## CROKER CONCEDES DEFEAT.

**Tammany Hall Overthrown In  
New York City By Political  
Enemies.**

## RETURNS FROM OTHER STATES.

Maryland Largely Democratic. Virginia for Constitutional Amendment. Nebraska Joins Republicanism. Philadelphia Still in Hands of Republicans.

Special to Journal. New York, Nov. 5.—Richard Croker concedes the defeat of Edw. M. Shepard the Tammany candidate for Mayor of New York. The returns come in slowly. The latest estimate makes Seth Low's majority at over twenty thousand.

Croker says tonight that he supposes the people wanted a change in the city government and that he thinks the silent vote had a good deal to do with the result.

Croker's retirement from political control of Tammany was indicated before the election by his own declaration that he had determined to give up the organization, whether Shepard was elected or not.

The returns from New Jersey have not come in sufficiently to determine results. Ex-President Cleveland voted the Democratic ticket at his New Jersey home.

PHILADELPHIA, Nov. 5.—The Republicans have elected nearly their full municipal ticket in this city but their plurality is thought to be not over ten thousand.

The Democrats elected W. W. Carr, the candidate for District Attorney in Philadelphia, defeating John Weaver the main candidate on whom the Republicans fused.

RICHMOND, Nov. 5.—Virginia goes Democratic by the usual majority. The feature of the election throughout the State was the remarkably tight vote cast. Hardly any negroes went to the polls. The result secures the election of Montague for Governor and the passage of the Constitutional Amendment for limiting the franchise.

Louisville, November 5.—The city of Louisville has gone Democratic which makes Kentucky so.

Omaha, Neb., November 5.—At this hour Nebraska appears to have gone Republican, defeating the fusion party.

Baltimore, Md., November 5.—The Democrats carry Maryland by a decisive majority.

Cincinnati, Ohio, November 5.—Ohio has gone Republican by the usual majority.

**Modern Surgery Surpassed**  
"While suffering from a bad case of piles I consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve," says G. F. Carter, Atlanta Ga. "I procured a box and was entirely cured. DeWitt's Witch Hazel Salve is a splendid cure for piles, giving relief instantly, and I heartily recommend it to all sufferers." Surgery is unnecessary to cure piles. DeWitt's Witch Hazel Salve will cure any case. Cuts, burns, bruises and all other wounds are also quickly cured by it. Beware of counterfeits. F. B. Duffy.

**Spices.**  
Good Spices. Spices that cost a little more than those you generally get at the grocery store, but what does a fraction of a cent amount to compared with a jar of pickles that are "just right." You yourself know that in pickling, or in cooking you can't expect best results unless your spices are good. Let us supply you with those necessities this year. At Bradham's Pharmacy.

**Reliable and Gentle.**

## RALEIGH.

Supreme Court Considering the act Concerning Emigration Agents.

Question is on New Law of 1899. Exhibits For Charleston Being Facked. School Property Sales Require Advertisement.

RALEIGH, November 5.—The Supreme Court today heard argument in a case involving the right of the State under the revenue act to tax emigration agents. The legislature in 1891 enacted a law, intended solely to prevent the exodus of negroes from the State. This imposed a tax of \$1,000 in all the negro counties. "Peg Leg" Williams and the other workers under him left at once. The matter later came up before the Supreme Court and Chief Justice Shepard delivered the opinion, to the effect that the act was not valid, as it did not apply uniformly to the whole State and hence at variance with the constitution. In 1899 the legislature repealed the act. This year in the revenue act there is imposed a tax of \$25 on emigrant agents. A man named Hunt was arrested at Winston for not paying this tax. It is his case which is now before the court. He claims that the tax is in violation of Inter-State Commerce.

The State board of Pharmacy is called to meet here on the 26th instant.

The Germania life insurance company of New York today applied for admission into this State, with R. B. Hall as general agent.

The agricultural department is now packing its exhibits for the Charleston Exposition. There will be at least 4000 objects in the collection, all carefully selected.

The State superintendent of public instruction decides that in all cases where school property is sold, either publicly or privately, publication must be made beforehand.

Petitions in bankruptcy are filed here by E. B. Batts of Manoa and J. E. W. Glover, Edgecombe.

The gold brick men who have been enforced guests at the Guilford county jail for the past six or seven months, made ineffectual efforts to give bond for their appearance in court. The amount of bail required of the three is \$13,000. Mrs. Howard, wife of the king bee of the trio arrived from Chicago last night. It is said that she brings with her \$5,000 in cash, which she will deposit for her husband's appearance if further efforts to give bail prove futile. It is generally believed that a new trial will be denied by the Supreme Court, in which event the case of the prisoners will be hopeless.
