prevented by
CUTICURA SOAP.

MILLIONS use CUTICURA SOAP exclusively for preserving, purifying,
and beautifying the skin, for cleansing the scalp of crusts, scales,
and dandruff, and the stopping of falling hair, for softening, whitening,
and soothing red, rough, and sore hands, in the form of baths for
annoying irritations, inflammations, and chafings, or too free or
offensive perspiration, in the form of washes, for ulcerative weak-
nesses, and for many sanative antiseptic purposes which readily sug-
gest themselves to women, and especially to mothers, and for all the
purposes of the toilet, bath, and nursery. No amount of persusion
can induce those who have once used it to use any other, especially for
preserving and purifying the skin, scalp, and hair of infants and chil-
dren. CUTICURA SOAP combines delicate emollient properties derived
from CUTICURA, the great skin cure, with the purest of cleansing ingre-
dients and the most refreshing of flower odors. No other medicated
soap ever compounded is to be compared with it for preserving, purify-
ing, and beautifying the skin, scalp, hair, and hands. No other for-
eign or domestic toilet soap, however expensive, is to be compared with
it for all the purposes of the toilet, bath, and nursery. Thus it com-
bines in ONE SOAP at ONE PRICE, viz., TWENTY-FIVE CENTS, the BEST
skin and complexion soap, best toilet and best baby soap in the world

Complete External and Internal Treatment for Every Humor,
Consisting of CUTICURA SOAP, to cleanse the skin and scalp of crusts and scales, and soften
the thickened surface, CUTICURA Ointment, to instantly allay itching and irritation, and soothe
and heal, and CUTICURA EMULSION, to cool and cleanse the blood. Price, Ten Cents, \$1.25; or,
SOAP, 5c, CUTICURA, 50c., RESOLVENT, 50c. Sold throughout the world. **FORN DROS AND

ton raising counties of the State there is
a solid Democratic representation, ex-
cepting 3 Pops from Sampson and one
from Bladen counties. Divided thus
there are in the Senate 27 Eastern Dem-
ocrats and 13 Western Democrats. In
the House, 65 Eastern and 38 West-
ern.
All the Republicans come from the
tier of counties which produce fruit,
grain, gins, tobacco and whisky. The
composition of the Senate is Democra-
tic, 10, Republicans 7, Pop 3. Of the
House, Democrats 101, Republicans 17,
Pop 2. Of the 90 Senators 14 are law-
yers. In the House there are 32 lawyers,
the exact number of the last General As-
sembly.
There is said to be a much larger av-
erage of prominent and experienced
public men in the House this session
than in the Senate. Both bodies how-
ever are considered far above the aver-
age.

When things reach this stage and a
deadlock occurs, a deputation is selected
on each side, which meet in some con-
venient temple to discuss the situation.
This tireless discussion may go on for
days, while the people wait in silent ex-
pectation, taking no further steps to-
ward a solution of the difficulty. Mutual
concessions finally relieve the situation,
but the people generally come off best.
Usually the mandarins fear the anger
which they have excited, and speedily
climb down and retreat, in order to hide
their confusion.

Bryley generally uses for trays. We have

Our wringers will be on the premises every
