SINGULAR RIOT

In Greece Caused by Protest Against Translation Gospels into Modern Greek.

ATHENS, Greece, Nov. 21.—The protest against the proposal to translate the Gospels into modern Greek continued today. Twenty thousand persons assembled around the ruins of the Temple of Jupiter Olympus and took part in a demonstration organized by the students. A resolution was passed calling on the Holy Synod to excommunicate any person who translated the Gospels into Greek as now spoken. Eight hundred marines were landed and co-operated with the troops in patrolling the locality. Several collisions occurred and occasional shots were fired.

During the encounters between the military and the demonstrators, seven persons were killed, 30 were severely and many others were slightly wounded. Several shots were fired at M. Theodoris, the Greek Premier, but without effect.

Great excitement prevails tonight. Strong military detachments guard the palace and the residence of the Premier. Everywhere anxious groups are discussing the situation. Hearing of scenes occurred when the bodies of the dead were handed over to their relatives. It is rumored that armed men have arrived at the University, but the building is still guarded by the students, who are adopting the military discipline.

There were no further disturbances during the evening, but it is feared that there will be a renewal of disorders tomorrow. Among those slightly injured are the prefect of police of Athens, and the prefect of Attica.

Modern Surgery Surpassed

"While suffering from a bad case of piles I consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve," says G. F. Carter, Atlanta Ga. "I procured a box and was entirely cured. DeWitt's Witch Hazel Salve is a splendid cure for piles, giving relief instantly, and I heartily recommend it to all sufferers. Surgery is unnecessary to cure piles. DeWitt's Witch Hazel Salve will cure any case. Cuts, burns, bruises and all other wounds are also quickly cured by it. Beware of counterfeits. F. S. Duffy.

RALEIGH.

Question Involved in the Annual Appropriation to Normal Schools.

The Roanoke Island Celebration. A Cherry Tree Swindle. The Thanksgiving Day Debate. A Big Revival in Progress.

RALEIGH, Nov. 22.—The preliminary arrangements for the great celebration at Roanoke Island are well under way. The various other States, the nations and English speaking people will all be asked to participate.

The State authorities have asked ex-judge Shepherd to give an opinion as to whether if all the annual appropriations to the State normal schools is not drawn by November 30, when its fiscal year ends, it will not have to come back to the treasury. It appears that the officials do not send out the money until the school authorities call for it, and that quite a considerable part is yet undrawn. It is said that some years ago when the Croatan Indian normal school did not draw all its appropriation by the end of the fiscal year the legislature was called on to pass an act giving it the sum undrawn.

It is found that Mrs. Crenshaw, now living in Raleigh with her daughter, Mrs. W. S. Barnes, is a grand daughter of the noted Nathaniel Macon. She is 72 years of age.

Letters are being received by State officials here, asking them to investigate what is alleged to be a swindle in Rutherford county. In the shape of a "get rich quick" scheme, in the shape of an endless chain. An official today notified the sheriff of Rutherford to investigate and the matter will also be laid before the United States authorities as the mails are used in working the schemes.

The postmaster here today received an order to put two more rural free delivery routes in operation from here January 1. There are already three routes. They are a great success, and the increase in the amount of mail matter handled is immense, showing both the value of this service and the public appreciation of it.

The Thanksgiving Day debate between Wake Forest and Trinity Colleges, in the Academy of Music here, is always a special feature. This year the subject is "Compulsory Education" and the judges are to be Prof. George A. Grimaly, of Greensboro; Rev. C. G. Vardell, of Red Springs, and Rev. Dr. Staggs of Charlotte.

The attendance at the Pearson revival meetings here is from 1500 to 1800 nightly, only limited, in fact, by the capacity of the church.

A letter from Rev. Edward Wooten says that his son, Lt. Bradley J. Wooten, 7th Cavalry, U. S. A., who was recently operated on for appendicitis at the hospital at Columbia Barracks, Havana is in a serious condition. The operation was successful, but abscess which have formed in the liver cause much alarm among the six surgeons who diagnosed the case.

None But Britons. LONDON, Nov. 21.—King Edward has chided the thrifty British nobles and others who proposed to line their pockets with American and Continental gold by the sale of their seats in Westminster Abbey, for the coronation ceremony, by decreeing that, except in an official capacity, none but British subjects are to be present.

He has decided that the mere fact of any seat being sold disposes both the holder and the nominee from the right of occupying it. It is understood that large sums have been offered both in America and Europe for seats on the occasion of the coronation.

Girl Mysteriously Disappears. ELIZABETH CITY, N. C., November 21.—Miss Nellie Croxey, daughter of W. H. Croxey, mysteriously disappeared last night. The police and citizens are searching for her. The girl was thoroughly drugged, but no clue as to her whereabouts has been found. A young man who has been paying attention to the missing girl was the last person seen in her presence. He was arrested upon suspicion and given a preliminary hearing, resulting in taking his own recognizance to appear before the mayor. Chief of Police Dawson telegraphed to Suffolk, Va., tonight for bloodhounds.
