BEEF TRUST VS. INDEPENDENTS.

Great Fight to Maintain Trust. Packers Heavy Losers.

Chicago, Ill., February 19.—The Chicago Dressed Beef Trust has declared war on a New York Packing Company, which has invaded the Western field. Schwarzhild & Sulzberger Company is the concern that must fight for its life. The first gun of the Armour-Swift-Morris-Cudahy forces is a reduction of 25 per cent. for dressed beef in Chicago and all the territory reached by the New York firm. Instead of receiving 9 to 10 cents, the packers are getting from 4 to 7 cents for the best dressed beef, and the market man is reaping all the benefit, for the retail price has not been reduced one cent.

Armour & Co., Swift & Co. and Nelson Morris & Co., have had a monopoly of the local territory, and they divided it up between themselves and held prices up according to their treaty of peace.

A big slaughter house has just been erected by the Schwarzhild & Sulzberger Company, at the stock yards, and they have been joined by the Anglo-American Provision Company, which formerly handled hog products, but little dressed beef in Chicago.

The Chicago concern cut below the cost of the beef to them as it hangs in their cooling rooms. The New York firm did the same, determined to get business at all hazards.

The price of cattle at the stock yards is the highest in ten years, so the packers are bearing tremendous losses.

When you want a physic that is mild and gentle, easy to take and pleasant in effect use Chamberlain's Stomach and Liver Tablets. Price, 25 cents. Samples free. Every box guaranteed. For sale by F. S. Duffy & Co.

Band of Insurgents Surrenders.

Manila, Feb. 19.—What is believed to have been the largest existing band of insurgents in Batanga province surrendered yesterday to Lieutenant Charles D. Rhodes, of the Sixth Cavalry, at Bana, Major Amoranto, two captains, six lieutenants and sixty-eight Filipino soldiers gave themselves up and also surrendered five revolvers, sixty-six rifles and 2,000 rounds of ammunition.

The Best Prescription for Malaria.

Chills and Fever is a bottle of GNOVA'S TASTELESS CHILL TONIC. It is simply iron and quinine in a tasteless form. No cure—no pay. Price 50c.

International Steamship Race.

London, Feb. 20.—The Daily Mail asserts that the steamer Campania and the American steamer St. Louis are racing the North German Lloyd steamer Kronprinz Wilhelm, with Prince Henry on board, in an international contest to New York.

The Campania left Queenstown February 16 at 6.45 p. m. The St. Louis left Cherbourg February 15 at 5.25 p. m. while the Kronprinz Wilhelm sailed from the same port at 9 p. m. of February 16.

To equal their best previous westward records the Campania should arrive at Sandy Hook lightship at 1.15 p. m. February 21. The St. Louis should arrive there at 2.30 a. m. of February 22, while the Kronprinz Wilhelm should reach the lightship at 7.45 a. m. also of February 22.

The Last Heard of It.

"My little boy took the croup one night and I was so sad you could hear him all over the house," says F. O. Reynolds, Mansfield, O. "We feared he would die, but a few doses of One Minute Cough Cure quickly relieved him and he went to sleep. That's the last we heard of the croup. Now isn't a cough cure like that valuable?" One Minute Cough Cure is absolutely safe and acts immediately. For coughs, colds, croup, grip, bronchitis and all other throat and lung troubles it is a certain cure. Very pleasant to take. The little ones like it. F. S. Duffy.

IN MOURNING

And Closed Capitol Building For Gen. Toon.

Corporation Commissioners Retain Wintry Aspect of Landscape.

Mural Free Delivery Carriers Blocked by Snow. Governor's Trip Prevented.

RALEIGH, February 20.—The corporation commissioners and their secretary returned today from Miami, Florida, where they went after the close of the annual convention of railway commissioners at Charleston. It was a rude shock to them to come here and plunge into bitter winter weather and deep snow after a stay in that land of perpetual summer.

From Greensboro westward to the mountains the snow has melted considerably and here and there the ground is visible. [The snow there was not so deep as it is here. In this section there is nothing visible but an unending sheet of deep snow. A few flakes of snow fell this morning, with a raw wind from the northwest. The heavy freezes at night have formed much ice.

The Capital was closed today, draped in mourning and the flags were at half-staff. It was definitely settled that Gen. Toon's body will not lie in State. Members of his family arrived today including his sons, T. F. Toon, of Atlanta and H. B. Toon of Lynchburg, S. C.; and his daughters, Mrs. Octavia Rowland of Warren county and Mrs. Mary Fuller and Miss Robbie Toon of Lumberton, and his brothers, Archibald and Abram Toon of Whiteville. Gen. Toon was a deacon of the Baptist Tabernacle here.

N. A. McLean, G. B. McLeod and E. K. Proctor of Lumberton and G. B. Patterson of Maxton were among his friends who came to attend the funeral.

The rural free delivery carriers can only get 8 miles from here on their daily rounds since Tuesday, as the snow is so deep their horses cannot do more than the 10 miles.

Governor Aycock and staff were to have been the guests of the People of Southern Pines tonight but the trip was abandoned.

REIGN OF TERROR.

Striking Printers at Barcelona Threaten Death to any Resuming Work.

MADRID, Feb. 19.—According to the news received here a reign of terror prevails at Barcelona. The printers on strike have threatened death to any of their comrades daring to resume work. There have been many cases where armed strikers concealed themselves and "sniped" the troops.

At San Martin, a suburb of Barcelona, the strikers fired from the housetops on the troops. The latter thereupon fired at the balconies, killing a woman and a child. In one conflict, in the center of the town, five men were killed and three were wounded. The owner of a factory was stabbed and killed by the strikers.

It is alleged that already two hundred persons have been killed and one wounded at Barcelona, but the authorities conceal the real figures. All the theatres have been closed. The strikers assemble on the railroad bridges and fusillade the trains with stones. They threaten to use dynamite unless the railroad companies stop running trains.

Saved Her Child's Life.

"In three weeks our chubby little boy was changed by Pneumonia almost to a skeleton," writes Mrs. W. Watkins, of Pleasant City, O. "A terrible cough set in, that, in spite of a good doctor's treatment for several weeks, grew worse every day. We then used Dr. King's New Discovery for Consumption, and our darling was soon sound and well. We are sure this grand medicine saved his life." Millions know it's the only sure cure for Coughs, Colds and all Lung diseases. C. D. Bradham guarantees satisfaction, 50c, \$1.00. Trial bottles free.

Boy Buried Alive.

Seattle, Wash., Feb. 10.—The steamer Dirigo which arrived from Alaska yesterday brings news that Chilkoot Indians near Hines Mission, Alaska, on February 5, buried alive one of their tribe, a boy 13 years of age. The boy had been converted to Christianity by Milo A. Sellon, a Methodist missionary and in a burst of religious zeal denounced the mummeries of the tribal witch, or medicine man. This act aroused the anger of the superstitious old men of the tribe.

Clerk's Wise Suggestion.

"I have lately been much troubled with dyspepsia, belching and sour stomach," writes M. S. Mead, leading pharmacist of Attleboro Mass. "I could eat hardly anything without suffering several hours. My clerk suggested I try Kodol Dyspepsia Cure which I did with most happy results. I have had no more trouble and when one can go to eating mince pie, cheese, candy and nuts after such a time, their digestion must be pretty good. I endorse Kodol Dyspepsia Cure heartily." You don't have to diet. Eat all the good food you want but don't overload the stomach. Kodol Dyspepsia Cure digests your food. F. S. Duffy.
