MASONIC TEMPLE.

The Grand Master Says it will be Begun This Year.

Convicts on the Roads. No Small Pox. Railroad Works in Mitchell. Incomplete Reports on Public Schools.

RALPHIGH, January 17.—Grand Master of Masons H. I. Clark said today, "You can say from me that work on the Masonic temple will begin before 1902, that is before the next meeting of the grand lodge. We do not know where it will be. Of course we want it at Raleigh. This is the natural place for it. The grand lodge has met here for a great number of years. But Raleigh people will have to show their interest in a practical way; that is by subscriptions to the building fund. They certainly ought not to subscribe less than \$25,000. Charlotte stands ready to give \$20,000 and Greensboro \$10,000 to \$15,000."

There are today 110 convicts at work on the roads in this county. All these are employed in the Raleigh road district, in which the road tax is paid. Outside of this district the roads are so bad that the rural free delivery mail carriers make loud complaints and there are hints that one route may be discontinued. Of the 110 miles of road in the district 75 are macadamized or gravelled.

This city has bought a desirable site a mile south of the boundary for its small pox pest house and is removing the latter to this new site. There has been no smallpox in this city or county since last June. It cost the city and county \$7500 to stamp out the two epidemics of 1899 and 1901, but it was at last thoroughly done. Compulsory vaccination did the work.

There are now 407 convicts at work on the Ohio River and Charleston railway, in Mitchell county. This is the largest number on railway work since the Western North Carolina railway was completed, during Governor Jarvis' administration.

The State superintendent of public instruction is finding that his greatest task is getting the county reports correct regarding the \$100,000 appropriated for the purpose of aiding nery public schools to bring their terms up to four months. So far not a report is correct. The task of finding out what is needed is certainly a great one. One county called for over \$1,000 yet the officials did not even sign the report, and besides it is full of inaccuracies.

A Profitable Investment.

"I was troubled for about seven years with my stomach and in bed half my time," says E. Demie, Somerville, Ind. I spent about \$1,000 and never could get anything to help me until I tried Kodol Dyspepsia Cure. I have taken a few bottles and am entirely well." You don't live by what you eat, but by what you digest and assimilate. If your stomach doesn't digest your food you are really starving. Kodol Dyspepsia Cure does the stomach's work by digesting the food. You don't have to diet. Eat all you want. Kodol Dyspepsia Cure cures all stomach troubles. F. S. Duffy.

Severe Storm.

MOBILE, Ala., Jan. 16.—Incoming freight steamers report a severe storm in Colombia and Costa Rica and all along the Central American coast, that began January 1, and was still raging when the last vessel sailed January 9. Heavy rain accompanied the storm and everything was flooded. The steamers were unable to get more than part cargo and were much delayed in getting into and out of the various ports.

Pearls.

A French naturalist, Raphael Dubois, asserts that all large pearls are nothing but sarcophagi, in the center of which rest the dead bodies of small marine worms.

Refuge Nuts.

In the higher region of the Cordilleras are refuge nuts for the postmen who have to make their rounds until late in the winter. Even thus some of these men perish every winter if overtaken by a storm lasting several days.

If troubled with a weak digestion, belching, sour stomach, or if you feel dull after eating, try Chamberlain's Stomach and Liver Tablets. Price, 25 cents. Samples free at F. S. Duffy & Co's drug store.
