rose, gaining every promotion, not count of his public life, nor may I un through influential friends, but through dertake an estmate of the value of his personal valor. When, at last, the ublic service. That task must wait for white winged dove of peace once more the impartial historian of the future brooded over the land he doffed his regi-Of McKinley as a politician, a states mentals, and entered the school room man, a diplomat, a president, there will but not for long. In 1867 he took up no doubt be various opinions as men the practice of law. Two years later he shall look at him from their various po filled his first public office as prosec litical or partisan view-points. But of ting attorney for his county. In 1876 he McKinley as a man, there can be, there was elected to Congress, and held a seat is but one opinion. And after all, to be in that body for many years. Long be fore he was elected to his first seat h a man-to be a Man, is more than to b a congressman, or a governor, or a pres Congress, perhaps before he ever dreamident. And I may predict that in after ed of filling that position, he intereste years his greatest glory will be in that himself especially in the question of the tariff. That he mastered the question as he measured up to the full stature of manhood. He was a man! He was every inch of him a man! He was man of deep convictions, and he had the to draft a tariff bill, which known as the moral courage to stand for those con McKinley hill became a law in 1890.

fool of crime.

victions. He was not always right, but One year later he was elected governo he was always sincere. He was not so of Ohio, and two years afterwards h anxious to be popular as he was anxious to be right. The mistakes he madewas re-elected to the same position. It was while he was Governor of Ohio that and without a doubt he made many-I heard William E Mason, now junior were mistakes of the head rather that nator from Illinois, introduce McKinof the heart. It seems to me he served his day as

ey to an immense audience as the next President of the United States. That prediction was faidled when in Novemgeneration especially well, in that he set a splendid example, and raised a high standard of the christian gentlemen in er '96 he was elected President by a large plurality. So well did he steer the ship of state during the four turbulent years which followed, that in 1900 he standard of the caratian gentioner an public life. The scoffing world has been saying that the feligion of Jesus Ohrist is suited only to women and chil-dron and weak-minded men. But Wil-liam McKinley has demonstrated that true Christianity and true piety are not was renominated by his party, and re-elected by an increased majority. On the fourth of March, last, he began his

the fourth of March, last, he began his second term of offics, and he was pecu-liarly the President of the whole coun-iry and of all the people. He knew no mat, no west, no morth, so south. Al-though he prosecuted war, his policy, both domosile and foreign, was pre-emi-mently one of peace and good will. His hest public speech-that manarity ad-dress delivered only twenty-four hours in mpatible with the virile and str uous life of a great and successful pub-lic career. Such lives as those of Glad atone and McKinley are worth more to Christianity than a whole library o omilies. And when such men openly roless and publicly live their Chris ore the assessment did his meridid pa-breathed a spirit of spissidid pamin did bls murderous

profess and publicly live their Obris-tianity there is no reason why any living mortal should spologize for being a fol-lower of the lowly Nazarene. And es-pucially does his strong Christian faith shine forth splendbilly in the dark and trying hours of death. I would not be irreverent, and I would hot draw paral-lein beyond that whigh is fitting, but who, that has read the account of that am, and of peace and good will to ar be indifferent to another. ## and Exactness.

We do not guess about anything in our prescription department. We use accurate weights and measures. We also use exact methods in compoun the various components into the medi-cine as it is when ready to take. And hen we are always precise in checking over the prescription as a final precau tion to see for certain that everything f all right.

In other words we are going into details in this way, just to show you how thorough we are in every part of our prescription work. Thoroughness is exactly the word. Our object is to get you to rend or bring all your prescriptions here to be

bring all your prescriptions here to be filled. We want and invite you to do this. C. D. BRADHAM, Druggist.
