TWENTIETH YEAR

SOCIETY LADIES

Use Peruna for Catarrhal Derangements.

Mrs. C. H. Buck, 2223 Douglas street, Omaha, Neb., writes: "I have used Peruna and can cheerfully recommend it as being the best remedy for catarrh and general debility that I have ever used." Yours gratefully, Mrs. C. H. Buck.

Miss Helen Murphy, a popular society woman of Oshkosh, Wis., is an ardent friend to Peruna. The following is a letter written by Miss Murphy, and gives her opinion of Peruna as a preventive as well as cure for catarrhal ailments:

Miss Lillian Roehfeld, a graduate from the Conservatory of Music, Paris, is the violin soloist of the Chicago Germania Club. Miss Roehfeld used Peruna as a tonic, when run down by overwork. She speaks of it in the following glowing terms:

Peruna is applicable to catarrh of any mucous surface of the body in all stages. From the slightest catarrhal attack or cold to the most chronic or pronounced case of hypertrophic form Peruna is a specific. Men and women are subject to catarrh. Women are even more subject to catarrh than men. This is due to many causes. The chief cause is the delicacy of her organism, as compared to man. The extreme sensitiveness of the mucous lining of every organ of a woman's body is well known to physicians. This explains why, in part at least, so few women are entirely free from catarrh. A vast multitude of women have found Peruna an indispensable remedy. "Health and Beauty," a book treating on diseases peculiar to women, sent free to any address by Dr. Hartman, Columbus, Ohio.

OHIO, WIS. The Peruna Medicine Co., Columbus, O.: Gentlemen—"About three months ago I contracted a severe cold at an evening reception, which settled on my lungs and threatened to be very serious. As my mother has used Peruna with good results, she sent for a bottle for me and I found that it gave me blessed relief. Before the second bottle was consumed I was well. "We keep a bottle of it on hand all the time and when I have been out in inclement weather, I take a dose or two of Peruna and it prevents my taking any cold and keeps me perfectly well." Yours very truly, Helen Murphy.

CHICAGO, ILL. The Peruna Medicine Co., Columbus, O.: Gentlemen—"I cannot give too great praise to Peruna. Last winter my nervous system became so overtaxed from constant overwork with my violin that my right side seemed partially paralyzed. "I naturally became very anxious and consulted my physician. After giving me a couple of prescriptions without effect, he advised me to try Peruna, and I am glad to say it effected a speedy and permanent cure. "Although the past year has been a severe tax on me Peruna has kept me strong and vigorous." Yours truly, Lillian Roehfeld.

POOR RESULT.

The tax on Corporations Fails to Meet Cost of Collection.

Competition Brisk For Cotton Seed. Condition of State Guard. Use of Mowing Machines. Cotton Farmers Badly off.

RALPH, November 2.—In the course of an interview with an official of the State Treasury he said there would be but little increase in the State's receipts from taxes this year under the new law, imposing a new tax on corporations. Looking over the books he found that the receipts from this new tax have so far been only \$7,500. Great results had been expected from this tax. It fails to meet the expectations.

The chairman of the corporation commission says there will in the aggregate be a considerable increase in the State's income. He is now making a calculation and says the result will in a few days be made public.

The State charters the Charlotte Pipe and Foundry Company, capital \$10,000; W. F. Dowd and others are stockholders.

The competition here by buyers of cotton seed is the most active ever known. Charlotte has buyers and has a mill at another point. The manager of the local mill says the receipts of seed so far are good; larger than had been expected.

Your correspondent had a special interview with Inspector General Bain of the State Guard. Col. Bain, when asked as to the condition of the Guard said, "The force is not in good shape, yet it is in better shape than ever before. The encampments last summer were certainly the most successful, both as to drill and discipline of all ever held. There is wide room for improvement of the Guard. As to suggestions looking to this end there ought to be an appropriation to pay the men for duty in camp. There ought also to be a change as to the election of officers. These ought to stay in service as long as competent. The frequent changes are damaging. Then the enlisted men ought to be required, save for the very best reasons, to serve out their three years term. I find that now the average time served is only about 15 months, in fact the majority remain only about that time. The discipline is very poor. It ought to be far more rigid. I have nearly completed the inspections. In a fortnight they will be completed."

The sheriff of this county is a farmer and an observant one. He says that he finds that more mowing machines have been sold here this year than in the years previous. The buyers are using them largely to cut grass for persons in their neighborhood. In this way he says the hay crop will be a very large one here.

Claude Barbee, a well known cotton buyer here says that a great many farmers abandoned their crops last spring and in the early summer, after the great and nearly steady rains. He says the condition of those farmers who have gone in debt for their supplies is deplorable; that he cannot recollect when they were in such a bad shape as at present. Their ability to pay is less than ever before. Many of this class of farmers are very despondent. They regard this as by far the worst year since 1867.

Assistant State Librarian Marshal De Lancey Haywood, will soon publish a life of Gov. William Tryon, and a history of administration in the province of North Carolina, 1785-1771.

It relieved her immediately and she went to sleep. When she awoke next morning she had no signs of hoarseness or croup." F. S. Duffy.

A TERRIBLE SCENE.

Rope Breaks at Council's Execution. Priest Publicly Declares the Man's Innocence.

SPECIAL TO JOURNAL. RALPH, November 2.—Lewis Council, colored, under sentence for assault, was hanged at Fayetteville today. When the trap fell the rope broke under Council's weight. He fell to the ground and then rose and walked back upon the scaffold. When the trap was sprung a second time, Council died within a few minutes time. He protested his innocence of the crime at the last. The priest attending, Father Marion, held a cross aloft and declared, "Before the whole State and despite Governor Aycock's action, I declare that Council was innocent."

The Chinese Way.

PEKIN, Nov. 1.—The repairs to the wall, towers and palace have been almost completed. A temporary structure of wood and cloth has been erected in place of the destroyed Chienmen tower under which Emperor Kwang Su will pass when entering the Forbidden City. It is painted to resemble the old stone tower, with cannon in the windows, and looks like a piece of theatrical scenery.

Every effort is being made to conceal from the court the evidence of conquest. The British looped the wall at the station outside Chienmen gate, and the Chinese are now building another wall outside this to screen it from the view of the court.

Modern Surgery Surpassed

"While suffering from a bad case of piles I consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve," says G. F. Carter, Atlanta Ga. "I procured a box and was entirely cured. DeWitt's Witch Hazel Salve is a splendid cure for piles, giving relief instantly, and I heartily recommend it to all sufferers." Surgery is unnecessary to cure piles. DeWitt's Witch Hazel Salve will cure any case. Cuts, burns, bruises and all other wounds are also quickly cured by it. Beware of counterfeits. F. S. Duffy.

End of the Fair.

BU FALO, November 1.—The Pan-American Exposition, with its entrancing memories, its artistic success and its financial failure, is closed.

When the gates were bolted for the final time tonight the attendance record showed a total of about 8,250,000. That means that at least 2,000,000 persons have seen and repeatedly seen the glories of the Rainbow City.

This exposition now occupies a peculiar position in exposition history. It is at once the greatest success and the greatest failure that America has made. Financially, it is said, the loss will be nearly \$4,000,000 directly to the institution and also a collateral loss of several millions more. This is fully 50 per cent of the amount expended. The stockholders will be paid nothing and the bondholders will receive only about 75 per cent of their investment. Even in Chicago, which fair has held the record for financial embarrassment, the stockholders were reimbursed with 12 per cent. At Omaha they received 90 per cent.

Reliable and Gentle.

"A pill's a pill," says the saw. But there are pills and pills. You want a pill which is certain, thorough and gentle. Mastin's gripe, DeWitt's Little Early Risers fill the bill. Purely vegetable. Do not force but assist the bowels to act. Strengthen and invigorate. Small and easy to take. F. S. Duffy.

Betting on Tuesday.

NEW YORK, Nov. 1.—Tammany money sent into Wall street in the afternoon caused a shrinkage in the odds posted against Shepard in the early betting this morning. Admirers of the fusion candidate, Seth Low, confident that they had about exhausted the betting funds of Shepard's backers, made Low a 4-to-5 favorite.

At the quotations Shepard was regarded as considerable money. The confidence with which the backers of Tammany's candidate placed their money caused the odds to shorten a point by noon.

Miss Stone's Ransom.

CONTRAVENTOR, Nov. 1.—The negotiations with the captors of Miss Ellen M. Stone, the American missionary who is held by brigands, are progressing with our result so far.

The brigands are still holding out for the \$110,000 ransom, and it is feared that should they persist in their demand, Miss Stone will have to be sacrificed. It is said here that another letter, written two days ago, has been received from the captors.
