Special Cars Start For Confederate Reunion at Memphis,

Federal Court Meets. No New Im migration Agent. Cadets Leave too Soon. Book Agents Arrive. Measuring Water Heights.

RALEIGH May 27 .- There are now 17 smallpox cases at the pesthouse near here two of these white. All save 5 will be

discharged tomorrow. The federal court met today. The regular work on the dockets begins tomorrow. There are many "moonshining" cases; yet hardly so many as

Rev. Dr. J. J. Lafferty of Richmond preached the baccalaureate sermon before the graduating class of the Agricultural and Mechanical Collage yesterday morning at Edenton Street M. E. Church. His trenchant and witty words gave the audience many a smile.

Yesterday afternoon special cars left here for the Memphis Reunion of Confederate Veterans. Three Ruleigh ladies went, Mrs. Garland Jones, Miss Mary Turner and Miss Mary Mackey, but not a Raleigh veteran. Two or three veterans went from his county, and quite a numper of adjoining counties. Last night Col. A. B. Andrews went. It was expected that four or five would go from here, but they failed to show up.

The board of agriculture meets to morrow. It will accept the resignation of immigration agent John W Thompson It is not probable that it will fill the scancy, as no immigration can be secured. The board will also make arangements for the exhibit at the Charleston exposition.

The annual address to the alumni of the Agricultural and Mechanical college was delivered tonight by E. S. Darden of Wilson in the agricultural building. t was followed by a banquet at the col-

ge. There are hardly any cadeta left, not over 50. They nearly all went home Saturday. Only a handful were at church yesterday, and most of these were in citizens clothes. There is a lot of criticism of the departure of the calets before commencement. It makes a bad impression on the public. There were about 275 cadets.

It is not yet known when the State ext book board will meet. It may do so this week. Many agents are here. A SOUND OF OR OR OR OR OR OR OR They had an idea the board would meet

> On one of the special cars which left ere for the Memphis reunion were rotes, 127,000 soldiers"; on another, Tell it in Lacedonia we died in obelience to her command"; on the third, First at Bethel, Farthest at Gettyaburg Last at Appomattox."

State geologist Holmes is pleased ith the success of the work of his asdatants, E. W. Myers, W. C. Curtis R. E Shuford, and Ernest Gravis, in measuring flood heights, etc., in the chief rivers in the State last week

Mr. W J Baxter of North Brook N. C. says he suffered with piles for fifteen years. He tried many remedies with no results until he used DeWitt's Witch F & Duffy & Co.

Mckinley's Homeward Trip.

Oungs, Utah, May 26.-The presiden tial train traversed the State of Nevada today, and reached Ogden at 6:30 tonight During most of the day the slevation expeeded 5,000 feet and snow-clad peaks were continually in sight from the car

At this season of the year the ride across Nevada is exceedingly disagrees and the dust from the desert is frequently blinding. Fortunately for Mrs. McKinley, one of those heavy rainstorms which so Pri. earnly wish this region, awapt complete-

FOLLOWS THE FLAG.

So Says Supreme Court of Constitution in its Decision of Porto Rico Cases.

Special to Journal. WASHINGTON, May 27 .- The United States Supreme Court has filed a decis-

ion in the Porto Rico cases. The Court has held that the Government's contention that Porto Rico was ment's contention that Porto Rico was foreign territory at the time the tariff bill passed, is incorrect, and that the constitution follows the flag wherever it waves.

This opinion is opposed to the content of the c

This opinion is opposed to the contention of the government. The Court concludes that at the time

duties were collected Porto Rico was not a foreign country, but a territory of the United States. Justice McKenna delivered the dissen

ting opinion, and was joined by Justices Shiras and White, The judgment of the Court concludes, "We are unable to acquiesce in the assumption that territory may be at the

same time both foreign and domestic."

LOSS TO THE STATE.

Low Land Crops Destroyed on Penitenti-

RALEIGH, May 27 .- The 'Caledonia' farm, bought by the State in 1899, for the penitentlary, is flooded. A forty foot dyke gave way. Gov. Aycock says all the lowland crops on the farm luclud ing 200 acres of very fine wheat, are gone. The flood in the Neuse river is great. The rain fall in these quarters of an hour Saturday night was nearly 1; inches, and the Neuse was yesterday afternoon 6 inches higher than it was last week. Many farmers are almost in despair. Rain set in again yesterday afternoon, and contlaued today. All farm work is stopped. The streams of all kinds created fresh havoc yesterday, as a result of Saturday night's rain

"Our little girl was unconscious from strangulation during a sudden and ter rible attack of croup. I quickly secured s bottle of One Minute Cough Cure, giving her three doses. The croup was mastered and our little darling speedily recovered." So writes A. L. Spafford Chester, Mich. F S Duffy & Co.

Struck by Lightning.

RALEIGH, May 27 - Near Northna yes terday lightning struck the 8 room resi lence of a Mr. Powell, tearing 7 rooms to pieces. His wife and two children were lying on a feather bed in the uninhese words. "North Carolina 115,000 jured room. The lightning tore the bed posts to pieces and stunned Mrs. Powell and children, yet did them no further
