COURT OF INQUIRY.

Continuation of Examination of Witnesses in Schley Court.
Captain Wise Alters Previous Statement. Magazine Article Rejected. Admiral Sampson Requests Counsel But Is Refused.

Special to Journal.
WASHINGTON, Sept. 27.—The Schley court of inquiry re-convened at eleven o'clock this morning.

Captain Wise, commander of the scout ship Yale during the war with Spain, was the first witness, resuming his testimony of yesterday. Captain Wise altered his previous statement concerning the order of the Navy Department May 28th, in which he was directed, "Inform every vessel of Santiago and the flying squadron of Cienfuegos," saying that he desired to correct his response to the question why this order was not carried out.

Capt. Wise said that the order was carried out. "The flying squadron was ordered to proceed with all possible dispatch," he said and added, "I did not desire to inform the Commodore of the flying squadron of his own movements. The order was to inform the Commanders of the flying squadron."

He testified that he did not direct Captain Sigbee to give Admiral Schley the information contained in the dispatch from the Navy Department regarding the whereabouts of the Spanish war ships.

Lieutenant Spencer S. Wood of the dispatch boat Dupont was recalled and he contradicted the testimony of Captain Harbor of the Texas who said that there were no picket vessels within the lines of the fleet while lying off Cienfuegos.

Lieutenant Hood who commanded the Hawk was put on the stand and told of a conversation held by Admiral Schley on the Brooklyn, to which counsel Rayner objected. The court sustained the objection. This was considered a point gained for Admiral Schley.

Lieutenant Hood said that while Admiral Schley was at Cienfuegos, Admiral Sampson wanted him to go to Santiago and Admiral Schley said that he could not do it because he believed the enemy was probably at Cienfuegos.

The court rejected as testimony the article published in the Century Magazine written by Admiral Sampson which Counsel Rayner wished to read concerning the movements of the Spanish fleet at Santiago.

Captain McCalla who commanded the Marblehead during the fight was the next witness called. He said that he told Admiral Schley of the presence of the enemy in Santiago harbor. Admiral Schley told him that he had difficulty in coaling but feared a court martial if he returned to Key West. Capt. McCalla said that no attempt had been made to prevent the Spaniards from constructing earthworks while the flying squadron was off Cienfuegos.

Judge Advocate Lemly read a letter from Admiral Sampson asking Attorneys Stanton and Campbell to represent him in the case. The court rejected the request. The court adjourned at four o'clock until to-morrow.

CZOLGOSZ ROBBED.
Crowd 'Await' Train at Auburn. Carried to Jail and Collapses.

Special to Journal.
AUBURN, N. Y., September 27.—A great angry crowd of people were at the railroad station this morning upon the arrival of the train from Buffalo carrying the assassin of President McKinley. The train came into the station at ten minutes past three in the morning.

When taken off the train, the mob made a rush for Czolgosz, and the assassin and the deputies guarding him were struck several times. The deputies drew their revolvers and finally managed to draw Czolgosz to the prison. Upon reaching the prison he collapsed. When revived the prisoner cried aloud with fear and frothed at the mouth and dropped to the floor, showing that he was a coward at heart.

The crowd continued outside the jail yelling, "Give him to us; let us at the murderer!" Tonight the prison physicians examined Czolgosz and found him still very nervous as the result of his experience of the early morning.

GRAY RUNS AWAY.
One of the Assaults of Mayor Powell Leaves. True Bill Found.
Special to Journal.
HALKION, September 27.—The Grand Jury of the Superior Court here today returned a true bill against Robert L. Gray, the young lawyer, for assault and battery of Mayor Powell, upon proof that Gray sent a telephone message falsely telling the Mayor that he was wanted at his office immediately to issue an important warrant, the purpose being to cause the Mayor to leave home, upon doing which he was met and assaulted. Gray left here going north on some train between midnight and day light last night. An instant capias was issued for him and the case continued until next term.

CZOLGOSZ SENTENCED.
To Die in Electric Chair Week Beginning October 28.
BUFFALO, N. Y., Sept. 26.—Leon F. Czolgosz, the assassin of President McKinley, was sentenced this afternoon to be electrocuted in Auburn State prison in the week beginning October 28, the earliest time permissible under law.

Before sentence was passed the assassin showed a desire to speak, but he seemed unable to get his voice above a whisper and his words were repeated to the court by his counsel.

"There was no one else but me," he said in a whisper. "No one else told me to do it and no one paid me to do it. I was not told anything about that crime and I never thought anything about the murder until a couple of days before I committed the crime."

Czolgosz then sat down. It was evident that his mind was flooded with thoughts of his own distress. His eyes were dilated, making them appear extremely bright. The murderer's cheeks were a trifle pale and his outstretched hand trembled.

The guards put the handcuffs on his wrists. He looked at one of the officers. There was an expression of the profoundest fear and helplessness in his eyes. He glanced about at the people, who crowded together in efforts to get a look at him. His eyelids rose and fell tremulously and then he fixed his gaze upon the floor in front of him.

At this point ex-Judge Robert C. Titus one of the assassin's lawyers, went over to him and bade him good-by. Czolgosz replied faintly, "Good-by."

The murderer was then hurried downstairs and through the "tunnel of sob's" to the jail, where he will remain until removed to Auburn to pay the penalty for his crime.
