After quite an extended experience of prescribing and noting re-
sults of various mineral waters, I unhesitatingly think this water the
best renovator and "builder up" of them all. For Scrofula, Catarrh and
Blood Diseases generally it is almost a Specific. Too much, in my opin-
ion, cannot be said of the curative properties of Vade Mecum Water.

RALEIGH, April 17.—Before Judge
Montgomery of the Supreme Court here
today an interesting habeas corpus case
was heard; that of C. J. Jones and Samuel
McIntosh, prominent citizens of
Moore county, who are charged with
having called George Ritter, colored, a
suspected barn-burner, to his door one
night, in March 1900 and shot him dead.
They were yesterday compelled to jail
without privilege of bail and the pur-
pose of the habeas corpus proceeding
was to permit bail.

The general public will be pleased to
know that the full report of the investi-
gation of the condition of the peniten-
tiary, which is really an investigation of
its conduct during the administration of
W. H. Day as superintendent, is nearly
ready to be made. Gov. Aycock asked
several weeks ago for a full investigation
and for reports of conditions December
31, 1900; April 1, 1901, when Day retired
and July 1, 1901.

A negro servant in the boarding house
of "King" Kelly, the Captain of the
Raleigh baseball team, was arrested late
last night, charged with breaking open
Kelly's trunk and taking \$287, which he
yesterday afternoon saw Kelly put in the
trunk.

The State today chartered the Mutual

State Superintendent of public instruc-
tion Toon returned today from Writhe-
ville, where he attended the convening of
ex-Confederate Veterans. He went
to Clinton and spoke at the teachers in-
stitute held there by Prof. Masgum. He
says the educational interest is alive
there and in good hands. In speaking
of the crops in that section of the State
he said he had never seen them worse.

Mention has been made of the illness
here of General Passenger Agent R. E. L.

typhoid fever. His sickness yesterday
assumed a serious form, there were hem-
orrhages and heart trouble.

It is found that 33 out of 48 cows in
the race herd at the insane asylum here
are afflicted with tuberculosis; that is

RESERVES DECISION.

The Habeas Corpus Case Before Judge
Montgomery Undecided.

Special to Journal.

Raleigh, Aug. 17.—The habeas cor-
pus case was heard today before Judge
Montgomery of the Supreme Court, in
which two citizens of Moore are ac-
cused of shooting to death George Rit-
ter, colored. It was said that they had
called Ritter to his door and then shot
him. Bail had been refused them.

In the hearing today one witness
swore that Jones, one of the accused,
had told him and others that they had
lynched Ritter, that they had taken him
from his home at night and were about
to hang him to a tree when he broke
away from them and ran. They had shot
him and had taken his head and
hanged him to a tree beside the road.

Judge Montgomery postponed his ad-
journment in the case until Monday as to
admitting the two men to bail, in order that
the Solicitor may be here and be con-
sulted in the matter. Judge Mont-
gomery at first refused to admit Jones
to bail and then decided to defer the
matter as already stated.

The Best Yet Ever Made

A HEALTHY WOMAN.

Mrs. Clara Makemer, of The Florence Critchfield Ancherage Mission, Chicago, and don't feel as if I could be more than
twenty. I was sick for five long years.
I doctored all the time. Nothing helped
me permanently until I heard of Dr.
Hartman and his medicine and he
cured me. I had been so sick, suffered
almost death, vomiting three or four
times daily, no strength, not able to
walk, and now for one year and a half I
have been a well woman. People are
surprised to see me so well. I tell them
that Dr. Hartman cured me with Per-
una.

For all of that class of disorders known
as female diseases, Peruna is without a
rival, because it strikes at the source of
these diseases. Peruna produces clean,
healthy mucous membranes, without
which no woman can be strong or beau-
tiful.
