## EDUCATIONAL FUND.

Its Apportionment to the Schools by the State Board.

Free Bar Rooms in Wilkes. The Dunn Suit. State Exhibit Gone to Charleston. A New Railroad Tariff.

RALPH, Nov. 15.—The State board of education apportionment of the first \$100,000 appropriated by the legislature to the public schools 15 cents to each child between 6 and 21 years. It was stated sometime ago the second \$100,000 cannot be apportioned until January, as returns must come in. A circular about it was sent out today. This shows that the report must be filed as to what particular schools need aid to bring them up to 4 months in the year; whether the county has reached its limit in taxation, whether fines and penalties have been paid over, etc. It does not include local taxation.

The county superintendent of Wilkes county informs the State officials that ten or twelve bar rooms in that county do not pay a cent of State or county tax. The matter will be strictly looked into. Such negligence on the part of officials there astonishes those here.

It was expected that a suit involving title to the land on which the town of Dunn stands would be tried this week in Harnett court but it goes over to February.

Very few revenue seizures have been made in this district lately, the officials report.

Auditor Dixon says the State pension board will add a few names to the list, there having some been passed on since the list was printed.

He says the contract is awarded for a central heating plant at the Soldiers' home. The Daughters of the Confederacy will pay part of it.

The last car load of this State's exhibit will be shipped to Charleston Tuesday. Secretary Bruner goes there Monday and Curator Brimley of the State Museum goes Tuesday. By December 1, the entire exhibit will be installed.

Today J. M. Culp, traffic manager of the Southern railway, was here to see the corporation commission regarding the new freight and passenger tariff recently fixed by the commission—uniform on all the Southern's lines and branches in this State. Mr. Culp does not like the tariff in some respects and filed one for the commission to consider. The object today was to arrange an entirely satisfactory and proper tariff.

Attorney General Gilmer is better. His attack of typhoid fever has been in progress three weeks.

To show the shortness of the cotton crop in this section, a farmer said yesterday he had picked 6 bales from 30 acres and that perhaps half a bale was left. Your correspondent looked at the cotton. Over half the bolls were killed by frost.

### The Children's Friend.

You'll have a cold this winter. Maybe you have one now. Your children will suffer too. For coughs, croup, bronchitis, grip and other winter complaints One Minute Cough Cure never fails. Acts promptly. It is very pleasant to the taste and perfectly harmless. C. B. George, Winchester, Ky., writes "Our little girl was attacked with croup late one night and was so hoarse she could hardly speak. We gave her a few doses of One Minute Cough Cure. It relieved her immediately and she went to sleep. When she awoke next morning she had no signs of hoarseness or croup. F. S. Duffy.

### Awful Work of Storm.

LONDON, Nov. 14.—An incomplete list of the persons who have lost their lives on the coast by drowning during the British storm already aggregates over 150. Tons of wreckage of unidentified vessels are still being thrown up. Altogether it is known that 50 vessels have been wrecked along the British coast. Thirty-four of these have been absolute wrecks.

The loss of a lifeboat and 11 of its crew near Yarmouth heads the list of today's wrecks. The lifeboat was on its way to the rescue of a distressed vessel when it was struck by a great wave and capsized. The crew was imprisoned and only three of them succeeded in occupying. The dead men leave 41 fatherless children.

The Norwegian bark Erratic, of Christiansand, was wrecked in the vicinity of Saltburn and eight members of her crew drowned.

From wreckage seen in Belfast tonight it is supposed that the 50-ton collier White Abbey has been lost and her crew of nine drowned.
