

SYRUP OF FIGS

NEVER IMITATED QUALITY. An Excellent Combination. The pleasant method and beneficial effects of the well known remedy, Syrup of Figs, manufactured by the CALIFORNIA FIG SYRUP CO., illustrate the value of obtaining the liquid laxative principles of plants known to be medicinal laxative and presenting them in the form most refreshing to the taste and acceptable to the system.

Business Locals.

FOR RENT, Six room dwelling at Riverside. Apply to William Dunn.

CANDY—Just received a fresh supply of Assorted Chocolates. McSorley.

JACOBS' Raleigh Rye Whiskey is the best. Middle street.

Fulcher Pear Still Leads.

A huge pear arrived at the JOURNAL office yesterday, accompanied with the following legend, "I am of the Garber variety and raised by A. E. Wadsworth, weigh me and I will beat the Fulcher pear."

The pear was weighed and tipped the scales at 1 pound 7 1/2 ounces. It measured 14 inches each way, being nearly round.

The Fulcher pear weighed 1 pound 9 ounces and measured 13 inches the small way, being considerably larger the long way. So it is apparent that the Fulcher pear still leads.

The JOURNAL has prepared extensive storage room for pears, and other big fruit, and is ready to receive the same without further notice.

Funeral Notice.

The remains of Mrs. J. E. Borden who died at Jacksonville, Florida, Monday morning, arrived here last night. The funeral will take place this morning at 10 o'clock at St. Paul's Catholic Church. Friends of the family invited to be present.

CAPUDINE

Does not effect the heart. It is different from other Headache Remedies.

SOLD BY ALL DRUGGISTS.

VOTED FOR DARKNESS.

Board of Aldermen Say no Street Lights When Present Contract Expires.

Other Municipal Matters.

The regular monthly meeting of board of Aldermen was held last night, seven members with Mayor, present.

Minutes of previous meeting read, corrected and adopted.

Petition to board from Isaac H. Smith, saying that transfer license was excessive, and asking for reduction, was tabled.

J. C. Green's application for right to post bills and advertising, provoked discussion and was referred.

H. E. Royall, foreman Atlantic Steam Fire Engine Company came before board with statement that the fire engine horse of his company was not sufficiently fed. This brought up figures showing that ample feed was paid for, but discrepancy could not be found. Better attention was promised as to this matter of feed.

Committees called upon for reports, few made. Alderman McCarthy asked for 200 loads of dirt to level portion of cemetery, which was granted.

Report of Water and Sewer for quarter ending Sept. 30th gave \$14.00 as increase of business.

Alderman Scales, chairman light committee, said street lights seemed improved during last order. He did not favor oil lamps or incandescents for the city, in place of electricity. Alderman Watson asked if contract with Electric Light Company did not expire in a few days. Alderman Scales had no recommendation to make, could not recommend continuation of present lights.

Alderman Watson moved that with the expiration of contract with Electric Light Company that all the city lights be discontinued, until some arrangement for other lights on streets be made.

Alderman Barrington, moved that matter be left to the light committee, to see what arrangement could be made with Electric Light Company and report next meeting. That contract be made for a month or until a new contract is made.

Alderman Lane said it appeared from the recent vote the citizens of New Bern wanted no lights.

Alderman Barrington said he would not be a member to vote to put out electric lights. There was no reason to say that the citizens did not want lights. The vote showed they were satisfied to pay the present price for lights, and not vote \$15,000 for others.

Alderman Watson said he thought board and citizens were afraid of the light question. All were trying to dodge.

At this point Alderman Johnson seconded Alderman Watson's motion.

On roll call, Aldermen Watson, Lane, Scales and Johnson voted for motion to discontinue lights, Aldermen Barrington, McCarthy and Phillips voted to continue.

Mayor declared motion carried.

On matter of bill of L. Daniels of \$3.00 for responding to fire alarms in August and September, and carrying fire truck, (hook and ladder), a long discussion followed. Aldermen Lane and Watson, asking by whose authority the contract for this work had been transferred from Scott to Daniels. The chairman of fire committee said he knew nothing of the bill. The Mayor feeling that the attack was against him, told why the change had been made, and said he had never asume any undue authority in the matter of any city matter. Bill was allowed.

Another long discussion followed the auditing of some of the pollholders bills, which was settled by allowing each \$3.00 per day.

Alderman Lane said the vote on the electric light election had never been canvassed, or any announcement made public of the election. He had often been questioned on the outside. Clerk said returns were on file. No one else being interested the matter dropped.

Some discussion on matter of boiler for heating, and meeting adjourned.

NOT ENOUGH WIND.

Yesterday's Yacht Contest Not to a Finish, Shamrock Ahead.

Neither Shamrock nor Columbia scored a victory yesterday, there was not wind enough to go over the triangular course. The indications for a fine race were good early in the day as the bulletins said the weather conditions were perfect, and the wind blowing eight knots an hour with a moderately smooth sea; Shamrock weather so the sharp said.

The official record showed that Columbia got across the starting line first, followed by the Shamrock 13 seconds later. At 12.30 the yachts had gone less than 5 miles, the wind was dying out, there was almost a calm. Columbia was reported half a mile in the lead. The 1.30 bulletin said that the wind had sprung up some and the Shamrock had caught it first, gained fast on her rival, and had a slight lead. At 2.24 the Shamrock was still in the lead.

Shamrock turned the first stake boat at 2.41 and Columbia turned it about four minutes later.

At 3.40 the wind had again died out, Shamrock had continued to gain out to that time but was still five miles distant from the second mark or turning point of the course and there remained only one hour to finish which was plainly impossible. The race was declared off with Shamrock three minutes in the lead at the rate the yachts were then progressing.

DeWitt's Little Early Risers never disappoint. They are safe, prompt, gentle, effective in removing all impurities from the liver and bowels. Small and easy to take. Never gripe or distress.

F. B. Duffy.

Don't Miss It.

The Elk's Free Street Fair and Carnival to be held in Wilmington, N. C., Oct. 14th to 19th inclusive is another instance of what the hustling progressive Elks can do. They are noted for their lavish entertainments and the coming Gals Week and Carnival to be held in the "City by the Sea" entitles them to be crowned Kings of entertainers. After considering for some time what kind of attractions to secure, they decided to spare no expense, and the result is they have secured the Famous Boston-Ferrari Midway and Carnival Co., one of the largest in the world. There are twelve attractions that are absolutely free to everybody and which will give performances every afternoon and night.

Chief among these free shows are Kearney P. Speedy, Champion High Diver of the World, who will dive day and night from a steel tower 100 feet high, into a tank of water only 84 feet deep; this act alone is worth going miles to see. Then there is Marvelous Grant, King of high wire walkers, who, blind-folded, wheels a barrow and rides a bicycle on a slender wire 100 feet high.

Among the paid attractions are 'Colonel Ferrar's' Anglo-American Wild Animal Exhibition, with one hundred performing wild animals and his \$5000-00 gold front; nothing like it ever seen here; the Crystal Maze; the beautiful Electric Fountain, "Electra" Maid of the Air; Edison's Trip to the Moon; Ferris Wheel; the smallest horse in the world; Streets of all Nations, with its sacred donkeys and sword fighters, whittling dervishes; and quaint and curious people of the Far East; the Girl From up There, and many others. There will be something interesting going on every minute. Grand military parade Wednesday, October 16th. Fraternal Day, Thursday, October 17th. Battles of confetti fought daily. Wilmington will have more fun and frolic than ever before in its history. Bands of music in concerts all day long.

The Elks extend a welcome and the keys of the city to everybody, so don't fail to go to Wilmington and have a good time. All railroads will take you for half fare. Don't miss it!!!!

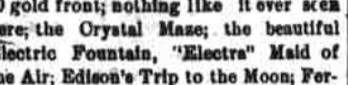

C. M. Phelps, Forestdale, Vt., says his child was completely cured of a bad case of eczema by the use of DeWitt's Witch Hazel Salve. Beware of all counterfeits! It instantly relieves piles. F. S. Duffy.

Marriage This Afternoon.

Fry's Balsam Relieves Night Awe and makes a speedy end of coughs and colds.

JOHN ROBINSON'S

Ten Big Combined Colossal Shows on the Way Here.

There is certainly no travelling exhibition in America, perhaps in the world, which presents entertainments so varied so attractive and so multitudinous as do John Robinson's Ten Combined Great Shows. Since the days of Noah, a more complete menagerie has never been seen. Poetical and enchanting scenes never before equalled are witnessed in the sublime biblical spectacle of Solomon, his Temple and Queen of Sheba.

Every act in the monster programme is a revelation to the people. The finest specimens of horse flesh in the world, the highest aerialists in the circuit profession, all the champion riders, both male and female. The finest specimens of the cutest ponies in the world. The grandest specialties ever produced. The funniest shows on earth are with the Robinson Shows. Coming to New Bern, Saturday October 12th. adv.

New Telephone Subscribers.

Telephone subscribers please add to their lists, T. G. Hyman, residence, 141 and W. E. Snellings, market, 107.

Summer Heat—This is the season o

bowel complaints. Green apples and cucumbers produce them and PERRY DAVIS' PAIN-KILLER cures them. To the troubled stomach it comes like a balm, the wind is assuaged, and the train ceases. Every druggist in the land keeps Pain-Killer, and no one should be without it in his family. Avoid substitutes, there is but one Pain-Killer, Perry Davis'. Price 25c. and 50c.

Fine Western Beef at Oaks Market, today.

Stockholders B. & L. Association.

Accuracy and Exactness.

We do not guess about anything in our prescription department. We use accurate weights and measures. We also use exact methods in compounding the various components into the medicine as it is when ready to take. And then we are always precise in checking over the prescription as a final precaution to see for certain that everything is all right.

In other words we are going into details in this way, just to show you how thorough we are in every part of our prescription work. Thoroughness is exactly the word.

Our object is to get you to send or bring all your prescriptions here to be filled. We want and invite you to do this. C. D. BRADHAM, Druggist.
