Official Paper of New Bern and Craven County.

New Bern, N. C. Feby. S. 1902.

OUR FOREIGN PRESERVERS.

The telegraphic dispatches tell of a controversy now going on abroad, as to which European nation was the friend of the United States during the late war with Spain.

Declarations are now flying swift and often between Germany and England on this matter, with denials of each other's stories in language that threatens to go beyond the diplomatic.

This country's armed intervention in Cuba, so one story goes, was to be declared injustifiable by the Powers, including England, but the note which was to express this sentiment, fell through on accout of Germany's flat refusal to sign.

The English version is that that country was most friendly to the United States throughout the Spanish trouble .

Through French sources the story comes that Liglish social circles were hostile towards America, and Spanish proposals would have been heard favorably. But more than all the real power of all was Russia, that nation's position quickly changing France and Germany. in their ideas of siding with Spain.

While all this controversy may be of interest in foreign diplomatic circles, it is rather amusing and entertaining reading in this country.

In time of need is when a friend is wanted, and whether this country received such moral support as these foreign countries now claim was given the United States in 1898, is a question.

That there was no foreign interference at the time is a matter of congratulation all around, not that the results of the war would have been materially different, or that this country would have changed its attitude or course from the one pursued.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure'is the only positive cure now known to the medical

LETTER TO MOTHERS.

By Mrs. J. H. Haskins, of Chicago, Ill., President Chicago Arcade Club.

Comforting Words to Women Regarding Childbirth.

All who are at all familiar with social life at the southside of Chicago know well the Arcade Club, and will tell you that it is one of the largest and most influential clubs in Chicago. It can be readily understood, therefore, that such a prominent woman as the head of this club could have only one object in view in allowing her portrait and letter to be published in connection with any medicine, and that is, to do good to other suffering mothers. Well does Mrs. Haskins know that there are thousands of women who dread the period of childbirth; thousands who are prostrated nigh unto death at the birth of each child, and for months afterwards are weak and miserable, and almost courting death as a relief from suffering. almost courting death as a relief from suffering.

A capable mother must be a healthy mother. The experience of maternity should not be approached without careful physical preparation. Care and careful counsel is what the expectant and would-be mother needs, and this counsel she can secure without cost by writing to Mrs. Pinkham at Lynn, Mass.

Thousands and thousands of women have been carried through this trying ordeal safely and comfortably by a faithful reliance upon Lydia E. Pink-ham's Vegetable Compound, and Mrs. Haskins generously loans us her name and portrait to help us to convince all skeptical women that health and happiness abounds in Lydia E. Pinkham's Vegetable Compound.

MRS. J. H. HASKINS, President Chicago Arcade Club, Chicago, Ill.

"DEAR MRS. PINKHAM: — Mothers need not dread childbearing af-ter they know the value of Lydia E. Pinkham's Vegetable Com-pound. While I loved children I dreaded the ordeal, for it left me weak and sick for months after, and at the time I thought death was a welcome relief; but before my last child was born a good neighbor ad-vised me to try Lydia E. Pinkham's Vegetable Compound, and I used that, together with your Pills and Sanative Wash for four months before the child's birth; —it brought me wonderful relief. I hardly had an ache or pain, and when the child was ten days old I left my bed strong in health and happy in mind. Every spring and fall I now take a bottle of Lydin E, Pinkham's Vegetable Compound and find it keeps ma in continual excellent health; \$2 or \$3 a year keeps me well and strong." — Mus. J. H. HASKINS, 3248 Indiana Ave., Chicago, Ill.

"She is a Pinkham Baby."

DEAR MRS. PINERAM : - I cannot thank you enough for what you have "DEAB MIS. FINERALS - I cannot thank you enough for what you have done for max. I wroke you some time ago about not being able to go my full time during pregnancy. Now, after taking the treatment you advised, we have a dear little girl baby, the joy of our home. I tell my friends she is a Pinkham baby, for had it not been for Lydin E. Pinkham's Vege-table Compound we never could have had her. My health is good, thanks to your medicine."- MRS. HARRY RUBY, Urbana, Iowa.
