Charlotte Company Disbands. Convicts For the Road.

RALEIGH, Sept. 28.—About midnight last night the fast passenger train, north bound, on the Raleigh-Hamlet division of the Seaboard Air-Line, was wrecked near Cameron by the spreading of the rails. News of the disaster is very hard to obtain, but it is said 6 cars were wrecked and 16 persons hurt, among them were the engineer and Robert O. King of Raleigh, a commercial traveler, very seriously. The road has had hard luck lately in the way of accidents between here and Atlanta.

The State text book commission today issued a mandatory direction that all the text book companies which have the State contracts must at once establish the required depositories. The commission also decided that a usable book is an exchangeable book. This is to settle another branch of the trouble with the book companies.

Gov. Aycock went to Wilson's Mills, Johnson county, today to deliver an address at a township rally in the interest of public education. That township wants to vote a special tax for its schools.

Robert L. Gray, the young lawyer who left here night before last so as to avoid appearance at this term of Superior Court, returned last night and gave a \$300 justified bond for his appearance at the January term. If he had been tried yesterday Judge Robinson would have certainly given him a heavy sentence for the assault on Mayor Powell. The term of court ended early yesterday afternoon.

The Governor offers rewards of \$300 each for two murderers, Robert Salpes White, of Burke, and Pink Long, colored, of Caswell.

By reason of its failure to obey State Guard regulations Co. M, 1st regiment, at Charlotte, is disbanded. The Inspector general and the colonel of the regiment both recommended this course.

At the criminal term of court here which ended yesterday 26 persons were sentenced to the roads. There are now over 90 on the road gang.

They Criticize Roosevelt.

MANCHESTER, N. H., September 27.—Louis Bell Post, Grand Army of the Republic, of Manchester, conducted a memorial service tonight in honor of President McKinley.

The meeting developed into an expression of criticism and hostility toward President Roosevelt. Capt. Frank H. Chellis, past national commander of the Sons of Veterans, said:

"I confess that it was with some misgivings I read the letter which President Roosevelt wrote to a Southern friend, in which he said he was proud of the fact that two of his uncles served the Confederate cause, one as an admiral in the Confederate Navy, while the other had fired the last gun on the Alabama. I confess I have some misgivings as to the future. I don't like to see the pendulum swing that way."

President McKinley's Will.

CANTON, Ohio, Sept. 27.—The will of President McKinley was filed this afternoon by Judge William R. Day, who was at one time Secretary of State under President McKinley and Secretary of the Interior. Together they went to the Probate Judge's office shortly after three o'clock and presented the testament to Judge August. All the property is left in trust to Mrs. McKinley, but an annuity of \$1,000 is given to Miss Helen McKinley sister of the President.

It is stated that the estate will reach from \$250,000 to \$300,000. Of this \$27,000 is life insurance. The remainder consists of bank deposits in Washington and of real estate in Canton and elsewhere. A schedule of estate will probably be filed Monday by the administrators after they qualify.

Surveyors were at work today planning the ground on which it is proposed to erect the McKinley monument. Several small contributions were received by the Mayor.

COLUMBIA A WINNER.

But by the Very Narrow Margin. A Wonderful Race.

The race between the Shamrock II and Columbia was sailed to a finish. Columbia won by 33 seconds but Shamrock crossed the finish line before the American boat; the latter won on account of her time allowance of 43 seconds.

The yachts were off close together with Columbia in the lead. The maneuvers of Capt. Barr secured the best place for Columbia. At eleven fifteen Shamrock had pulled up and led the Columbia.

At twelve thirty the wind was reported as holding about 6 knots an hour with good prospects of holding out. The Shamrock was then leading with the advantage of her lower sails in the light air. The sails of both yachts were drawing well and Capt. Barr was holding his boat high up in the wind. The course was straight to windward 15 miles and return, the yachts heading to the stake boat and running back free.

The Shamrock turned the stake boat first at 1:28 1/2 o'clock. The Columbia followed close after. The official time gave the Shamrock a lead of 41 seconds at the stake boat.

The yachts were now on the home stretch and sailing free before the wind and the dispatch said they were "coming home fast." At 3:25 the yachts were nearing the finish line and were almost bow and bow with Shamrock slightly in the lead. It was then said that Columbia would win on account of her time allowance of 43 seconds. The report said that it was "a wicked race."

The Shamrock crossed the line at 3:31 o'clock with the Columbia 10 seconds behind. However the time allowance on the measurement of the yachts gave the race to the Columbia by 23 seconds, although the Shamrock had actually sailed the course fast. It was the greatest race ever known.

The local interest continued yesterday unabated and the bulletins of the Journal were anxiously awaited. There was much sympathy for Sir Thomas Lipton, and he was pronounced a true sport and gentleman, many wished he would win at least one of the races. The next race will be Monday.

Heavy Damage to Rice.

SAYANNAH, Ga., Sept. 27.—Rice planters on the Savannah river suffered heavy damage today from high water, and still further destruction is anticipated tonight. Five and six days ago there were almost unprecedented rains up the river from Augusta westward. The freshest was due to arrive in the rice section today. It came on time, and was met by an immense volume of tide water piled up to the river by the 60-mile northeast gale at Tybee. As a consequence many of the plantations are flooded and the cut rice is ruined.

MEMORIAL SERVICES

Held at New Bern, North Carolina. The late President Wm. McKinley dead.

The following resolutions and resolutions were introduced by Hon. Isaac H. Smith, the original McKinley man and were unanimously adopted.

WHEREAS, On September 6th, President William McKinley, one of the best men God has ever created in the form of a man, was fatally wounded at Buffalo, New York, by a ball from a pistol in the hands of one Leon F. Czolgosz an anarchist.

WHEREAS, On account of the greatness goodness, magnanimity of his soul, integrity of his heart and his purity of purpose in all things, deeds and acts, clothed with charity, virtue and gentleness of heart and soul like unto a lamb and harmless as a dove, though firm and candid in all his decisions and doings, President William McKinley was idolized and loved by the people of the whole world.

WHEREAS, Because of the further facts he used his good offices as President of so great a people as reside in the United States of America as a Christian gentleman, knowing no one section of his great country better than any other portion or part of it, sex, creed, color or class, his death brought unrelenting sorrow to every civilized country on earth and a personal loss to every American citizen which is keenly felt throughout the realm, wherever that people recognizes Abraham's God as their God.

WHEREAS, As a soldier and as an officer in the army over soldiers, as a legislator in Congress, as a Governor and as a President of these United States he proved himself to be a man created, made shaped, fashioned in the first image of his Creator, God, whom he loved and served fervently daily and in these many years of public service. The people's unanimous verdict is: Let these words be written and preserved as an unfading monument, "Here lies an honest man the noblest work of God."

WHEREAS, His life and character will serve to the end of time as a beacon light to the manhood of the world's rising generation in so great a proportion as Queen Victoria's character and life will ever serve to inspire real womanhood of the world. For these two names are cosmopolitan. Therefore he is resolved.

I. That the act of Leon F. Czolgosz in shooting the fatal ball, causing the President to fall a victim in death, meets our unqualified disapproval, and most solemn condemnation.

II. We recommend and request that the ministry, school teachers and the leaders of the people will call special attention to the character and life of President William McKinley in a special and befitting manner to their hearers during each and every service or when an opportunity presents itself within the next thirty days. For the reason his character and life amounts to a guide.

III. That our sympathy be hereby tenderly extended to Mrs. McKinley, his surviving consort and the bereaved family in this their great loss and affliction.

IV. That a copy of these Resolutions be sent to Canton, Ohio, the home of the late President for publication.

V. That these Resolutions be published in all papers friendly throughout the world.
