Methodists and Baptists Make Very Good Financial Reports.

Soldiers' Home Inmate Died on the Road. Gen. Toon Has Pneumonia. Fair Receipts Were Large. A New Map.

RALEIGH, Dec. 2.—The Baptist church fiscal year ended Saturday night. Today the reports as to contributions were made up. They show 20 per cent more than ever before. The following sums were raised: State missions \$28,000 (against \$20,000 last year); American missions \$800; foreign missions \$10,000; education \$800; mountain schools (in Western North Carolina) \$11,000; orphanage at Thomasville \$30,000; total \$89,000.

The annual meeting of the trustees of the Methodist orphanage will be held at Fayetteville during the meeting of the Conference there. The cash collections thus far for the orphanage are \$19,000; from A. F. Page half of the Academy of music here, in lieu of \$5,500; from sons of A. F. Page \$4000; subscriptions \$10,000; and besides this 30 individuals and Sunday schools pledge themselves to pay \$60 a year to maintain an orphan, this being equivalent to a \$30,000 endowment.

The county of Lincoln is the first to settle State taxes for 1901, Johnston county being second.

John Justice, an inmate of the Soldiers' home here left Saturday to go in the country to see relatives and when near his destination had a stroke of paralysis and died in the road. Some negroes found him and carried him to the house. A caulk for his burial was sent from the home yesterday afternoon. Justice was in Company G, 47th N. C. regiment.

The weather was unusually cold during November. On the morning of the 29th the temperature was as low as 20 degrees.

The condition of Miss Lena Lee, who was thrown from a horse Thanksgiving day here is very serious.

His physicians announce that Gen. Thomas F. Toon, State superintendent of public instruction, has pneumonia, contracted during his recent visit to Northeastern North Carolina.

Arrivals, F. A. Sondley, Asheville; Charles D. McIver, Greensboro; George N. Ives, New Bern.

The gross receipts of the last State fair are found to considerably exceed those at any other fair ever held here. The premiums now being paid, are also larger than ever before.

Clerk Brown of the corporation commission has received 2000 requests for the new railway map of the State which he will issue in January. An usual 3000 are to be printed. Gen. R. F. Hoke declares this map has been of more benefit to the State than any other publication it has ever made.

The notable revival meeting of a fortnight length, held by Rev. R. G. Pearson in the First Presbyterian Church ended last night. The number of conversions were not so large as at his meeting in 1899.

It is phenomenally dry. All fall-sown crops need rain. Some clover has died. The drought is really trying.

An Evangelist's Story.

"I suffered for years with a bronchial or lung trouble and tried various remedies but did not obtain permanent relief until I commenced using One Minute Cough Cure," writes Rev. James Kirkman, evangelist of Belle River, Ill. "I have no hesitation in recommending it to all sufferers from maladies of this kind." One Minute Cough Cure affords immediate relief for coughs, colds and all kinds of throat and lung troubles. For cough it is unequalled. Absolutely safe. Very pleasant to take, never fails and is really a favorite with the children. They like it. F. S. Duffy.

Against a Pardon.

Special to Journal. RALEIGH, December 2.—Governor Aycock is powerfully urged not to pardon J. B. Price, a man who was convicted at a recent term of court at New Bern of false pretence. Formal protest against pardon is filed. A long list of crimes is alleged to be at Price's door.

Rural Free Delivery.

Special to Journal. RALEIGH, December 2.—The great increase in the rural free delivery of mails is illustrated by the report of a carrier here today. Last month he handled 5,000 pieces of mail, of which 2,950 were newspapers, while in August, 1900, the first month he handled only 3,373 pieces of which 900 were newspapers.

CITY ELECTRIC LIGHTS.

Where Arc Lights Will be Located if Bonds are Voted.

It has reached the ears of the Committee on Electric Lights of the City of New Bern, that the opponents of Electric Lights have been attempting to influence the Colored Voters of the City, either to stay away from the Polls on election day so that their failure to vote will count against Lights, or to go to the polls and vote against Electric Lights, for the reason that the Board of Aldermen of the City do not intend to place any Arc Lights in the Colored Wards if the election goes for Lights. As this is a gross misrepresentation and intended to obtain sufficient votes against Lights from the colored voters to defeat the election, we deem it but fair to the voters of the City to publish the location of the Lights upon which the contract for the purchase of the electric light system is to be made.—And also to state that the estimates of costs which have heretofore been published, have been made up of the location of the Arc Lights as herein stated. This Committee has prepared for the purpose of obtaining Bids for the erection of a System of Electric Lights Blue Prints locating the several Arc Lights in the various Wards of the City and upon these Locations the estimates already published have been submitted by this Committee to the Full Board and by the Board approved.—And If The Election declares in favor of electric lights the locations herein given as established by the Board of Aldermen will be submitted to all bidders for the erection of the System and when the contract is awarded These Locations Will Become a Part of The Contract for erecting and constructing this system of Electric Lights, and must be located under that contract as designated on the Blue Print Mentioned, as follows:—
