JULIUS M. ARNOLD,

THREE WERE HUNG.

Two Emma Post Office Burglars and Wilson County Murderer.

Special to Journal.
RALEIGH, Feb. 26.—Dudley Johnson (white), and Ben Foster (colored), two of the Emma, N. C. burglars were hanged at Asheville today at twelve thirty, noon.
Johnson was astonishingly cool, laughed on the gallows and talked gayly with the sheriff while the latter was fixing the noose.
Johnson refused to reveal his real name. Foster made a religious talk.
John Henry Rose the murderer of Thomas Farmer was hanged at Wilson today. He was composed and resigned.

Boys Were Sent Home.

Special to Journal.
RALEIGH, Feb. 26.—The boy horse thieves Thayer and Pratt were bound over to court in one hundred dollars bail each, the ball was given. Both boys were sent home tonight.

Tillman and McLaurin on Senate Roll.

WASHINGTON, Feb. 25.—The most important development today in connection with the Tillman-McLaurin episode of last Saturday was the act of Senator Frye, president pro tem of the Senate. In ordering the clerk of the Senate to restore the names of the two South Carolina Senators to the Senate roll. If the present plan is carried out this act will be followed by the adoption by the Senate of a resolution before a vote on any subject is taken, practically endorsing the action of the president pro tem in ordering their names erased and suspending the two Senators for some definite time.

Freshet at Roanoke.

Roanoke, Va., Feb. 25.—The rains of the last few days and the melting snows in the mountains have swelled the volume of water in the Roanoke river and other streams in this city until today they are a veritable torrent. The lowlands both east and west of the city are submerged and the street cars are unable to make some of their suburban runs.

Some of the Norfolk and Western roads are covered with water and are unable to run. The Norfolk and Southern and Southern Railway divisions. Two passenger trains on the Roanoke and Roanoke were held up by the water. Cars from a suburban line were washed out.

Superior Roads Decried.

Asheville, Feb. 25.—The War Office to the roads the romans, which were circled by the lobby of the House of Commons last night, that Gen. Lou's Boer, the Boer commander-in-chief in South Africa, had made an offer to surrender on certain conditions. The story appears to have come from Paris.

The Colonial Secretary, Mr. Chamberlain, in the House of Commons today, informed a questioner that Lord Milner had not received a communication from Gen. Botha offering to surrender.

Hallams from the Northern Wood

are in Fry-Balm, the certain cure for coughs.

Confederate to be Orator.

New York, Feb. 25.—Hon. Thomas G. Jones, of Montgomery, Ala., whom President Roosevelt lately appointed United States District Judge of Alabama, has accepted the invitation to deliver the oration at Grant's tomb, in New York city, on Memorial Day.
The prominence of Judge Jones as a Confederate soldier, later as Governor of Alabama, as a conspicuous figure in the national campaign of 1896, when he was the leader of the Gold Democratic movement in the far South, and finally his appointment by President Roosevelt make him a noteworthy personage.

German Yacht Launched.

New York, Feb. 25.—The all-important event in the itinerary of Prince Henry of Prussia today was the launching of the schooner yacht Meteor, built at Shooter's Island for the Prince's brother, the German Emperor. The christening ceremony was performed by Miss Alice Roosevelt, daughter of the President of the United States, in the presence of the President, the Prince, the German Ambassador, Von Holleben, and a brilliant assemblage.
The Meteor moved down the ways, amid a scene of great enthusiasm, and presented a graceful and beautiful picture, though it was accomplished in a driving rain and other inauspicious atmospheric conditions.

RALEIGH.

Poor Prospect For State Base Ball League.

Fashionable Morning Marriage. No Prosecution Against Boys Running Away With Horses. Both of Good Family. The Emma Burglars.

RALEIGH, N. C., Feb. 26.—A fashionable audience filled the First Presbyterian church this morning to witness the marriage of Miss Mary Crow of this city and Mr. George M. Rose, Jr., of Fayetteville. The bride was attended by her sisters, Misses Elizabeth and Margaret Crow, as Maids of Honor, while the groom's best men were his brothers, Dr. Augustus Rose and Charles G. Rose. The ushers were James McNeill of Fayetteville, George Crow of Wilmington, John Crow and James McKee of Wilmington. Among those present were Hon. George M. Rose and wife of Fayetteville, the parents of the groom.

The prospect for the formation of a base ball league in this State appears to be extremely poor. All now depends upon Wilmington and Greensboro. People from here will go to both these places this week. It appears that at Wilmington there is nobody to take charge of affairs. Greensboro has made no sign. The odds are there will be no league. It is certainly unfortunate. Base ball has made the two past summers here very gay.

This morning the two boys, 15 and 16 years of age, who hid horses here Sunday and were captured at Fayetteville Monday afternoon while attempting to sell the horses to a liveryman, were brought here and placed in the station house, the mayor having issued the warrant for them. They are well dressed and well behaved, and are from North Abington, Mass. President Meserve of Shaw University went to see them and found their story to be true. He knows the parents of Pratt, one of the boys. Pratt's uncle is a 33 degree mason and past grand master of Massachusetts and he and his wife are now touring in the Mediterranean. Shyer is an orphan and Dr. Meserve knows his uncle, with whom he lives. He vouched for both of the boys.

The boys had \$50 they had saved and came South, they said to get away from the bitter New England weather. They could not talk much about what they had done, by reason of their tears. Telegrams were sent to North Abington regarding them. There is no desire to prosecute them, after these facts were learned, but steps were taken to send them back home.
Tremendous efforts were made yesterday and last night by a lot of people at Asheville and vicinity to induce the Governor to commute the death sentence of the Emma burglars. This morning there was a continuation of the efforts.

Clerk's Wise Suggestion.

"I have lately been much troubled with dyspepsia, belching and sour stomach," writes M. S. Mead, "leading pharmacist" of Attleboro, Mass. "I could eat hardly anything without suffering several hours. My clerk suggested I try Kodo Dyspepsia Cure which I did with most happy results. I have had, no more trouble and when one can go to eating mince pie, cheese, candy and nuts after such a time, their digestion must be pretty good. I endorse Kodo Dyspepsia Cure heartily." You don't have to diet. Eat all the good food you want but don't overload the stomach. Kodo Dyspepsia Cure digests your food. F. S. Duffy.

Niverton Mine on Fire.

Somerset, Pa., Feb. 25.—Fire which has been burning in a small vein in the mine of W. K. Nivert & Co., of Baltimore, at Niverton, in the Meyersdale region, for two years burst through the brick wall built to keep it back yesterday as the result of the explosion of accumulated gas and is now burning in the main heading.

The mine is supposed to have been set on fire during a strike in 1900 while the plant was idle. The company officials are now on the scene.
The mine is one of the largest in the region and it is feared it may be a long while before it is reclaimed. Three hundred men are thrown out of employment by the accident.

New Thirteen Cent Stamp.

Washington, D. C., Feb. 25.—Postmaster General Payne has decided on a new stamp, particularly designed for the foreign mail service. It is to be of a denomination new to the postal service—13 cents.

At present it is impossible to send a registered letter through the foreign mails without using two stamps, one of five cents, to pay the postage, and one of eight cents to pay the cost of registration. When the 13-cent stamp is on sale this fall, of course, be obviated by the use of one stamp.

The design of the stamp provides for a portrait of President Harrison, which is an excellent likeness. Mr. Harrison is shown seated at his desk in the Executive Mansion.
