## NICE OLD QUAKER LADY

### Cured of Catarrh By Peruna After 20 Years' Suffering.

The Quakers have always been characterized by their unobtrusive care in relieving the suffering of their own poor, and are hospitable, sweet-spirited and gentle people. They universally wear plain, unobtrusive clothing, not so much for uniformity, as to escape the ever-changing fashions in dress.

Their honesty and veracity is well known. Hence this letter will be read with interest by all classes. Could any words be more to the point, could any evidence be more convincing, than the above persuasive, direct, sincere letter? Systemic catarrh is a condition in which chronic catarrh has pervaded the whole system. Catarrh first begins by localizing itself in some one or more organs of the body, but very soon it shows a tendency to spread to other organs. If it is not checked, the whole system becomes invaded by this insidious disease.

When catarrh has reached this stage, of course it has gone beyond the reach of all local remedies.

Nothing but a systemic remedy can reach it.

Peruna is the only remedy yet devised to meet such cases.

Peruna eradicates catarrh from the system.

It does its work quietly, but surely. It cleanses the mucous membranes of the whole body.

It produces regular functions.

Peruna restores perfect health in a natural way.

Anna P. Nichols, Vice Grand Baxter Rebekah Lodge, in a letter from 908 Main street, Kansas City, Mo., says:

"My friends recommended Peruna so highly that I purchased a bottle to try it and have never been sorry."

"At times my system became entirely run down, I could not sleep well and lost my appetite. Since I have used Peruna I feel like a different woman and hardly know what it is to be sick. I congratulate you on the merits of your wonderful medicine and wish you continued success."

One of Dr. Hartman's free books on catarrh, sent to any address by The Peruna Medicine Co., Columbus, Ohio.

Anna P. Nichols.

**MRS. POLLY EVANS, A LIFE-LONG FRIEND OF PERUNA.**  
"My wife (Polly J. Evans) says she feels entirely cured of systemic catarrh of twenty years' standing. She took nearly six bottles of thy excellent medicine, Peruna, as directed, and we feel very thankful to thee for thy kindness and advice. She did not expect to be so well as she is now. Twelve years ago it cured her of la grippe. I want to tell thee there has been a great deal of Peruna used here last winter. Peruna does not need praising. It tells for itself. We can and do recommend it to anyone that is afflicted with catarrh." As ever, thy friend,  
John Evans,  
South Wabash, Ind.

The above letter written by a venerable old Quaker, Mr. John Evans, living at South Wabash, Ind. tells in his quaint language his experience with the national catarrh remedy, Peruna.

## SERIOUS ERROR.

### Manner of Fighting Fire at A. & M. College Caused Total Loss.

#### New State Charters. Craig Law Before This Session Supreme Court. Gen. Toon Quite Ill. The King's Daughters.

**RALEIGH, November 30.**—Most of the talk here today was about the fire which late last night destroyed Watauga Hall at the State Agricultural and Mechanical College, two miles west of here. The fire originated in a loft over the kitchen, in which were stored mattresses, and various other very inflammable property and was due to a defective flue. The building was three stories in height. On the first floor was the dining hall, used also for dancing and receptions, in rear of it the kitchen, and on the second and third floors were 27 rooms, occupied by 40 cadets. The occupants were aroused about 11 o'clock by the smell of smoke and found the rooms full of it. There was a good water supply and the cadets got to work. A number of the cadets who roomed in the burned building were in the city. Some windows were raised to let out the smoke which was suffocating. The fire corps of the college and the city firemen were at work and thought they had the fire under control, but made the grave mistake of cutting a hole in the slate roof. This created a draft and about midnight the fire began in earnest, air getting at it through the open windows. Most of the cadets in the building lost all their property. The loss is about \$10,000, with \$5,000 insurance. The 40 cadets thus burned out were forced to go home today, as there was no room for them. The other buildings are full and so are all the available rooms in West Raleigh. The legislature will now have to provide more dormitories. It was urged to do so at the last session but failed.

The State charters the Lumberton Cotton Mills, capital \$75,000, O. C. Norment and others stockholders. The mill will both spin and weave. A Charter was also granted today to the Carolina Electric Co., of Maxton, capital \$50,000, W. S. McNeil and others stockholders. It will furnish light, power and heat.

Two convicts from Nash county arrived at the penitentiary today, to serve ten years, for house breaking. Some of the other convicts from that county were sent to Forsythe to work on the roads.

The remarkable decrease in the membership of the King's Daughters in this State will cause remark. A few years ago there were hundreds of circles, while now there are only 15. Here in Raleigh there were 17, now there is but one.

The fact that the supreme court will have to pass at this term upon the validity of the Craig law, which requires corporations formed in other States and doing business here to domesticate themselves, and that then the case will go on appeal to the U. S. supreme court, is of public interest. There are four cases involving this point.

The news today from Gen. Toon, State superintendent of public instruction, who is sick here, and threatened with pneumonia, is that he is resting easier. His sickness started with a chill which Gov. Aycock says lasted three hours and was the severest he ever saw. Gen. Toon's sickness is unquestionably serious.

### Health and Beauty.

A poor complexion is usually the result of a torpid liver or irregular action of the bowels. Unless nature's refuse is carried off it will surely cause impure blood. Pimples, boils and other eruptions follow. This is nature's method of throwing off the poisons which the bowels failed to remove. DeWitt's Little Early Risers are world famous for remedying this condition. They stimulate the liver and promote regular and healthy action of the bowels but never cause griping, cramps or distress. Safe pills. F. S. Duffy.
