RALEIGH.

Attorney General Glimmer Able to
Leave Hospital.

Charlotte Day at Charleston. Last
Opinions Today of Supreme
Court. Senator Pritchard
Will Not Re-
commend State
Charter.

RALEIGH, December 23.—Attorney
General Glimmer was yesterday taken
from Rex hospital here to a hotel. He
was very anxious to make the change.
His family resides at the hotel. He had
been in the hospital 11 weeks. His con-
valescence is slow.

State Superintendent Toon had been
making good progress towards recovery
for several days until 8 o'clock this
morning, when he had a rigor.

Governor Aycock at the request of
Mayor Brown of Charlotte names Wed-
nesday April 9th as "Charlotte Day" at
the Charleston exposition. Charlotte is
the only place in the State which has
asked for a day.

The Supreme Court met this evening
at 7 o'clock and filed the last opinions
for the term.

John W. Thompson, for two years
State immigration commissioner here,
but who since last Spring has lived at
Philadelphia, is here for the holidays.

Senator Pritchard will not make any
recommendations as to United States dis-
trict attorney for this district. It is de-
clared that he will recommend ex-Con-
gressman Harry Skinner. Claude Ber-
nard says he has no doubt of his own
re-appointment, and excellent authority
confirms this.

The plumbers are reaping a harvest
here. The hard freeze of several days
has played havoc with plumbing. It is
hardly probable that there is more bad
plumbing in the country than in Rale-
igh. There is no inspector and no re-
straint.

The State charters the Adams Grain
and Provision Company of Charlotte,
capital \$30,000.

George F. Weston, of Biltmore, ex-
aminer of the State Board of Agriculture
who is in charge of the live stock ex-
hibit at Charleston, says there are al-
ready 300 entries in the beef and milk
cattle department, and that a great show
is assured.

Mr. W. W. Clark of New Bern, is
among the arrivals here.

TO CLEANSE THE SYSTEM

Effectually yet gently when constive or
bilious, to permanently overcome hab-
itual constipation, to awaken the kid-
neys and liver to a healthy activity,
without irritating or weakening them,
to dispel headaches, colds, fevers, use
Syrup of Figs, made by the California
Fig Syrup Co.

Horse Ate \$500 in Bills.

Middletown, N. Y., Dec. 23.—Levi
Townley, a well-to-do farmer, residing
near Burnham's Corners, lost \$500 Fri-
day through the acts of a voracious horse.

A short time after being paid the
money by a neighbor Farmer Townley
went to the barn to feed his horse, car-
rying the bills in an old wallet in his
coat pocket. When he returned to the
house he missed the wallet, and after
searching elsewhere for it, finally re-
traced his steps to the barn, where frag-
ments of the pocketbook and bills in the
horse's manger told what had become of
his possessions.

TARLESS CHINA TONIC. It is simply
iron and quinine in a tasteless form. No

ents, all purely vegetables, of which it
is composed; You cannot get a better
family cough remedy. If you try it you

No Surrender for the Boers.

London, Dec. 23.—Telegrams received
from South Africa still refer to the
probable decision of the Boers to sur-
render, but a dispatch to The Daily
News from Volksrust today, declares
that Boers are determined to continue
war and their recent conference have
been with the object of planning a sum-
mer campaign.

GUM BRANCH.

December 20—On getting up last
Tuesday morning we found the earth
carpeted with snow and on last evening
it began snowing again, just enough to
scare those who had no wood.

The JOURNAL of last Friday and the
JOURNAL of Tuesday both reached us at
the same time, Thursday.

There will be a shooting match to mor-
row at L. D. Bogg's store.

There will be three new tobacco barns
built, one by J. B. Murrill, one by B. B.
Newbold, one by Leicester Boggs.

The weather has been very cold since
November the 10th, and no warm
weather.

Mr. Daniel Pittman has moved in our
community from Hominy Swamp.

Miss Annie Barber of Flix is visiting
her brother and sister at this place.

Mr. E. W. Murrill has been sick for
some time with rheumatism. We hope
for his recovery soon.

Ye Scribe is going to plant some to-
bacco next year and have our land bro-
ken. Will the warehouse in New Bern
please send me some seed and a book of
instructions?

Mr. J. T. Barber says he is going to
Florida and seek a home there, we re-
gret to lose him from our midst but he
will go.

Miss Maud Murrill and Mr. L. D.
Boggs have gone to Wilmington, to
hunt for Christmas, we suppose.

The JOURNAL will not hear any more
from us until the holidays are over and
then we will write and tell you of the
visit of Old Santa Claus and what he
"fetched us". And before you hear from us
again, there will be many young hearts
made glad, but, Oh, so many little folks
who will lose faith in Santa, because of
poverty. If the good people who are able
understood the situation as it is, more
hearts would be gladdened. Let Old
Santa Claus visit every home in North
Carolina.

ARAPAHOE.

Good Roads for Earnest Workers. Per-
sonals. Christmas Celebration.

December 23.—Business in our little
town continues good considering the
complaint there is among the citizens,
about the scarcity of money, but that
will soon be a matter of the past as there
can be nothing accomplished by com-
plaining about things that can not be
avoided. So the farmers will soon realize
that they must let the past go and
hope for better results in the future.

Mr. W. R. Reed of Arapahoe says the
season is only one-third the amount
ginned last, this means a shortage of
two-thirds, while this to some extent is
bound to paralyze the money circulation
in our community, yet the honest work-
ing element of our community will re-
sort to honest means to remedy the evils
of the past and go their way making the
future as bright as possible.

Mr. Henry Hardison of Dawson
Creek is preparing to move near our lit-
tle town to run a farm for Mr. J. W.
Hawls.

Mr. Warren Hardison of Arapahoe is
offering his place for sale, the citizens
will aid him in making his sale if they
can be of any advantage to him along
this line.

Miss Dugberry of New Bern filed his
appointment as this place yesterday,
he preached a good sermon on the sub-
ject of Wastefulness.

Mr. Henry Reed of Reelsboro, visited
Arapahoe last Wednesday.

Mr. Carl Dixon of Olympia, visited
our town yesterday.

Miss Lena Holton left Arapahoe yes-
terday morning for her home at Olympia
to spend Christmas.

The little boys and girls of our com-
munity are looking for a fine time Tues-
day night at the Christmas celebration
at the Christian Church in Arapahoe.
