Can ask questions that will make a wise man feel foolish. But—
Here's a Question
that the wayfaring man though a fool need not err in answering: What store beats all stores in making BARGAINS in higher grade goods at low grade prices?
Here's an Answer
which is worthy of a wise man, one who has been there and knows: The Big American Stock Co., is the cheapest place in North Carolina with their big stock of Clothing, Shoes, Hats, Dry Goods, Ladies Goods, and a complete line of Ladies Millinery. Try them.

MORE AID.
Penitentiary Behind Again and will Require to be Helped.
Investigation Will be Made. No New Facts About Martin. Rivers Reported Falling. Fishing Time Has Come.
RALSTON, April 8.—There is now a whisper that the penitentiary may have to make another call on the State for aid. This is said in spite of the positive statements made to your correspondent by former executive board members Travis and Newland that the penitentiary was \$20,000 on the right side of the ledger, had a great amount of supplies on hand and would not call on the State for a cent in 1901-2; in fact was more than self-supporting. There will now be a strict investigation. When the legislature first met it was expected there would be an investigation, but for some reason it was abandoned.
The treasury investigating committee gives out nothing of its work. Treasurer Lacy adheres to his belief that Mr. Martin's stealing will be somewhere between \$10,000, and \$12,000, though he says they may exceed that latter sum if some checks aggregating \$1,000, given by Martin on his private account, are not counted. There are some hints that these were used in discounting warrants due penitentiary employes at a time when the treasury was not in funds. Mr. Martin "touched" the present treasurer for \$1,210, but told him it was to force a sale. It is found that it came in \$97 of so doing.
Easter day was very fine and the church congregations were never larger. The Easter parade was marked by much brightness of costumes.
Easter Monday is always the opening of the fishing season in this part of North Carolina. For a century this has been a custom. More colds than fish are caught. Hundreds of the picnickers left this city today, though it was quite cool.
Streams are now falling. The Cape Fear has been very high. At Moncure where the Deep and Haw rivers unite and form the Cape Fear the water was one mile wide, higher than since 1885, old residents say. People went many miles to see the flood.
Judge Thomas C. Fuller, whose sickness here has been mentioned, is again out.
Two of the bands here united and gave a concert in the Capitol Square this afternoon.
You cannot enjoy perfect health, rosy cheeks and sparkling eyes if your liver is sluggish and your bowels clogged. DeWitt's Little Early Risers cleanses the whole system. They never gripe. F. S. Duffy & Co.

AGUINALDO COMMANDS PEACE.
MANILA, April 7.—Aguinaldo has agreed to send Trias, with whom he has had a number of conferences, to tell the rebels in the field that it is his wish that they should lay down their arms and accept amnesty.
Trias will carry credentials from Aguinaldo as the former chief of the insurrection.
Russia Wants Peace.
LONDON, April 8.—It is asserted on good authority that Russia is willing to give Japan a free hand in Korea, with a view to preventing her assuming a hostile attitude.

Shocking Death Record.
RALSTON, April 8.—The newspapers report 60 deaths by fire in North Carolina during the past month ending March 31, and about two-thirds of those were of little children who had been locked in their homes by their parents who had gone away to work or to visit.
These famous little pills, DeWitt's Little Early Risers will remove all impurities from your system, cleanse your bowels, make them regular. F. S. Duffy & Co.

Durham's Music Convention.
DURHAM, April 7.—Already people have begun to arrive in Durham to attend the meeting of the North Carolina Music Teachers' Association, which will begin tomorrow. It is expected that a large crowd will be present.
Spring coughs are especially dangerous and unless cured at once, serious results often follow. One Minute Cough Cure acts like magic. It is not a common mixture but is a high grade remedy. F. S. Duffy & Co.

Pollocksville.
Farmers Will Raise Corn. Town Improvements, New Dwellings. Marriage Announcement.
Pollocksville, April 8.—Clear cold weather all the time.
Farmers complain of poor results so far from spring planting.
Some of the farmers of Jones say they are going to give more attention to raising corn and pork this year. That they don't expect much out of this year's cotton crop.
Mr. F. M. Bowden will move into his commodious new store at the foot of Main street this week, which is one of beauty and convenience, being 10 by 60 feet.
Dr. S. E. Koonce is preparing to build stable, barn and a wire fence on and around his property in this place recently purchased of Mr. T. H. Lee.
Bender Bros. of this place has the best selected and biggest line of spring and summer dress goods and notions ever before offered in this place, a long felt need at last supplied. They have dress goods ranging from 30c to \$1.00 per yard.
Mr. Harry C. Bryan is building a very nice dwelling on his farm near here which when completed will be quite a creditable addition to the neighborhood.
Rev. Dr. Swindell the Presiding Elder preached a very able and interesting sermon to a large and appreciative audience on the subject of Missions at Lee's chapel near here last Sunday.
Cards are out for the marriage of Mr. Newton White of this place to Miss Bettie Joyner of Princeton, N. C., on April 10th.
Mr. Walker Meares who buys cotton here for Messrs. Alex Sprunt & Sons of Wilmington, has gone home to await the marketing of another crop when he will come again.
Mr. Joshua Tonnage of the J. E. Latham & Co. firm says he will also leave soon for his home in Greene county.
Misses Eula McDaniel and Dora Taylor of Trenton are visiting friends in this place.
Last Saturday was also a day of record breaking for the quiet and dignity of the peaceful little village by the Trent. We had a fine day, a lively trade and three and a half fights. The last man was knocked down with a hog's head.
Mr. Geo. W. Hill left for his home at Morehead last week where he will spend a few weeks visiting friends and relatives.
We had Mr. and Mrs. J. J. Hart of Bellair with us last Sunday. Mrs. Hart came last Thursday.
Mr. Kings Patrick and Miss Male Miller of Jacksonville were visiting friends here last Wednesday.

From an Author's Notebook.

F. M. Chadwick,
wouldn't think of wearing a ready-made suit of clothing. One of the luxuries of life is to have your clothing to fit well, hang well, look well and suit your individuality—especially in warm weather. We will make you a suit of clothing from serge, at prices that will give you this luxury at a fair price.

SOME THINK
That all Paints are alike. We know they are not, any more than all clothes. Poor paint is worse than useless as it takes just as much time to put it on as good paint, and is never satisfactory. **DON'T EXPERIMENT,** we know you will be satisfied with

THE SHERWIN-WILLIAMS PAINTS.
They're made for painting anything paintable. A special paint for each surface, not one slapdash mixture for all.

The residence of Mr. F. H. Pelletier of this city, was painted with Sherwin-Williams Paint twelve (12) years ago. Look at this house and then decide. If you have painting to do you cannot afford to overlook this. They make better paint now than they did then.
