Winston, N. C., October 10, 1900. After quite an extended experience of prescribing and noting results of various mineral waters, I unhesitatingly think this water the best renovator and "builder up" of them all. For Scrofula, Catarrh and Blood Diseases generally it is almost a Specific. Too much, in my opinion, cannot be said of the curative properties of Vade Mecum Water. D. N. DALTON, M. D.

Money and Strike Regarded a

Pentientiary Books Not in Shape for Report. Bad Crop Reports. No Provision for Life Cortificates for School

Teachers.

RALEIGH, July 12 .- The striking m hinists here are at sea. They do not know as yet what they are to do. The president of their local union is in Norfolk and they are awaiting his return. They say they have as yet drawn no are needy. They appear to understand out and spreathat the strike has falled. Of course the ovement for 10 hours pay for 9 hours work is merely the precursor of another one for 10 hours pay for 8 hours work, since it is the 8 hour day that the strikers are striking for. This is no

It was expected that the penitentiary books would be in such shape by Jely 15 that statements could be made of the status of affairs up to January 1, April 1 and July 1, but the fusionist administration had things in such a tangle that an expert has been employed to straighten

RUN NEARLY ALL NIGHT.

emian Woman's Mistake Caused Excitement in Cleveland.

CLEVELAND, Ohio, July 11.—The run on the United Banking and Savings Company, which began yesterday, was continued today. The bank kept its doors open nearly all night in order to permit anxious depositors to withdraw

their money.

Early today fully 200 men and wome were lined up in front of the institution All demands were promptly met, and the officials of the bank declared they were

prepared for any emergency. The run was started by a Bohemia woman who called at the bank yesterday before banking hours to draw money She was told to wait. Failing to under noney from the union. Some of them stand, however, she immediately wen out and spread the report that the bank

> The capital stock of the bank is \$100, 000. Its deposits amount to nearly \$2, 000,000.

When the foreigners finally realized meet all demands the run came to an end. Many persons who had withdraws their money returned it for deposit.

It is easier to keep well than get cured. DeWitt's Little Early Risers taken now and then, will always keep your bowels in perfect order. They never gripe but promote an easy gentle action. F. S. Duffy & Co.

How Banana Trees Grow. It is a peculiar fact that but one bunch of bananas grows on a tree. After the fruit has been cut the tree is then cut down to the ground, and from the stump another tree sprouts which bears another bunch the following year. The greatest trouble of farmers s to keep the farms clear of sprouts They shoot up from the roots of the tree for a radius of ten feet and gro

As the fruit Is cut from the trees is placed on the backs of little pack donkeys and transported in this way to the coast. One donkey can carry, from three to six bunches, according to the size of the bunches and the distance from the coast. In the season at Baracon there are more than 3,000 donkeys that stretch along in a line for miles, plodding toward the coast with their loads of bananas.
