House and Senate.

Bill. Tax on Cigarettes. Geological Board Holds Their Meeting.

deal of feeling regarding the passage by prohibition to Cumberland. .The cur- the revenue bill. rent comment is that it was done in said he intended in some way or other to crush the dispensary, after the failure | The attendance at the time was light. of his bill to abolish it. There was no petition for the county prohibition law, and no primary held. The bill passed the vote. The matter will create a sensa-

The State charters the Carolina Miner al Company of Marshall, Madison county, capital \$15,000, George E. Brighton and others stockholders. It will mine iron, copper, gold, tale, etc.

The State geological board met yester lay, largely to familiarize Gov. Aycock with its line of work. The board found that within the past few days he had considerably familiarized himself with the subject. The bill before the legislature regarding the geological survey virtually proposed to abolish it, as i ment and says the latter may continue and maint sin it.

The bill regarding pilotage fees passed th: House. It is a compromise bill and provides that coastwise vessels an I then have to pay no more pilotage fees for twelve months.

John S. Cuningham is here working to secure the modification of the tax on cigarettes as imposed by the revenue bill. He says he has secured a change by which factories making under 250, 000,000 annually pay \$359, those over that amount and under 500,000,000, \$500 and over 500,000,000, \$1,000.

The Adjutant General is very anxiou ascertain whether a bill passed Conress, providing for the issue of Kraglorgensen rifles for the Springfields ow in the hands of the National Juard. The Guardsmen are calling for

he Krags. The State geological board, the Gov rnor, J. T. Morehead and Charles Mc Samee, met yesterday, heard the reporof the State Geologist and discussed the natter of government co-operation in

The joint committee on education decided to recommend the payment of \$20,000, the debt of the Agricultural and on that no further debts be con trac ed. Also to recommend an appro partment building at the college.

When you are billous, use those fanous little pills known as DeWitt's Litle Early Risers to cleanse the liver and owels. They never gripe. F. S. Duffy.

Overun The White House.

WASHINGTON March 5 .- The White House fairly overrun with visitors today. Thousands of those who were here to attend the inauguration crowded the grounds, and all day they clamored at the doors of the mansion for admission. However, the doors were closed to all except delegations and others who had arranged in advance to be received.

More Than China Can Pay.

WASHINGTON, D. C., March 6 .- Acting Minister Rockhill has advised the State down their demands for indemnity to a essonable figure or such amount as but expresses the fear that his efforts will prove in vain.

He says that it appears that the mount of indemnity demanded will be \$500,0 F,000 to \$600,000,000. Huch all amount China, he says, cannot pay. State Department officials are much disurbed over the matter.

Their prompiness and their pleasant effects make DaWitt's Little Early Ricers most popular little pills wherever they are anown. They are simply perfect for liver and bowel troubles. F. P.

HOUSE EXCITED.

Bill For Fayetteville Passes Both Heavy Privilege Tax on Railways Causes High Feeling.

It Makes a Sensation. The Pilotage Vote Reconsidered and Matter Gues Over Until Today. Seed Bill

is Tabled. Monday The Last Pay

RALEIGH, March 7 .- There is a great Special to Journal. the House yesterday of a bill to give voted nearly the whole session today to heen listed by Abbott and Jones

There is a great deal of harsh tax on railways. The amendment was lost listed the same. The senator from Cumberland but when the bill came before the House he introduced it and it was adopted

The bill thus amended by the Graham measure passed its third reading and there was a great sensation. The vote Tillingham be and is hereby relieved Senate this afternoon by a unanimous on the bill was then reconsidered. Feel, of poll tax he being over 50 years of ing ran so high that it was decided that the bill should not come up again before tomorrow.

> tabled is the Senate, although its passage was recommended by the agricultural department. The bill placing the agricultural col-

The bill to protect seed buyers was

lege under the agricultural department passed.

Next Monday is the last day for which the oaths required by law. the legislature can receive pay; that is both branches of it as it is now ettled that same pay of senators, as members of the river bridge, same is approved and or court of impeachment, can begin March puts it under the agricultural depart- 11th, when the trial of the judges opens. The judiciary committee today heard arguments by council on both sides regarding this matter.

The educational bill has now passed both branches so have the two shall pay 25 cents per ton in and out important insurance bills, the soldiers of W. R. Dixon be and is hereby referre home and penitentiary bills, the pension

Drink Law in Topeka.

Topers, Kan., March 6 .-- An ordi nance has been adopted by the City Council which, it is believed, will make it almost impossible for the "jointists" to do business in this city.

The ordinance makes it unlawful to rest a friend to a drink of liquor in a crivate house. A man is declared to be ulity of violating the ordinance if he is he ordinance does not require that an \$3.00 per month. ictual sale shall be proved. Heavy fines and imprisonment of 30 to 100 days in jall are the pensities for violations of the ordinance

The Factory Sale of Planos.

Are Kimball planos durable? Read the following expression from lege in the United States.

Valparlaso, Ind., June 23, 1898. Mr. W. F. Blount,

W. Kimball plano received. I take February 28, 1901. pleasure in stating that we have been using these instruments for the past ten or fifteen years. During this time we have to the Register of Deeds for safe keep experimented with various planes, but ing. Attached herete are the statement have found that for durability, action of the several accounts. and tone the Kimball is by far the best. Our plance are in use from 6.30 in the morning until 6 90 in the evening, and as you know there are not many planes that will stand such work a very great length of time, especially where tone and action are considered. These planes have not only stood the test of constant use, but have endured almost twice as long as any other instrument we have ever tri d.

We are just now replacing our forty instruments, and while we could have se-The lingering cough following grippe cured others at a lower rate, yet we are calls for One Minute Cough Cure. For putting in all Kimbalis. For school all throat and lung troubles this is the purposes, as well as for other purposes, only barmless remedy that gives immedi I know these will give the best of satis faction

I take pleasure in making these state ments, simply because the plane is worthy of them. Its use by any school or private individual will more than verify the truth of these statements. Very respectfully.

(Bigned.) H. B. BROWN,

AME KIMBALL PLANGS ABTISTIC? Read the following expression from a woman to whom has been paid more homage than any living musician,

Craig-y-nos Castle, Ystradgyniais R.S.O. Becconshies, South Wales, July 28, 1897. Dear Mg Kimbrilt.—It is with great pleasure that I write to acknowledge the safe arrival of the Kimbali baby grand plano. It is indeed a beautiful iano, and has an exquisite tone. It has ready been greatly admired by many Halance received from Thos-unclessers who are all antied in pro-uncing it a chef-drosuvre. With Sind jards, believe me, Yours very truly,

ADELINA PATTI NICOLINI, We here enough musical testimony to fill a Sanday edition of the New York World. Two hundred thousand sailsfind customers, just think of it. Do you need a planet Within the next alasteen days you can get the world's standard plane at a saving of \$150 to \$200 on your own terms of payment. Open evenings till 9 o'clock. Cor. Broad and
