## SHOULD BE BETTER.

Exhibitors From This State Make Poor Exhibit at Charleston.

Better Result Hoped for. The Last Encampment. A Spanish Cannon. New Seaboard Official. Post Office Investigation.

RALPH, Nov. 26.—The State commissioner of agriculture today received a letter from the director general of the Charleston Exposition, saying he was greatly surprised at the very small number of exhibitors from this State. The commissioner is more than surprised. He naturally thought the progressive business men of the State would make use of this great opportunity of advertising the crude or manufactured products. The director general says that this matter be brought to the attention of the people and suggests that the commissioner for North Carolina issue a circular for this purpose. He says a small amount of space is yet available for exhibits. The commissioner called attention early in the year to the importance of exhibits from this State, and they naturally thought the business instinct was strong enough in North Carolina to bring a notable display of resources of all kinds by manufacturers, miners and others.

The quartermaster general of the State Guard reports that there were 1979 officers and men in camp this year, all save 55 at Wrightsville. The 1st regiment, including a battery, had 718, the 2nd 619, the 3rd 582. One company of the 8th, not included in the 582, was in camp at Litleton. The cost of transportation quite closely approximated \$7500.

Gov. Aycock will probably go the Charleston Exposition about January 21. It is the purpose to have a regiment of the State Guard there at that time—a composite regiment. Besides this a number of companies will go the exposition independently.

The State board of pharmacy met here today. Sixteen applicants for license were before it. The board is composed of E. V. Zoeller, president; F. W. Hancock, J. H. Babbitt, and William Simpkins, secretary.

A Spanish cannon, 4.7 inch captured at Santiago, will be here in a few days to be placed in the State museum. It was secured at the request of our correspondent, through the efforts of Congressman Charles R. Thomas.

Up to this date only 97 petitions in bankruptcy have been filed here. The number of the other points in the district.

F. K. Heger, the new superintendent of this division of the Seaboard Air Line has arrived here. J. M. Turner, whom he succeeded will continue to live here. The officers of the First Division will be moved from here to Richmond.

The post office department is investigating the "endless chain" scheme by which the "Amos Owen Cherry Tree Company" of Rutherford county, proposes to do business. The result will be swatted with interest.

**The Children's Friend.**  
You'll have a cold this winter. Maybe you have one now. Your children will suffer too. For coughs, croup, bronchitis, grip and other winter complaints One Minute Cough Cure never fails. Acts promptly. It is very pleasant to the taste and perfectly harmless. C. B. George, Winchester, Ky., writes "Our little girl was attacked with croup late one night and was so hoarse she could hardly speak. We gave her a few doses of One Minute Cough Cure. It relieved her immediately and she went to sleep. When she awoke next morning she had no signs of hoarseness or croup. F. S. Duffy.

**Tooth Brushes at Davis'.**  
Davis Prescription Pharmacy has just received a lot of tooth brushes from Chas. Leconer, the well-known manufacturer of brushes in Paris. Each brush has "Davis Pharmacy" stamped on the handle, and is guaranteed to be perfect. If one is found unsatisfactory, it may be returned. It is being made a leader at Davis' and the price is only 25 cents.

**Where is Miss Crosey?**  
New York, November 26.—"Mr. Andrew G. Crosey, who is a lawyer in this city, and uncle of Miss Crosey, received a dispatch that she is still missing. He is utterly at a loss to account for her disappearance, except on the theory of abduction or murder. For several years he lived at Bath Beach, a suburb near here, and his niece had been a frequent guest there. Mr. Wilcox, who was then a suitor for Miss Crosey's hand, has also visited Bath Beach. Two suits of the missing young lady left New York tonight on their way to Elizabeth City. There is much interest felt in the search by the friends of Miss Crosey and they hope to hear that she has been found soon."

**To Mark Battlefields.**  
RICHMOND, Va., Nov. 26.—Mr. Thomas F. Ryan, whose fight against the Seaboard Air Line some time ago attracted so much attention, has offered to suitably mark all of the Virginia battlefields. This offer of Mr. Ryan came about by a gentleman of Charlottesville suggesting the propriety of erecting some memorials on the different battlefields around Fredericksburg. The idea met with favor. Later Mr. Ryan agreed to see that all of the fields in this State should be properly indicated by the erection of granite slabs or in some other equally permanent manner.

**TO CLEANSE THE SYSTEM**  
Effectually yet gently when constive or bilious, to permanently overcome habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritating or weakening them, to dispel headaches, colds, fevers, use Syrup of Figs, made by the California Fig Syrup Co.

**Exploit by a Lieutenant.**  
MANILA, Nov. 26.—Second Lieutenant Louis J. Van Schalk, of the Fourth Infantry, while scouting recently with a few men of that regiment, met 100 Filipinos who had attacked and sacked the hamlet of Saraca, near Cavite. Upon seeing the Filipinos Van Schalk ordered his men to charge them.

The command was obeyed, and Van Schalk, being mounted, reached the natives 60 yards in advance of his men. He killed three of the Filipinos with his pistol. One of the revolutionists fired a rifle point blank at Van Schalk at four paces, but missed. The Lieutenant was then knocked from his horse. He jumped to his feet and engaged in a hand-to-hand conflict, using the butt of his pistol. Van Schalk sustained two severe wounds, one which nearly severed his wrist.

At this point the Lieutenant's men arrived, rescued him and put the natives to flight. Van Schalk is in the military hospital at Manila and is doing well. He had already been recommended for a medal of honor for bravery in a previous engagement.

**Sir Thomas Will Try Again.**  
LONDON, Nov. 26.—"Should no one else challenge, I am willing seriously to consider making another attempt to lift the cup."

This announcement was given out by Sir Thomas Lipton at the banquet given at the Hotel Cecil in his honor tonight, and which was attended by more than four hundred guests.  
"It would never do," added Sir Thomas, "to give up when only a pulas beat came between us and victory."

**Rev. Irl R. Hicks is Not Dead.**  
Notwithstanding a widely current rumor that the Rev. Irl R. Hicks was dead he never was in better health, and never did a harder and more successful year's work than that just closing. He has just completed his large and splendid Almanac for 1902 and, with his staff of able helpers, has brought his journal, Word and Works, justly forward into international reputation. For a quarter of a century Mr. Hicks has grown in reputation and usefulness as the people's astronomer and forecaster of storms and the character of coming seasons. Never were his weather forecasts so sought after as now, his timely warning of a serious drought this year having saved the people from loss and suffering millions of bushels of wheat were harvested through his advice to plant crops that would mature early. The American people will certainly stand by Prof. Hicks, when it costs them so little and the benefits are so great. His fine Almanac of 200 pages is only 50c, and his splendid family journal is only one dollar a year including the Almanac. Send for Word and Works. Pub. Co., 2201 Locust St., St. Louis, Mo.

## English Honor Aeronaut.

LONDON, Nov. 26.—M. Santos-Dumont heard his praises sung with no uncertain voice at a dinner given him tonight at the Hotel Metropole by the Aero Club of the United Kingdom.  
All present united in praising his wonderful work and enthusiasm ran high. The first speaker was the Brazilian Minister, who, after expressing his great satisfaction that the young inventor was a Brazilian, assured his hearers that the name of Santos-Dumont would live in history as that of the first man who had navigated a flying ship across and against the wind.  
Colonel Temple said that the whole British people would join in wishing that M. Santos-Dumont's future efforts might be crowned with the success he so richly deserved.

**GUM BRANCH.**  
Lost Home by Fire. Speaks Well of Tobacco Market. New Road Repairs.

November 23.—Ed Jarman, a well to do farmer, living near Catharine Lake, lost his house by fire last week. Mr. Jarman got up quite early and left for Kingston with tobacco and after he left the house caught fire from the stove flue, most of the furniture was lost, the house and furniture was covered by insurance.

Miss Annie Francks, of Richlands, is teaching school here now. We wish her much success in her first effort.

Cotton is so low that most of the farm are left in a bad condition.

We notice in Gumburch items of last week that Mr. W. J. Barber of Florida was here visiting, we do not know such a man of Florida but Mr. W. I. Barber of Flax is the father of the respected salesman of L. D. Boggs.

Cotton is most all out and the prolonged cold weather keeps the pickers from scraping the patches.

Mrs. Nannie Fanderlin of Clarkton, Bladen county, is here visiting her mother, Mrs. Rutha King.

We learn that Mrs. Hulda Cottle and son of Hall Moon are both very sick with typhoid fever. We hope they will soon recover.

We think Mr. W. A. Newbold has gone to your city with a load of tobacco, he speaks well of the New Bern markets.

If New Bern does not put lights back in the city trade from the country will cease. We hope she will soon replace them and we want to see New Bern thrive.

We learn from good authority that the new road is being repaired so as to be passable. If New Bern will give all the attraction she can we think the trade can be turned back to New Bern from around here. GUES.

**Modern Surgery Surpassed**  
"While suffering from a bad case of piles I consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve," says G. F. Carter, Atlanta Ga. "I procured a box and was entirely cured. DeWitt's Witch Hazel Salve is a splendid cure for piles, giving relief instantly, and I heartily recommend it to all sufferers." Surgery is unnecessary to cure piles. DeWitt's Witch Hazel Salve will cure any case. Cuts, burns, bruises and all other wounds are also quickly cured by it. Beware of counterfeits. F. B. Duffy.
