**RALEIGH.**

**Increase in Tobacco Raising in Wake Will Be Large.**

**White Woman Pardoned in Mitchell**  
 The Bigamist Returns. Masonic Lodges. Public Schools and the Law.

RALEIGH, Jan. 10.—Governor Aycock today pardoned Col. Lay, a white woman 69 years of age, who was serving a term of 18 months in jail at Bakersville, Mitchell county, for retelling liquor without license. She has consumption. The sentence is regarded as a severe one even if the aged woman was a persistent lawbreaker.

The bigamist, John Byrd, was brought here from Richmond this morning. He says he has been married three times. His first wife is dead. He declares he thought the second one was also dead. The last one is barely seventeen years of age. The facts are all against Byrd.

A charter is granted by the State to the Cullowhee Copper Co., of Forest Hill, Jackson county, capital \$100,000.

Some marriages of persons of marked prominence in society here are to occur in the next 90 days.

The increase in tobacco acreage in this section will be even greater than expected. Within the past few days more than 30 farmers from Granville county have gone to Fuquay Springs, in the southern part of this county, to raise tobacco in the sandy land.

Grand Secretary John C. Drewry of the Grand Lodge of Masons reports that there are now 335 lodges, a gain of five over last year. Two old lodges ceased to exist and seven new ones were formed. There are 13,106 members, against 9,800 when he became grand secretary 6 years ago. The revenue from lodges is now \$7,647, against \$4,700 six years ago, and the increase over last year is \$708.

The constitution requires that the public schools shall be kept open 4 months in each year. In only 37 counties were they open that long last year for whites, and in 30 for negroes. The increase in the term was nearly a week for whites and a week and a half for negroes. The \$100,000 direct appropriation brought about the increase.

**TO CLEANSE THE SYSTEM**

Effectually yet gently when constive or bilious, to permanently overcome habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritating or weakening them, to dispel headaches, colds, fevers, use Syrup of Figs, made by the California Fig Syrup Co.

**Farmers Refuse to Sell Wheat.**

WICHITA, Kan., Jan. 9.—With 40,000-000 bushels of wheat in the 20 counties surrounding Wichita, the mills of this city are idle. The farmers are determined to keep their wheat for six weeks longer, or until the growing crop shall be better determined. Offers of 77 cents per bushel were made in vain here today.

**Child Worth Millions.**

"My child is worth millions to me," says Mrs. Mary Bird of Harrisburg, Pa. "yet I would have lost her by croup had I not purchased a bottle of One Minute Cough Cure. 'One Minute Cough Cure' is sure cure for coughs, croup and throat and lung troubles. An absolute safe cough cure which acts immediately. The youngest child can take it with entire safety. The little ones like the taste and remember how often it helped them. Every family should have a bottle of One Minute Cough Cure handy. At this season especially it may be needed suddenly." F. S. Duffy.

**Kentucky's Senator.**

Frankfort, Ky., Jan. 9.—Ex-Governor McCreary was elected United States Senator by Democrats in caucus tonight. Vote was 69 to 37.

**Don't Live Together.**

Constipation and health never go together. DeWitt's Little Early Risers promote easy action of the bowels without distress. "I have been troubled with constiveness nine years," says J. O. Greene, Depauw, Ind. "I have tried many remedies but Little Early Risers give best results." F. S. Duffy.

**Well Gushing Oil 60 Feet.**

Galveston, Tex., Jan. 9.—Word has been received from the most authentic sources that a gusher has been brought in on the Keyser Mound field, 20 miles from Galveston. A gentleman just in from the well says that it is spouting 60 feet high, that those in charge of the well cannot control it and that oil is flowing over the contiguous territory. The well is operated by the Hogg-Underwood, or Equitable Mining Company, it is an eight-inch well and has a depth of 700 feet.

**HEPBURN CANAL BILL.**

**Only Two Votes Cast Against The Nicaragua Measure.**

WASHINGTON, Jan. 9.—The Hepburn Nicaragua Canal bill passed the House late this afternoon by practically a unanimous vote. Only two members out of 210 voted against it—Messrs. Fletcher (Republican, Minn.) and Laasler (Democrat, Va.)

The opposition to committing the Government to the Nicaragua route attempted to secure amendments to lodge with the President the discretionary power to purchase and complete the Panama canal, if it could be purchased for \$40,000,000. The test came on the first vote, when the advocates of an alternative route polled 108 against 170 votes. At each succeeding vote their strength dwindled until Mr. Cannon III, under whose leadership the fight was made, was unable to get the eyes and says on a motion to recommit. All other amendments failed and the bill passed exactly as it came from the committee. None of the votes, except that on the final passage of the bill was a record vote.

**Children Especially Liable.**

Burns, bruises and cuts are extremely painful and if neglected often result in blood poisoning. Children are especially liable to such mishaps because not so careful. As a remedy DeWitt's Witch Hazel Salve is unequalled. Draws out the fire, stops the pain, soon heals the wound. Beware of counterfeits. Sure cure for piles. "DeWitt's Witch Hazel Salve cured my baby of eczema after two physicians gave her up," writes James Mock, N. Webster, Ind. "The sores were so bad she soiled two to five dresses a day." F. S. Duffy.

**May Take Croker's Scalp.**

New York, Jan. 9.—Under the direction of his enemies outside of Tammany Hall, reinforced by his foes within the organization, a campaign will soon be begun, it is said, for the purpose of driving Richard Croker from his seat of power in the Democratic party.

Plans already laid bare are under consideration by a numerous body of influential Democrats who will hold a meeting within a few days, at which it will be determined whether the attack on Mr. Croker shall be made within the organization or from the outside. Not all the leaders in Tammany Hall, despite their silent acquiescence in the management of its affairs, are friendly to the chieftain, and this spark of unfriendliness needs only a faint breeze of encouragement to fan it into a flame of revolt.

Mr. Croker will leave for Europe about the middle of February, according to his present intentions. Already he has postponed his departure several times on the advice of his friends who are aware that in his absence the storm may break, want him to remain at home to force the fighting.

**From Governor to Prison.**

Boston, Jan. 9.—Admitting that his picture was in the rogues' gallery and that for a period of years he had been familiar with the "lowest depths of New York's opium joints," yet pleading for mercy from the court, Franklin J. Moses once Governor of South Carolina, was sentenced here today to four months' imprisonment for the larceny of an overcoat.

**YOU KNOW WHAT YOU ARE TAKING**  
 When you take Grove's Tasteless Chilling Tonic, because the formula is plainly printed on every bottle showing that it is simply iron and quinine in a tasteless form. No cure—no pay. Price 50c.

**A Brother Tried to Fly.**

KINGSTON, Ostr., Jan. 9.—At a meeting of Free Methodists at Verona, one of the brethren declared he could fly, and proceeded to demonstrate his power. He launched into space and his head came in contact with a large coal oil lamp. The lamp fell to the floor and the oil ignited.

At one time five men and three women were on fire, and five out of the eight were seriously burned. The flames spread and caused a panic. Many were injured in the stampede.

**A Profitable Investment.**

"I was troubled for about seven years with my stomach and in bed half my time," says E. Domic, Bensenville, Ind. "I spent about \$1,000 and never could get anything to help me until I tried Kodol Dyspepsia Cure. I have taken a few bottles and am entirely well." You don't live by what you eat, but by what you digest and assimilate. If your stomach doesn't digest your food you are really starving. Kodol Dyspepsia Cure does the stomach's work by digesting the food. You don't have to diet. Eat all you want. Kodol Dyspepsia Cure cures all stomach troubles. F. S. Duffy.

Virginia Suffrage Question.  
 RICHMOND, Jan. 9.—The Constitutional convention took a final vote on the judicial ordinance of the constitution and it was adopted and referred to the committee on final revision. There was two hours' filibustering to prevent getting a vote on the question of election of Supreme Court judges by the people and it was successful.

The outlook for a speedy settlement of the suffrage question seems to be growing brighter.  
 Attorney General Anderson, on the part of the minority of the suffrage committee, announced that they had determined to withdraw their plan and offer that of Senator Glass as a substitute for that of the majority. This brings the fight in the Democratic conference down to two plans, to which amendments will be offered with the view to perfecting them and then the vote will be taken.

COVE.  
 January 10.—We are aware the people of Trenton have said "Hello" before they have been to our village, where we have an express office, telephone office, telegraph office and last but not least, a railroad. I don't know how come, but it's so.

Rev. and Mrs. W. H. Townsend have arrived and he will fill all his appointments here Sunday.  
 There was a social gathering at Mr. T. E. Ipeck's Tuesday night in honor of the clever telephone Messrs. Johnson, Allen and Smith.

Mrs. N. O. Eubanks and daughter, Miss Hand, of Hamlet, N. C., are visiting friends and relatives in Cove.  
 The shadow party at the School house last Thursday night was a success, all seemed to enjoy it immensely. Mr. E. D. Avery was the correct guesser and received the cake and we know the Trenton teamer would have been delighted to have taken dinner with him.

Mr. T. C. Whitaker passed through last night enroute for Washington, D. C. Mr. J. T. Broadus has moved into our little village.  
 Dr. R. A. Whitaker was a visitor in Cove yesterday.

The Cove people would like to hear from C. E. T. once more.  
 With best wishes for a bright and happy New Year to all the lucky readers of the JOURNAL, I remain yours,
