### RALEIGH.

#### A Batch of Criminal News Items.

**General Toon's Office to be Soon Filled.** Engagement announced. Cause of Gen. Toon's Death. William K. Eldridge's Death.

**RALEIGH, Feb. 22.**—Governor Aycock today declined to interfere in the case of John Henry Ross, who will accordingly be hanged at Wilson next Wednesday. His crime was waylaying and assassinating a man.

The Governor commutes to life imprisonment at hard labor the death sentences of Russell Gates, white and Frank Mills, colored, two of the four men who were convicted of burglary at Emma post office in Buncombe county. Gates and Mills stood guard outside the building, while the other two men, one white, one colored, entered it and while attempting to rob the safe attacked the plucky young postmaster, Samuel Alexander. The Supreme Court held that all four were guilty of burglary. A great many petitions for the commutation of sentence as to Gates and Mills were received by the Governor, as well as a large number of counter-petitions.

Six executions were set for next Wednesday. The other one set is that of Andrew Sherman Jackson, at Lincoln. Jackson's crime was one of the most horrible imaginable. He committed burglary at the house of Mrs. Strout and attacked her daughter with a razor making a score of gashes on her body. Her infant, born a few months later, was marked with the same disfigurements made by the razor on the mother, and was shown to the jury in evidence. Jackson's wife was a sister of the woman so injured, and at the time of the marriage Jackson's wife was alive.

The governor will fill the vacancy in the office of State Superintendent of Public Instruction caused by the death of General Toon at the earliest possible moment next week. The salary is \$1,600 with \$500, expense allowance. There are a number of aspirants for the position.

The New Orleans papers announce the engagement of Miss Nichols, daughter of the Chief Justice of Louisiana, to James Richard Young, Insurance Commissioner of North Carolina. The date of the wedding will be late in April.

The physician's report on the cause of death of Gen. T. F. Toon is that it was heart disease and that his last illness was only 2 of hour in duration. Gen. Toon's last official act was the signing of a deed to 3000 acres of State Swamp land in Tyrrell county, Wednesday night, his death occurring Thursday morning.

T. B. Eldridge of the Raleigh Morning Post, left here today for Richmond, upon news of the death of his father, William K. Eldridge, at that city this morning, of cancer of the throat. Mr. Eldridge was about 65 years of age. He went to Richmond a month or more ago for treatment.

#### Clerk's Wise Suggestion.

"I have lately been much troubled with dyspepsia, belching and sour stomach," writes M. S. Mead, leading pharmacist of Attleboro Mass. "I could eat hardly anything without suffering several hours. My clerk suggested I try Kodol Dyspepsia Cure which I did with most happy results. I have had no more trouble and when one can go to eating mince pie, cheese, candy and nuts after such a time, their digestion must be pretty good. I endorse Kodol Dyspepsia Cure heartily." You don't have to diet. Eat all the good food you want but don't overload the stomach. Kodol Dyspepsia Cure digests your food. F. S. Duffly.

#### Three Territories to Come In.

**WASHINGTON, Feb. 21.**—The House committee on Territories today unanimously voted to report bills for the admission of the Territories of New Mexico, Arizona and Oklahoma.

The vote was taken upon a motion made by Mr. Moon, of Tennessee, declaring it to be the sense of the committee that the three Territories were entitled to statehood and that sub-committees be appointed to prepare the bills. The sub-committees were appointed.

### NEW YORK COATED WITH ICE.

Carriages Desert Fifth Avenue. Down pour of Rain Turned into Sleet and the City Given an Icy Coating.

**New York, Feb. 21.**—Snow, followed by rain and sleet, to day created in this city and vicinity the most disagreeable weather conditions known in many years. The city's streets are in a worse condition than before—the thousands of snow shovelers went to work after the blizzard. During the evening the temperature dropped enough to turn the downpour of rain into a coating of ice over buildings and trees. In central Park the big trees creaked under the weight of thick ice. Many branches fell. Traffic on the Brooklyn bridge was almost at a standstill. Heavy trucks could scarcely be moved, even when four stout horses to each did their best to get a foothold on the slippery roadway. Street car traffic everywhere was much interrupted, but the greatest difficulty was experienced on cross-town horse car lines. Four horses were attached to all of these cars and had hard work getting along. Fifth Avenue was a sheet of ice. It was early deserted by carriages. In Broadway, after the theatres closed, the scene was one of great confusion.

#### The Last Heard Of It.

"My little boy took the croup one night and soon grew so bad you could hear him all over the house," says F. D. Reynolds, Mansfield, O. "We feared he would die, but a few doses of One Minute Cough Cure quickly relieved him and he went to sleep. That's the last we heard of the croup. Now isn't a cough cure like that valuable?" One Minute Cough Cure is absolutely safe and acts immediately. For coughs, colds, croup, grip, bronchitis and all other throat and lung troubles it is a certain cure. Very pleasant to take. The little ones like it. F. S. Duffly.

#### Heavy Tax on Preachers.

**Louisville, Ky, Feb. 21.**—An ordinance has been prepared by Captain W. T. Norton, a millionaire club man, providing that ministers of all denominations shall pay a license of \$50 a year and that their salaries shall be garnished in the event of non-payment.

The ordinance was given to a Councilman to introduce, but he has so far declined to present it.

The ordinance sets forth that the ministers of late "have been trying to butt into politics and attempting by advancing unwise theories to take a hand in the conduct of municipal affairs."

**New York, February 22.**—A frightful and horrible catastrophe took place here today.

A fire started this morning in the Armory building of the Seventy First Regiment.

The guests of the Park Avenue Hotel who were looking at the fire from the upper story windows, suddenly found that the fire had spread to their hotel, which was on fire beneath them, catching them without means of escape.

Many at once jumped from the windows, while others tried the stairways and perished in the flames.
