HENRY R. BRYAN.

RALEIGH.

Another Old Veteran Approaching the End of Life.

Boy and Matches Damage Cotton. Arrest of Gamblers at Walden. Williams Wants Negroes. Commissioner Young is Bury.

RALEIGH, Nov. 4.—At the Soldiers Home here last night Henry Lee was paralyzed. He is 89 years of age, a native of Massachusetts, and was a good soldier. He served in the cavalry, as substitute of the late Gov. Elias Carr. His condition is critical.

The Supreme court this week took up the docket of appeals from the 11th district.

News today from attorney general Gilmer, who is sick with typhoid fever at a hospital here, is that he is holding his own very well.

The State charters the Amos Owen Cherry Tree Co., of Henrietta, Rutherford county, capital \$10,000, and Summer Sons & Co., of Asheville, who will make and sell electricity in various forms.

Yesterday afternoon a fire alarm was sent in here and it was found that an eleven year old white boy while "playing train on the Southern railway's cotton platform was using matches, which set fire to 23 bales. He took off his coat and tried to put out the fire. A policeman appeared and the boy fled. The officer chased him and caught him in front of the penitentiary. Today he was sent on to court.

Not a few people here are well pleased at the arrest of a lot of gamblers. Your correspondent learned today that during the State fair here a lot of gamblers had rooms in a building on the principal business street and did business openly in violation of the law. One of these was a Baltimore gambler, an "old timer", while known as "Boly Boly."

It was stated several weeks ago by the Counsel of State that the old arsenal was to be removed from the Capitol Square, but nothing has been done. There is much influenza among horses in this city and section.

"Peg Leg" Williams, promoter of the famous negro exodus a dozen years ago from this section, is here again after negroes, and wants 2500 to go south and west.

Insurance commissioner Young says that at Smithfield today O. R. Hassell, whose arrest he caused last week for representing unlicensed insurance companies, waived examination. Bail in \$500 is demanded of him. Mr. Young says that Hassell is the very man who was sent to the penitentiary from Carter county for graveyard insurance swindling and was pardoned by Gov. Russell. He admits that his name is O. R. Hassell.

Insurance commissioner Young will attend the trial at Wilmington this week of Hauser, a merchant, who is charged with attempting to burn his store. This is the case in which trains of paper and straw, scores of yards in length was laid in all directions, to carry the fire swiftly and surely, a clock being used to start the fire.

THEIR OWN WAY.

State Auditor Gets a Shock From County Officials.

RALEIGH, November 4.—The State Auditor was amazed today at the receipt from a register of deeds of one county a statement that he and the board of commissioners had decided to put the pension tax on polls at 10 cents, the old figure, instead of 13 cents (as the new law requires.) There was yet more amazement when a letter came from another register saying he had decided to make the public school tax on property 19cts. instead of 18.

TO CLEANSE THE SYSTEM

Effectually yet gently when constive or bilious, to permanently overcome habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritating or weakening them, to dispel headaches, colds, fevers, use Syrup of Figs, made by the California Fig Syrup Co.

In an Escaped Balloon.

SAN FRANCISCO, Nov. 3.—The nine occupants of the car of the balloon which escaped from this city yesterday, returned safely today. The balloon was landed near Pescadero, 50 miles south of this city, and but a short distance from the ocean. The balloon was at one time setting out to sea, but was blown back to land.

When the balloon broke its bonds it sailed away in a southerly direction South of Redwood City it struck another air current which took it toward the ocean over the summit of the coast range. Nineteen miles from Lahonda and about six miles from Pescadero, lies Betty Thompson's place. Thompson was up and out when the balloon came along by Wuer's Mill and grappled the rope. By this time much of the gas had been let out of the balloon and the power was weak.

The Children's Friend.

You'll have a cold this winter. Maybe you have one now. Your children will suffer too. For coughs, croup, bronchitis, grip and other winter complaints One Minute Cough Cure never fails. Acts promptly. It is very pleasant to the taste and perfectly harmless. C. B. George, Winchester, Ky., writes "Our little girl was attacked with croup late one night and was so hoarse she could hardly speak. We gave her a few doses of One Minute Cough Cure. It relieved her immediately and she went to sleep. When she awoke next morning she had no signs of hoarseness or croup. F. R. Duffy.

Recall of Minister Wu.

WASHINGTON, Nov. 3.—Mr. Wu, the Chinese minister, returned to the city tonight. He said he had not received any notice of his recall to China, nor any intimation that he would be asked to return. As he has heretofore expressed himself, the minister would not be surprised in the least if such action were contemplated by his government as he has now served on the mission here for more than a year longer than the customary time allowed by the Foreign Office at one place, viz; three years. He is simply holding over now, and his recall and the appointment of a successor would be simply in line of established practice. Mr. Wu's tenure has been very satisfactory to the administration and it is understood that it was through representations of the officials here conveyed to the Chinese government that it was continued.

When asked whether he would return to China if he were recalled Mr. Wu replied with feeling: Why shouldn't I? All my interests are there."

Reliable and Gentle.

"A pill's a pill," says the saw. But there are pills and pills. You want a pill which is certain, thorough and gentle. Mustn't gripe. DeWitt's Little Early Risers fill the bill. Purely vegetable. Do not force but assist the bowels to act. Strengthen and invigorate. Small and easy to take. F. B. Duffy.

Snow in Duluth.

DULUTH, MINN., Nov. 3.—The first snow of the season struck Duluth this afternoon and continued for about half an hour. The temperature is very cold with prospects of more snow tomorrow.

REMAINS OF SPANISH ADMIRAL.

Admiral Villamil's Body at New York. Enroute to Spain.

New York, Nov. 3.—The Spanish steamship Montserrat, on her way home from Havana, came into port today with her flag at half-mast. In a mortuary department is the body of Admiral Villamil, who lost his life during the encounter with the American ships at Santiago. The body is on the way to Spain.

Spices.

Good Spices. Spices that cost a little more than those you generally get at the grocery store, but what does a fraction of a cent amount to compared with a jar of pickles that are "just right." You yourself know that in pickling, or in cooking you can't expect best results unless your spices are good. Let us supply you with these specialties this year. At Bradham's Pharmacy.

Modern Surgery Surpassed

"While suffering from a bad case of piles I consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve," says G. F. Carter, Atlanta Ga. "I procured a box and was entirely cured. DeWitt's Witch Hazel Salve is a splendid cure for piles, giving relief instantly, and I heartily recommend it to all sufferers." Surgery is unnecessary to cure piles. DeWitt's Witch Hazel Salve will cure any case. Cuts, burns, bruises and all other wounds are also quickly cured by it. Beware of counterfeits. F. B. Duffy.
