TWO ARE THANKFUL.

A Runaway Match at Raleigh Successfully Carried Out.

City Recovers in a Damage Suit. Water Company Change. The Cropsey Disappearance. Janitor of Capitol Dead.

RALEIGH, November 27.—At 10 o'clock this morning there was a runaway marriage here. Mr. Roscoe Ward of Greensboro, a merchant, aged 28, arrived on an early morning train and met Miss May McCain, a student in one of the colleges in this city. A license was quickly procured, the young woman's age being given as 18, though she did not appear to be quite so old. Her parents are dead and she was the ward of Mr. M. J. Adams, at whose house she lived. He was opposed to the match with Ward, as he desired Miss McCain to marry another man. Mr. Ward and Miss McCain went by quiet streets to the home of Rev. Mr. Hubbard, pastor of the Baptist Tabernacle, where they were married. This is the third school girl elopement here this year.

Two years ago in a runaway accident on a street here, a young woman was injured by striking a post of a narrow trestle on the Southern railway. She sued the city and got \$3,000 damages. The city in turn sued the railway company for contributory negligence and recovers the \$3,000.

The entire docket at the present term of the Supreme Court is very light; so light as to make it a subject of remark.

Sheriff Reld of Pasquotank brought two convicts to the penitentiary. Speaking of the disappearance of Nellie Cropsey, which appears to be creating quite a sensation, he says opinion is divided as to whether she went away voluntarily or was taken away in a buggy or boat by persons employed by James Wilcox. The sheriff says he does not believe the latter surmise to be correct, as Wilcox has not the means to get such work done. If the girl went away voluntarily he thinks she drowned herself.

F. M. Straghan, for over 30 years the janitor of the Capitol here, died this morning, aged 72. He was paralyzed ten days ago. He served during the civil war in the 5th North Carolina regiment. He was known by every man in the State in public life.

Messrs. Pherson & Weatherspoon, a large firm of general merchants of Sanford, who recently went into bankruptcy have made a composition with their creditors at 50 cents on the dollar. There are many creditors and this arrangement is satisfactory to the majority of them.

By the change in the charter of the Raleigh Water Company, which now becomes the Wake Water Company, the stockholders are relieved of liability. Up to a recent period the plant did not pay and several assessments were made. At one time more than half the stock was held by persons in Dayton, Ohio, but now Raleigh people hold all.

A gentleman who has returned here from Charleston says there is more painting of houses in progress there than in the past forty years or more; that he never saw anything like it, and that it is due to the inspiring effect of the exposition.

The Children's Friend.

You'll have a cold this winter. Maybe you have one now. Your children will suffer too. For coughs, croup, bronchitis, grip and other winter complaints One Minute Cough Cure never fails. Acts promptly. It is very pleasant to the taste and perfectly harmless. C. B. George, Winchester, Ky., writes "Our little girl was attacked with croup late one night and was so hoarse she could hardly speak. We gave her a few doses of One Minute Cough Cure. It relieved her immediately and she went to sleep. When she awoke next morning she had no signs of hoarseness or croup. F. S. Duffy.

Tooth Brushes at Davis'.

Davis Prescription Pharmacy has just received a lot of tooth brushes from Chas. Loonen, the well-known manufacturer of brushes to Paris. Each brush has "Davis Pharmacy" stamped on the handle, and is guaranteed to be perfect. If one is found unsatisfactory, it may be returned. It is being made a leader at Davis' and the price is only 25 cents.

St. Louis' Big Fair.

St. Louis, Nov. 26.—The committee on ceremonies of the Louisiana Purchase Exposition Company has decided that the breaking of ground for the World's Fair December 30 shall be celebrated with a great procession.

The power plant to be installed at the Exposition, it is said, will be one of the largest in the world. It will have a capacity of about 15,000 kilowatts, or about 21,000 horse power.

For Shamrock III.

LONDON, Nov. 26.—Sir Thomas Lipton's announcement last evening at the banquet given in his honor at the Hotel Cecil that he was willing to make another attempt to lift the America's cup, should no one else do so, may be taken as tantamount to a definite challenge, and it is safe to say that his Shamrock III will be seen in American waters.

However, with the view of securing all legitimate advantage, Sir Thomas will not officially communicate his decision to the New York Yacht Club until the eve of the expiration of the time in which a challenge can be received.

TO CLEANSE THE SYSTEM

Effectually yet gently when constive or bilious, to permanently overcome habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritating or weakening them, to dispel headaches, colds, fevers, use Syrup of Figs, made by the California Fig Syrup Co.

Rev. I. R. Hicks is Not Dead.

Notwithstanding a widely current rumor that the Rev. I. R. Hicks was dead he never was in better health, and never did a harder and more successful year's work than that just closing. He has just completed his large and splendid Almanac for 1902 and, with his staff of able helpers, has brought his journal, Word and Works, justly forward into international reputation. For a quarter of a century Mr. Hicks has grown in reputation and usefulness as the people's astronomer and forecaster of storms and the character of coming seasons. Never were his weather forecasts so sought after as now, his timely warning of a serious drought this year having saved the people from loss and suffering millions of bushels of wheat were harvested through his advice to plant crops that would mature early. The American people will certainly stand by Prof. Hicks, when it costs them so little and the benefits are so great. His fine Almanac of 300 pages is only 25c, and his splendid family journal is only one dollar a year including the Almanac. Send to Word and Works Pub. Co., 2901 Locust St., St. Louis, Mo.

Bryan For Governor.

WASHINGTON, Nov. 26.—Senator J. H. Millard, a Republican of Nebraska, said tonight that he believes Hon. William Jennings Bryan will receive the offer of the Democratic nomination for Governor of Nebraska next year and that he will accept.

He thinks Mr. Bryan would be defeated, however, saying: "The attempt to revive the old-line Democratic party in the State has failed and the Democratic organization will be the Bryan organization. Bryan will depend upon his personal popularity to land him in the Governor's chair, but I believe he could not win."

Modern Surgery Surpassed

"While suffering from a bad case of piles I consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve," says G. F. Carter, Atlanta Ga. "I procured a box and was entirely cured. DeWitt's Witch Hazel Salve is a splendid cure for piles, giving relief instantly, and I heartily recommend it to all sufferers." Surgery is unnecessary to cure piles. DeWitt's Witch Hazel Salve will cure any case. Cuts, burns, bruises and all other wounds are also quickly cured by it. Beware of counterfeits. F. S. Duffy.
