Guaranty Company Finally Makes Answer to Ex-Treasurer Worth.

A Legal Fight to Follow. A Desperate Convict Caught. Arrivals in Pine Country. The Annual College Debate.

RALEIGH, Dec. 6.—An officer arrived here today with Charles Blackwell, white, a desperate convict, who was sent to the penitentiary 4 years ago from Gaston county for the murder of John Foster, served 23 months and escaped from one of the convict farms. Since then he has been hiding in the mountains on the line between North and South Carolina, in company with many other criminals from both States. The cold weather forced him to leave the mountains and caused his capture.

At last the U. S. Fidelity and Guaranty Company has filed its answer in the suit against it for some \$15,000 stolen by Maj. W. H. Martin while a clerk in the office of ex-State Treasurer W. H. Worth. It is the first word from the company since Worth, made demand on it last April, not long after Martin's defection was discussed. The company says Worth to whom Martin was bonded failed to keep his agreement, that he put no check upon Martin; that he failed to examine Martin's books and accounts as required; that worth warranted the accuracy of Martin's accounts. Hence the company denies that it has any liability. The case will be tried in the Superior Court here in February. This will be a pretty legal fight.

Mrs. T. D. Bratton, wife of the rector of St. Mary's Female College here, has pneumonia.

Arrivals at Southern Pines, Pinehurst and Pine Bluff are now numerous. The cottages are rapidly filling. The season promises to be even better than last year's notably good one.

The Supreme Court will next week hear arguments in five State cases which came over from last term.

A bazaar is being held here in aid of St. Mary's college here. There is yet a debt of \$10,000 remaining on the \$50,000 which the college cost.

This evening the annual debate between orators of Wake Forest and Trinity Colleges, under the auspices of the Raleigh Chamber of Commerce attracted a great audience to the Academy of Music. The subject was "Compulsory Education in North Carolina." Wake Forest being the affirmative, Trinity the negative. The judges were G. A. Grimley of Greensboro, C. G. Vardell of Red Springs, and J. I. Foust of Goldsboro. The Wake Forest debaters were Dunn, Little and Dickinson; those for Trinity Howard, Brown and Hornaday.

Insurance commissioner Young has sent out the blanks for annual statement, required under section 78, chapter 54, laws of 1899, showing the financial condition of comparison on the 31st day of December of this year and for semi-annual returns, required under section 79, chapter 54, laws of 1899, showing the amount of gross receipts from business in this State for the six months ending December 31st, this year.

VANCEBORO.

What the People are Doing. The Dixon-Fulcher Wedding. The Ladies Secure a Dry Town.

Dec. 4.—Miss Alice Simpson of Wasp visited our town last week.

There was a heavy rain here Tuesday, we wish while the "city fathers" are passing "dry" laws they would make our streets more passable in wet weather.

Mr. Harry Nelson of Bellair attended the dance here last week, and visited relatives in town.

Mr. E. A. Askins and daughter, Miss Viola, Miss Lola Brewer and Mr. Zack Brown went to New Bern Monday.

Mr. C. M. Babbitt and little daughter, Emma, were in town Friday and Saturday.

Our clever P. M., Miss Cora Dickinson, and Miss Lillie Smith went to New Bern today, we understand it was a trip of special business.

Messrs. T. S. Jackson and F. S. Nelson of Maple Cypress spent Monday night in New Bern.

Mr. and Mrs. M. D. Lathinghouse went to New Bern Monday.

Mr. Emmett Smith of Ayden, is visiting in town, also Messrs. C. B. and S. J. Vincent of the same place, but returned today.

Mr. J. Cohen of New Bern registered at the Jackson Hotel Monday night.

Mr. J. M. Lancaster went to Greenville last week.

Messrs. J. A. Panson, Cleve and Mott Williams, Hugh and Walter Buck went on a big coon hunt at Mr. A. P. Willis' Monday night and caught two fine coons but had to stop at 9 o'clock on account of rain.

Our clever J. P. Mr. E. A. Askins was called Sunday to unite in marriage Mr. Jas. H. Dixon and Miss Sarah Fulcher of Wasp. The ceremony took place at the home of the bride's parents at 10:30 a m. The attendants were Miss Rebecca Dixon and Nat M. Lancaster of our town, Messrs. Beasler, George Fulcher and Messrs. Silas Ippock and Fred Gaskins of Wasp.

There was a "Hot Time in the old Town" Monday night when our commissioners met. The City Hall was packed to overflowing with "wets" and "drys" and among the delegation of "drys" there was a large crowd of ladies petitioning the commissioners not to grant license for the sale of liquor, and on the other hand the "wets" were asking that the sale of liquor be allowed as they thought it best for the interest of the town. And after some speeches pro and con the commissioners settled it by passing a law, putting a fifty dollar fine and sixty days imprisonment as a penalty for delivering any spirituous liquor to any one in Vanceboro. And then some one proposed to pass a law prohibiting any one taking his horse and going anywhere after any. So we guess the liquor business must be about done for in Vanceboro.

COTTON SEED MEAL TAX.

When Sold as Fertilizers a Tonnage Tax is Imposed.

Special to Journal.

RALEIGH, Dec. 6.—The Board of Agriculture this afternoon imposed a tax of twenty cents per ton on cotton seed meal used as fertilizer and placed it under the same rule as other fertilizers. It also requires all cotton seed meal sold in this State for feed to be branched. That containing 8 per cent or more of ammonia, to be first grade. All containing less to be second grade. Any person selling meal for feed below the standard is made subject to penalty under the pure food law. All this action takes effect January first. The tonnage tax does not apply to meal sold to manufacturers for making fertilizers.

TAN HAZEL.

An Evangelist's Story.

"I suffered for years with a bronchial or lung trouble and tried various remedies but did not obtain permanent relief until I commenced using One Minute Cough Cure," writes Rev. James Kirkman, evangelist of Belle River, Ill. "I have no hesitation in recommending it to all sufferers from maladies of this kind." One Minute Cough Cure affords immediate relief for coughs, colds and all kinds of throat and lung troubles. For cough it is unequalled. Absolutely safe. Very pleasant to take, never fails and is really a favorite with the children. They like it. F. S. Duffy.

About a week ago, one of Mr. W. F. Peel's little children was seriously burned by a larger child setting fire to its clothing while sleeping in the cradle. Dr. Nobles of Vanceboro is treating the little sufferer, but is feared to be hopeless case.

Saved His Life.

"I wish to say that I feel I owe my life to Kodol Dyspepsia Cure," writes H. O. Christenson of Hayfield, Minn. "For three years I was troubled with dyspepsia so that I could hold nothing on my stomach. Many times I would be unable to retain a morsel of food. Finally I was confined to my bed. Doctors said I could not live. I read one of your advertisements on Kodol Dyspepsia Cure and thought it fit my case and commenced its use. I began to improve from the first bottle. Now I am cured and recommend it to all." Digest your food. Cures all Stomach troubles. F. S. Duffy.
