**LABOR LOST.**

Penitentiary Directors Meet and Decide Not to Rebuild Dykes.

Scene at State Farm. Would Be Sold Cheap. Mr. Dreyry to Wed. A Heavy Court Docket.

Raleigh, Jan. 7.—The penitentiary directors met at the State farm yesterday in special session, to consider the loss by last week's flood in the Roanoke and the breaking of the dykes. It found that the dykes were as badly broken as they were by the May freshet, that the loss to the crops is only about \$1,000, while last May it was about \$20,000; that the labor of 100 convicts for the past 3 or 4 months in rebuilding the dyke was all wasted; that notwithstanding all these losses the directors express the belief that the penitentiary will meet its expenses during the fiscal year which will end April 1. The dykes will not be rebuilt. The sentiment of the board is to cultivate the uplands. This will be the course pursued. There are now two camps of convicts, of 350 on this farm. They will be consolidated in one camp. It will require all this force to cultivate the 4,000 acres of uplands. There are 2,000 acres subject to overflow at any time and 1,000 acres subject to overflow only at extreme high water.

The scene presented by the farm since the breaking of the dykes is one of devastation. Hundreds of acres are four feet deep in silt. In other places great holes are torn in the earth. The largest trees are torn up and felled here and there in wild confusion. An idea of the size of the dyke and of the labor and cost may be had from the statement that it is 50 feet wide at the bottom, 12 feet wide at the top and is 86 feet in height. The washout is 500 feet in length. The total length of the dyke is about three miles. The total loss to crops and labor by the May flood and that of last week is \$70,000 and this, the directors assure your correspondent, is a very low estimate. If the farm could be sold for \$50,000 (the State paid \$60,000 and spent \$50,000 on it) it would be disposed of in a minute. So says one of the directors. When the State bought the farm interested persons made the assertion that it would bring \$100,000, and the late directorate kept up this illusion. The new directorate sees what a fake the statement was and would be glad to sell at half that figure. The State got a gold brick, it appears. It is not the first one worked off on it.

John O. Dreyry of Raleigh, grand secretary of the Grand Lodge of Masons, will be married on the 23rd instant to Mrs. Klittie Wharton, daughter of Mr. and Mrs. L. Banks Hight of Alamance county. They will be at home here after February 4th.

Judge Edward Hatch of the New York Supreme Court is here and will lecture Thursday evening at the Olivis Roney free library for the benefit of the library fund.

The docket of the criminal court in session here is the heaviest on record. There are 130 cases. Only one is a capital case, the defendant being one Perry, charged with murder near Wakefield.

**A Profitable Investment.**

"I was troubled for about seven years with my stomach and in bed half my time," says E. Domic, Somerville, Ind., "I spent about \$1,000 and never could get anything to help me until I tried Kodol Dyspepsia Cure. I have taken a few bottles and am entirely well." You don't live by what you eat, but by what you digest and assimilate. If your stomach doesn't digest your food you are really starving. Kodol Dyspepsia Cure does the stomach's work by digesting the food. You don't have to diet. Eat all you want. Kodol Dyspepsia Cure cures all stomach troubles. F. S. Duffy.

**Gen. Toon Examined.**

Raleigh, January 7.—Today the physicians made a special examination of the lungs of Gen. Toon, State superintendent of public instruction. Gen. Toon says his left lung has not healed.

**YOU KNOW WHAT YOU ARE TAKING**

When you take Grove's Tasteless Chill Tonic, because the formula is plainly printed on every bottle showing that it is simply iron and quinine in a tasteless form. No cure—no pay. Price 50c.

**Governor Issues Reprieve.**

Raleigh, N. C. January 7.—Governor Aycock today commuted the death sentence of Drew Vaughan, colored, to life imprisonment in the penitentiary at hard labor. Vaughan was to have been hanged at Winston, Hertford county, tomorrow. He was convicted of the murder of John Burton, another negro. The Governor had twice reprieved him. His Excellency says the evidence was entirely circumstantial, and was so insufficient in his mind that he could not permit Vaughan to be hanged. All of the jury asked for commutation.

**SIEGEL BUYS COOPER OUT.**

Pays \$750,000 For Partner's Interest in Big Chicago House.

New York, Jan. 6.—Henry Siegel today purchased the interest of his associate, Frank H. Cooper, in the department store in Chicago which for 15 years they have conducted under the firm name of Siegel, Cooper & Co.

The price paid for the interest was more than \$750,000. The purchase places Mr. Siegel in control of a store in Chicago and another in New York. It is his intention to erect another in this city, and when that is completed he will control a chain of three great department stores and a large share of the trade in the two business centers. Mr. Siegel to night said he would make no material change in the conduct of the Chicago business except to prosecute it with more vigor.

**Big Railroad Deal.**

PARKERSBURG, W. VA., Jan. 6.—The West Virginia Central and Pittsburg railway has been sold to Pennsylvania railroad interests for \$17,000,000. It was to have been part of Wabash's through line to the Seaboard.

The Pennsylvania Railroad now has every road and every coal field in this State.

**Children Especially Liable.**

Burns, bruises and cuts are extremely painful and if neglected often result in blood poisoning. Children are especially liable to such mishaps because not so careful. As a remedy DeWitt's Witch Hazel Salve is unequalled. Draws out the fire, stops the pain, soon heals the wound. Beware of counterfeits. Sure cure for piles. "DeWitt's Witch Hazel Salve cured my baby of eczema after two physicians gave her up," writes James Mock, N. Webster, Ind., "The sores were so bad she scolded two to five dresses a day." F. S. Duffy.

**End of "Hole in the Wall."**

CHEYENNE, WYO., Jan. 6.—The celebrated "Hole-in-the-Wall" will in a short time be only a remembrance.

The "Hole" has been the refuge of outlaws from Arizona, Utah, Montana, Colorado and Wyoming, and was practically inaccessible. It lies in the southwestern part of Johnson county, and directly in the line of a county road which is soon to be built.

The "Hole-in-the-Wall" is not wide enough to allow the passage of the road and dynamite will be brought into use to widen the fissure in the reddish sandstone cliffs. The "Hole" is the only entrance from the south to the beautiful and rich valley and must be used to prevent a day's detour.

**Child Worth Millions.**

"My child is worth millions to me," says Mrs. Mary Bird of Harrisburg, Pa., "I got I would have lost her by a cough had I not purchased a bottle of One Minute Cough Cure. "One Minute Cough Cure is sure cure for coughs, croup and throat and lung troubles. An absolute safe cough cure which acts immediately. The youngest child can take it with entire safety. The little ones like the taste and remember how often it helped them. Every family should have a bottle of One Minute Cough Cure handy. At this season especially it may be needed suddenly. F. S. Duffy.

**Love Finds a Way.**

ROANOKE, VA., Jan. 6.—James Holt, of Holt's Mountain, N. C., a venerable and well-to-do farmer, who has reached the ripe old age of 89 years, and Miss Jennie Thompson, a maiden lady of the same neighborhood, who has reached the age of 83 years, eloped to Prices Postoffice in Pittsylvania county, Virginia, where they were married this morning.

The couple stated today that the family of the bride objected on account of her age.

"Sure! I swear I will!"
