RALEIGH, April 24.—At Christ Church here this evening there was a fashionable marriage, that of Miss Antoinette Addickes to Mr. Joseph H. Meares of Asheville. The bride is a native of South Carolina and has been here but a little while. She has lived at Asheville and Richmond. Mr. Meares is a well known traveling man.

Miss Sarah Addickes, the bride's sister was maid of honor, and the bridesmaids were Miss Moorman of Columbia, Miss Patton of Asheville, Miss Love of S. C., and Miss Mary Exum Meares of Hillsboro. The bride was gowned in white satin, and carried lilies of the valley; the maid of honor in white organdy and carried yellow roses; the brides maids in yellow organdy and their bouquets were white carnations. Mr. E. G. Meares was best man.

The groomsmen were, Messrs. McCall of Ky., Munson of Wilmington, Spencer of S. C., and H. F. Addickes, Jr. The bride was given away by her father, Mr. H. F. Addickes.

A Stitch in His Heart.

ST. LOUIS, April 23.—Philip Gunn, was stabbed in the heart a week ago, died at the City Hospital today. Three stitches were put in Gunn's heart. Salt water replaced the lost blood, and heart stimulants kept the man alive until today.

Corner in May Corn.

Chicago, Ill., April 23—George Phillips has begun to "squeeze" the men who sold him May corn, and who have no corn to deliver. Preliminary to this operation he arranged to accept all the contract stock of corn in Chicago—about 3,000,000 bushels. Phillips' operations are a revelation to brokers who for years have dictated the price of cereals He is today their absolute master. The entire West, farmers included, support the efforts of the young bull. Fifty-cent corn is predicted as a certainty, and 60 corn is a possibility. He has any where from 5,000,000 to 7,000,000 bushels of corn brought up for May delivery.

Buffalo's Opening Postponed.

BUFFALO, N. Y., April 22.—Because of the flood formal exercises planned for dedication day of the Pan-American Exposition have been put forward until May 20. The gates will be open in a quiet way on May 1, but the grand celebration will be absent. The rain has worked ruin at the grounds, and booths and exhibits are badly damaged.

FROST AT RALEIGH.

Damage Not Yet Ascertained. Late Cotton Planting.

RALEIGH, April 24.—There was frost here this morning; quite sharp in low places. It will require 48 hours time to ascertain the extent of the damage, if any has been done.

It is now said that the berry and truck crops are certainly 3 weeks late. Less cotton has been planted up to this time, than in many years. The land is prepared, however, for a largely increased acreage.

Saturday Evening Post.

Sir Thomas Lipton, G. V. O., has written especially for the Saturday Evening Post, of May 11, an article on The Sports that Make the Man. He places yachting high on the list, and gives some interesting anecdotes of his own career as an amateur yachtsman. Sir Thomas is hopeful, if not confident, of "lifting" the America's Cup next autumn. He says, however, that if it were a certainty he would not cross the water; for there is no sporting interest in "sure things." This article will appear exclusively in The Saturday Evening Post, of Philadelphia.

NOT SATISFACTORY.

Finch's Option on Swamp Lands Being Looked Into.

Towns Required to Furnish Figures. Free Libraries Wanted. The Auditorium Matter. Acreage of Farms Planted.

RALEIGH April 24—K. P. Finch of Charlotte holds the option on the State's swamp lands, in all save 8 counties. His option is at the rate of 50 cents an acre and is so worded as really to make him State agent for the sale of these lands. His option was renewed a little while before Gov. Russell retired from office. It is far from satisfactory to the present administration. In fact the question arises whether it is legal. It is said the price for the lands is not enough For a lake for example he asked $2 an acre. The State would get only the 50 cents. The whole matter is now up for consideration, and a sale of lands made by Finch is not ratified.

The State Auditor calls on the clerks of all incorporated towns for exact information as to their financial status, debts, bonds issued, etc.

Thus far some 300 requests for State for free libraries at public schools have been received by the superintendent of public instruction

The Supreme Court will call the appeals at the end of the docket by Friday certainly.

It really appears now that property which adjoins the Academy of Music will have to be bought and also the Academy, and the latter enlarged so as to be both theatre and auditorium. It is really the best thing to be done and what is better it will pay. Raleigh needs a good theatre. The Academy is now owned jointly by the Methodist Orphanage and a Raleigh lady.

F. B. Arendell, who under the Day administration was purchasing agent for the penitentiary, is very sick at his home here.

This year only 120 acres have been planted at the penitentiary farm near Wadesboro, known as the Anson farm. There are 3,000 acres in the farm, of which the penitentiary cleared some 2,800. It is asserted that with good management the farm could be made to pay.

Valuable Country Property For Sale.

A tract of land lying in Onslow county directly on the public road leading from Maysville to Swansboro five miles from the latter place and immediately adjoining White Oak River below Stella containing about 300 acres of which about 60 acres is cleared land in a good state of cultivation, the remains abounding in timber of various kinds. A large comfortable dwelling, cotton gin, and other necessary improvements on the place all in good condition for use.

For a country home and farm a more desirable situation is not to be found in the county, being on the public road and on the river it is very accessable from any point, a cheap place to live with the finest fish and oysters in abundance, very healthy and one of the best business locations in the county, known as Silver Dale.
