NINETEENTH YEAR

HACKBURN SELLS R. & G. CORSETS.

Every woman knows what the R. & G. corset is. It is the corset of comfort with the essence of style. It is the only corset that will not, cannot, and does not stretch. If you buy an R. & G. Corset that does stretch or proves unsatisfactory in any way, bring it back to us and we will give you a new one.

We have in stock the Famous No. 397, moderately straight front, which is popular with most women who do not demand an extreme straight front. Those who do will find it in the new, straight front shown in our illustration.

Our corset stock is large and well selected. Call and see it.

We sell No. 397 for \$1.00

Last Speeches For The Defence Being Heard.

Poa Spoke Yesterday For The Prosecution. Jarvis and Osborne for Defence. Question of Debate in Executive Session.

Special to Journal. RALEIGH, March 26.—In the impeachment trial today, James H. Poa made a strong speech for the prosecution. In the afternoon Ex-Gov. T. J. Jarvis made an able speech one hour in length. The closing argument for the defense was then begun by Frank I. Osborne. His speech was a remarkably one.

Another attempt will be made to close the trial on the 27th. The senators claim that with day as to only they will not conclude by Saturday night, the point yet to be settled is whether there shall be any debate in executive session. Some of the senators said each one should hand in a written ballot bearing the announcement of his views. Others hold that that question should be fully debated by the members among themselves. Of course this will not be decided until after argument of counsel is concluded.

Editor Caldwell, of the Charlotte Observer, is here to write his personal impressions of the impeachment trial. Editor Stevens, of the New Bern Journal will probably arrive here tomorrow on the same errand.

The lingering cough following gripe calls for One Minute Cough Cure. For all throat and lung troubles this is the only harmless remedy that gives immediate results. Prevents consumption. F. S. Duffy & Co.

N. C. Mining Co., vs Odonnell, from Jackson, two cases, affirmed.

Their promptness and their pleasant effects make DeWitt's Little Early Risers most popular little pills wherever they are known. They are simply perfect for liver and bowel troubles. F. R. Duffy & Co.

FRIEND GEORGE:

In answer to query will say that wood on train was not mine, as I have plenty on yard to supply all customers, especially Oak and Ash. And by the way, confidently, don't tell any one that prices are now reduced.

Yours as ever,
MOORE'S WOOD YARD.

THEY WERE AMATEURS.

The Raleigh Safe Crackers Evidently New at the Business.

RALEIGH, N. C., March 26.—The burglars who blew open the safe of the Southern Express office here last night were evidently not professional crackmen. They broke into a blacksmith shop and secured the tools. The time of night selected and the large amount of dynamite used, is another indication that they did not know their business thoroughly. The police have been unable to find any trace of them. Several suspicious characters have been seen here lately, but none upon whom the police can fix.

When you are bilious, use those famous little pills known as DeWitt's Little Early Risers to cleanse the liver and bowels. They never gripe. F. R. Duffy & Co.

The Colleges Play Ball.

Raleigh, March 26.—Horsner School and the A. & N. College play the first ball game of the season here Saturday. The University will play Raleigh professionals next week and after that there will be regular games until the end of the season.

Millions of Women Use Cuticura Soap Exclusively.

MILLIONS of Women Use CUTICURA SOAP, exclusively, for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, in the form of baths for annoying irritations, inflammations, and chafings, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and many sanative antiseptic purposes which readily suggest themselves to women and mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used it to use any other, especially for preserving and purifying the skin, scalp, and hair of infants and children. CUTICURA SOAP combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. No other medicated soap ever compounded is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair, and hands. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it combines in ONE SOAP at ONE PRICE, viz., TWENTY-FIVE CENTS, the BEST skin and complexion soap, the BEST toilet and BEST baby soap in the world.

Cuticura Complete External and Internal Treatment for Every Humor, consisting of CUTICURA SOAP (25c.), to cleanse the skin of crusts and scales and soften the thickened cuticle, CUTICURA OINTMENT (50c.), to instantly allay itching, inflammation, and irritation, and soothe and heal, and CUTICURA RESOLVER (50c.), to cool and cleanse the blood. A SPECIAL BOTTLE to cure the severest humor when all else fails. "POTTER DAVIS AND COMPANY, Sole Proprietors, Boston, Mass. "All about the Skin, Scalp, and Hair." Free.

Advices to J. E. Latham & Co., were: New York, March 26. Very bearish feeling on cotton caused the weakness. We doubt the wisdom of selling at this decline.

R. MOORE & Co. Advices to J. E. Latham & Co. New York, March 26. We believe that present prices of cotton discount all legitimate adverse influences, and purchases made on further decline will prove profitable.

Work at the Museum. Heavy Storms. The Gold Brick Swindlers.

RALEIGH, March 26.—Secretary Bruner and Curator Brimley have designed a number of new cases for the State Museum, which will be built at once, some of the specimens have been damaged because they were not properly enclosed. A specialist said a few days ago that Curator Brimley's recent work in ornithology compared with the best in this country and is superior to much in the national museum in Washington.

The capture of the gold brick swindlers at Greensboro is more important than appeared at first. The gang seems to be working a number of the smaller towns in North Carolina and Virginia.
