outcome could be learned."

and says he decided on the act three lays ago and bought the revolver with which has act was committed in Buffalo. THE WHOLE SYSTEM Hay Become Invaded by Catarrh-

at to Journal. wano, N. Y., September 7.—The dent continued 'to reat easily gbout most of the day. The only outside of his steadily rising tem-uro, was the possibility of blood

The doctors gave various en sports during the day. One doctor sat would be known within 24 hours, within that period indications of blo within this period indications of stood poleoning or peritonitis, which is most feared, might appear. If not the present chances of recovery would be excellent. The rise in temperature was said to be due more to the medicine administered han to the wound.

Oleveland, O., September 7.--The Plaindealer, says, "Dan Hanna, son of Senator Hanna, has just received a dis-patch from his father, who is at Buffalo, stating that the President is worse and cannot live." OWB: on after midnight it was reported blood poisoning had set in and that President's condition was becoming

BUFFALO, Sopt. 7.-In an Interview to day the assault expressed regret that he had not killed the President where recarlous, but nothing definhe stood, and hoped he would die before morning.

> BUFFALO, Sept. 7 .-- Late reports this afternoon state the .- President's condition is becoming more alarming, and collapse of the wounded man is feared. NEW YORK, Sept. 7.- The Journal has issued a buildtin at 6:05 p.m quoting Dr. Parkes as saying the President would

hardly live through the night. BALLIGI
