RALEIGH.

Difficulty in Collecting Sewing Machine Tax.

State Charter. Sir Walter Raleigh Monument. Coal Scarc. Satan Confined. Attendance at Farmers Institutes. Cattle Ticks.

RALEIGH, November 23—Senator Simmons goes to Washington next Wednesday. His family will follow as soon as Mrs. Simmons regains her health. For two months she has been sick, but is now able to sit up a little every day.

State Treasurer Lacy says he finds much difficulty in collecting sewing machine taxes.

The State charters the Spray Drug and Chemical Co., capital \$25,000.

The initiation of the movement for a noble monument to Sir Walter Raleigh here is most successful. There is already over \$1,000 in hand. The prediction that in two years the statue will be in place here seems quite likely to prove accurate. Joseph G. Brown, president of the Citizens National bank here, is the treasurer of the fund.

The supply of coal here is very short; barely enough to last until next Tuesday. A "coal famine" is given as the cause.

The North Carolina section of the American Chemical Society meet here today in annual session, W. A. Withers presiding.

Bishop R. K. Hargrove will be here next Thursday and conduct Thanksgiving service. The following Sunday he will be at Wilson. Wednesday week the North Carolina M. E. Conference meets here.

Next Wednesday there will be a meeting of the congregation of the church of the Good Shepherd here, to consider the matter of resuming work in the church. The foundation was completed three years ago. Since then nothing has been done. It is to be the cathedral of this diocese.

The Supreme Court will devote next week to the docket of appeals from the 14th district. It is a very light one.

Sheriff Wooten of Lenoir county brought 8 convicts to the penitentiary. One of them is Edward Satan. This name caused much amusement among officials here, who said that it can be now said that the millennium is at hand, as Satan is no longer loose. Sheriff Biddle of Craven brought two convicts.

The attendance at the farmers' institute held yesterday at Southland Neck was quite good. State veterinarian Butler says the needs are a larger appropriation and more instructors, so that the institutes can be held at school houses in the townships and thus get among the back country farmers, who more than any others need the institutes and advice and object lesson.

Dr. Butler says he has made a particular investigation regarding ticks on cattle in most of the west and north in the State. In those natives particularly north of the federal quarantine line there are very few ticks, but in most of the territory east of the Blue Ridge there are many of them. The annual loss, not only in the death of cattle, but in the reduced price, is large.

Modern Surgery Surpassed

"While suffering from a bad case of piles I consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve," says G. F. Carter, Atlanta Ga. "I procured a box and was entirely cured. DeWitt's Witch Hazel Salve is a splendid cure for piles, giving relief instantly, and I heartily recommend it to all sufferers." Surgery is unnecessary to cure piles. DeWitt's Witch Hazel Salve will cure any case. Cuts, burns, bruises and all other wounds are also quickly cured by it. Beware of counterfeits. F. B. Duffy.

Senator Restored to Health Peruna as a Nerve and Catarrh Tonic the Talk of the World.

Hon. W. V. Sullivan, U.S. Senator from Mississippi.

Hon. W. V. Sullivan, United States Senator from Mississippi, in a letter recently written to Dr. Hartman, from Oxford, Miss., says the following of Peruna as a catarrh remedy:

"For some time I have been a sufferer from catarrh in its most incipient stage, so much so that I became alarmed as to my general health.

"But, hearing of Peruna as a good remedy, I gave it a fair trial and soon began to improve. Its effects were distinctly beneficial, removing the annoying symptoms, and was particularly good as a tonic.

"I take pleasure in recommending your great national catarrh cure, Peruna, as the best I have ever tried."

Miss Irene Cooper, Assistant Superintendent of the Old People's Home, Chicago, Ill., also has a good word to say for Peruna. In a letter written from 2323 Prairie avenue, Chicago, Ill., she gives in the following words her experience with the national catarrh remedy, Peruna:

BIG, FAST AND STRONG.

Such Must be New Ships For Navy. Admiral Dewey's Idea.

WASHINGTON, D. C., November 23.—After months of discussion the Construction Board has agreed on the design of the new battleships Congress is expected to authorize at the coming session.

The vessels are expected to be by far the largest, swiftest and most formidable battleships yet designed by any nation, and completed will cost something over \$5,000,000 each.

The Board will decide that the new vessels shall have the plain turrets, and it is understood that both Admiral Bradford and Captain Sigbee, who have stood out for double turrets, will sign the report in agreement of this.

The speed of the ships is definitely fixed at 19 knots, which will make them the speediest vessels of their size in any navy. Their horse-power will be 16,500, or more than that of any British battleship, and their displacement will be a little over 16,000 tons, or 500 tons larger than any battleship in the world.

Under direction of Congress the Secretary of the Navy was required to draw plans of the best type of battleship and armored cruiser the experts of this country could devise, and under their direction the Construction Board and the General Board have worked.

Admiral Dewey does not agree that the vessels should be so heavy or have so much speed. These features, he holds, are not so essential as heavy protection and formidable batteries.

The main battery of the new vessels to be constructed will comprise 12 inch guns as the heaviest, with seven and sizes on the sides.

The Children's Friend.

You'll have a cold this winter. Maybe you have one now. Your children will suffer too. For coughs, croup, bronchitis, grip and other winter complaints One Minute Cough Cure never fails. Acts promptly. It is very pleasant to the taste and perfectly harmless. C. B. George, Winchester, Ky., writes "Our little girl was attacked with croup late one night and was so hoarse she could hardly speak. We gave her a few doses of One Minute Cough Cure. It relieved her immediately and she went to sleep. When she awoke next morning she had no signs of hoarseness or croup. F. B. Duffy.

I Know One Sure Remedy

for an obstinate cold. Its name is Pyn-Palms.

Celery Headache Powders.

There is not any better remedy for headache than these powders. They never fail to relieve. Made and sold only at Davis' Prescription Pharmacy.

Tooth Brushes at Davis'.

Davis' Prescription Pharmacy has just received a lot of tooth brushes from Ossa Loosen, the well-known manufacturer of brushes in Paris. Each brush has "Davis' Pharmacy" stamped on the handle, and is guaranteed to be perfect. If one is found unsatisfactory, it may be returned. It is being made a leader at Davis' and the price is only 25 cents.

"In these days of all kinds of medicine it is a comfort to know of a remedy which may be used with unquestioned beneficial results. I gladly recommend Peruna as a safe, reliable remedy in cases of catarrh of the stomach, helpful in building up the system worn out with overwork or age.

"Several of my friends who have used Peruna have spoken of it in the highest terms, and I congratulate you on its merits."

Mrs. W. E. Grissom, Henry, Ellis Co., Texas, writes: "I took Peruna faithfully over two months, and the result is a thoroughly renovated system and a strong, buoyant feeling, to say nothing of a cure of the chronic catarrh. Therefore I shall avail myself of every opportunity to speak of Peruna as a catarrh cure."

Mr. Harry M. Stevens, Midland Beach, L. I., New York, proprietor of "The Richmond" Hotel, says of Peruna: "It gives me pleasure to testify to the value of Peruna. I have used it for years and have found it to be a most excellent family remedy. For colds, catarrh and similar ills, it is unsurpassed." Cordially and gratefully,

H. M. Stevens.

Catarrh is a systemic disease, curable only by systemic treatment. A remedy that cures catarrh must aim directly at the depressed nerve centers. This is what Peruna does. Peruna immediately invigorates the nerve-centers which give vitality to the mucous membranes. Then catarrh disappears. Then catarrh is permanently cured.

Peruna cures catarrh wherever located. Peruna is not a guess nor an experiment—it is an absolute scientific certainty. Peruna has no substitutes—no rivals. Insist upon having Peruna.

A free book written by Dr. Hartman, on the subject of catarrh in its different phases and stages, will be sent by The Peruna Medicine Company, Columbus, Ohio, upon request.

Harvard the Victor.

CAMBRIDGE, Mass., November 23.—The football game here today resulted, Harvard 22, Yale 0.

Cambridge, Mass., November 23.—Today's game between Harvard and Yale practically closes the football season, with the exception of the game to be played on November 30 between Yale and West Point and that on Thanksgiving day between Pennsylvania and Cornell. All over the country football enthusiasts are eagerly awaiting the outcome of the game, for it practically decides the championship.

Both teams have been playing good football, and it is hard to make a selection. In the contest the main reliance is to be placed in the respective scores made against West Point by the two teams. Harvard defeated the soldiers, 6 to 0 by the hardest kind of work, while Yale tied them 6 to 6 and looked at one time as if she were about to go down in defeat.

Yale has been the favorite in the betting, with the odds at 10 to 9, but tonight the Crimson is taking even money. The former odds was largely due to the fact that tradition points to a Yale victory in 26 years Harvard has won only three times, in the following years, 1875, 1890 and 1898.
