Convention. the three.

The State Board of Education has been considering the question of having tate Engineer J. H. McRee.

The State Superintendent of Public Instruction has had to pass upon a question like that at High Point. In the latter case an attempt was made to bar a boy from school because he went in his shirt-alceves. The Superintendent knocked out the High Point board and ruled in the boy's favor, and in the last case he also stands by the boy. He declined to give the name of the place where the last trouble occurred.

All the Republicans appear to be well pleased with the agreement, made last Syrup of Figs, made by the California autumn, by which after this time H. L. Grant and D. H. Abbott, and not Sens. tor Pritchard, will control Republican appointments for Eastern North Caro

The Supreme court confirmed the judgement in favor of Sam Coley, exdamages for loss of an arm. The railnow W. H. Day, one of the attorneys, attaches it, claiming \$500 as a fee. Coley says the fee was only \$100. The matter goes into the courts.

Good Roads Congress here February 10, ment. "The Democratic party in North is a clear statement of North Carolina's Carolina, Mr. Simmons said, would not urgent need of good roads. He says,

Whereas, The people of the State of North Carolina have pledged their best endeavors to the cause of education, the upbuilding of our State and the developent and utilization of her natural re-

Whereas, the farmers need better roads both for their children to travel over daily on their way to the school house, and for themselves and their families to use to reach their churches to worship Almighty God, as well as for the prompt and early delivery of their mail by the carriers of the United States Government, and the transportation of their products and purchases; and the citizens living in towns and cities need good streets for the same purpose,

Whereas, in those countles of our tate, where the greatest progress has een made in substantial good road building there has been the greatest industrial advancement, as well as the argest increase in the value of farm ands, due to being thereby placed near er to the towns and cities; and

Whereas, the National Good Roads association of America will, during the week of February 10th to 15th, 1903, in the city of Raleigh, give an exhibition of modern and approved road building to which all citizens. who are interested in that commendable work, are invited

Now therefore, I, Charles B. Aycocl Governor of the State of North Carolina do hereby issue my proclamation calling the city of Raleigh, on Wednesday, Pebruary 13th and Thursday, Pebruary 13th 1909, to which are appointed delegates from the various sections of the State, requesting them and all other good citiesus, whose convenience will permit, to

### A LUMBER COMBINE.

The Aim is to Consolidate the Industry in North Carolina.

New York, Jan 22.—The firm of Flint & Company was incorporated today un-der the laws of the State of New Jersey with an authorized capital of \$5,000,000. The incorporators are; Charles R. Flint, Robert Y. Hebden, August Belmont, Wallace B. Flint, Robert M. Calloway, George R. Sheldon and Valentine P. Snyder. Mr. Charles R. Flint said;

"The organization of this company RALEIGH, N. O., Jan. 28—Republicans here are laughing at a statement that the Republicans; of Wilmington are deeply disgusted at the appointment of B. F. Keith as collector. The Republicans of the election in August, 1900, showed that there were only three Republicans at Wilmington; in other words only that number voted against the franchise amendment to the constitution, and hence they say they do not see how they can make much of disturbance; and really Keith ought to be able to control the three.

"The organization of this company has been in contemplation for some time to facilitate the liquidation of certain in-decrease with which the firm will no longer be actively identified, as well as to further the consolidation and extension at the outset of certain importent business of the new company. The first organization which will be the first business of the new company. The first organization which the new company will doubtless undertake will be the consolidation of the North Carolina lumber industry, in which over six hundred million feet of lumber are manufactured annually." nually."

I have taken a few bottles and am entirely well." You don't live by what you eat, but by what you digest and assimilate. If your stomach doesn't digest your food you are really starving. Kodal Dyspepsis Cure does the stomach's work by digesting the food. You don't have to diet. Eat all you want. Kodal Dyspepsia Cure cures all stomach troubles. F S

# Moonshiner in New York.

NEW YORK, Jan. 22 .- Revenue officers today raided a tiny "moonshine" still in the basement at No. 182 Seventh street munity are getting busily engaged on and arrested Joseph Bellefflour, a white haired Frenchman, and his pretty 19 year old daughter. The still was a tiny apparatus which a deputy easily carried away under his arm.

Before United States Commissioner Shields the old man pleaded hard for his daughter, saying she knew nothing of the violation of the law, which he admitted. He said that he had used the still for making extracts, but that proving unprofitable, he ventured to make a little whisky. He was allowed to go free upon promising to make no more whisky, and the still was confiscated.
