### RALEIGH.

**Pine Weather Promised For Inauguration Day.**

**Settlement on Railway Assessment Tax Matter.** Virginia Carolina Base Ball League. State Guard Invited to McKinley's Inauguration.

RALEIGH, N. C., JAN 14.—There is general pleasure that the weather for the inauguration tomorrow is to be fine. The ceremony takes place at the east front of the capital, with the new bronze statue of Vance in the foreground. The speakers stand was built today.

The settlement between the railways and the corporation commission of the matter of the railway tax assessment dispute is expected this week. A telegram Saturday said the railways had agreed. The valuation will not be less than \$48,000,000. The commission has not stated yet whether it will ask the legislature to provide for the assessment of railway property over 4 years, like all other property. Individually the commissioners favor that plan.

Manager Ascherbach who is forming the Virginia North Carolina base ball league says the clubs will be Newport News Hampton, Richmond Raleigh, Norfolk, Danville, Portsmouth, and Durham leaving one to be selected at the meeting at Norfolk on the 16th. This 8th club will be either Petersburg or Greensboro.

W. R. Shepard, of Kings Mountain, died at the soldiers home here today.

So far \$90,000 of the Confederate pensions have been paid. The payments are the most rapid on record.

The electoral college met at noon in the Senate chamber. Dan Hugh McLean presided. He made an address. Charles L. Abernathy was secretary. Henry L. Cook of Fayetteville nominated W. J. Bryan and W. A. Guthrie seconded the nomination. W. C. Dowd of Charlotte nominated Stevenson, and W. S. Pearson seconded the nomination.

The North Carolina State Guard today received an invitation to attend the inauguration of President McKinley. A number of companies will go, among them the one from Raleigh.

The State charters the Marion Light and Water Company, capital \$20,000.

S. E. Marshall, of Surry county, is trying to get the Republican vote for United States Senator.

The labor commissioner today made up the list of cotton mills in the State. It shows 185. There are also 89 knitting and silk mills, an 11 woolen mills. The number of spindles is 1,297,777, an increase of 181,951 in a year. There are 29,899 looms; increase 3,746. There are 2,028 machines in knitting mills. There are 38,673 operatives, of whom 14,999 are men, 16,040 women and 7,598 children. Hours of work are from 10 to 12.

When threatened by pneumonia or any other lung trouble, prompt relief is necessary, as it is dangerous to delay. We would suggest that One Minute Cough Cure be taken as soon as indications of having taken cold are noticed. It cures quickly and its early use prevents consumption. F. S. Duffy & Co.

### CHINESE SIGN NOTE.

**Important Step Completed at Peking on Sunday.**

PEKING, January 13.—The joint note of the powers has finally been signed by the Chinese peace commissioners. Prince Ching signed yesterday and Li Hung Chang, who is better, signed it today.

It is understood that the malady from which Li Hung Chang is suffering is Bright's disease. He was feeling worse on Saturday and therefore postponed the affixing of his signature; but Prince Ching was hopeful that he would be able to sign on Sunday, which proved to be the case.

Prince Ching has protested to the court against the appointment, said to be contemplated, of Viceroy Chang Chih Tung as plenipotentiary in the place of Li Hung Chang. He considers the latter's advice absolutely essential, although he believes it might be advisable to appoint a third plenipotentiary for China, and reiterates his desire in that case for the appointment of Sheng, who would be acceptable to the foreigners.

So far as Chang Chih Tung is concerned, the foreign envoys who know him personally say that, while he is strongly anti-foreign and has never made any secret of his likes and dislikes, they believe he would be a satisfactory representative of the Chinese, and there is not any objection to him on the score of his recent utterances. Indeed, some of the Ministers think it would be wise for China to make Chang Chih Tung a plenipotentiary.

Most of the envoys have received word from their Governments that the negotiations must be conducted in Peking, on the ground that other places suggested would be objectionable.

The Russians say they will formally turn over the railroad to the Germans "immediately."

M. de Giers, the Russian Minister, objects to the British attitude in refusing to permit the Russians to distribute rice and wheat to destitute Chinese in the British section.

The most soothing, healing and antiseptic application ever devised is DeWitt's Witch Hazel Salve. It relieves at once and cures piles, sores, eczema and skin diseases. Beware of imitations. F. S. Duffy & Co.

### BARELY PASSED.

**Bill to Increase Governor's Salary to Four Thousand Dollars.**

Vote of 55 to 52 Favoring Increase After Long Discussion. Bill to Grant Blanket Charter to Whitney Reduction Company.

Special to Journal.

RALEIGH, January 14.—To-day nearly all of the long session of the House was consumed in the discussion of the bill, increasing the Governor's salary from three to four thousand dollars per annum.

The bill finally passed by the close vote of 55 to 52, and was ratified soon after, so it increases the salary of the next Governor, Charles B. Aycock, who is inaugurated tomorrow.

In the Senate there was some discussion over the bill to grant a blanket charter to the Whitney Reduction Company, with power to increase its capital stock to ten million dollars.

A substitute was offered by the committee on the original bill, which gave the company the right to condemn lands in towns, or any where, for railroads of any kind.

The substitute passed by a vote of 35 to 3.

Quality and not quantity makes DeWitt's Little Early Risers such valuable little liver pills. F. S. Duffy & Co.
