Overhauling Distilleries.

Deputy Collector C. M. Babbitt, of New Bern, was here yesterday and superintended the replacing of two wood distilleries, owned by Mr. T. J. Gore down the river, with the latest improved copper stills. One of the plants is known as the "B. M. Roberts" still. The capacity is not increased by the change but the Deputy Collector is required by law to be present and make the legal transfer.—Wilmington Star, 25th.

Well Played.

Fabio Roman last night at the Academe of Music lacked nothing of the tremendous action of Marie Corelli's novel The Vendetta, of which it is a dramatization. The parts were all well taken and sustained. The changes of character were carried out with great effect. Miss Ollie Cooke's serpentine stereopticon dance was a feature of the evening.—Raleigh News-Observer, 25th.

Not a Case of Small Pox.

Pollockville, Feb. 26.—ED. JOURNAL. I see an article in your paper from Trenton, N. C., stating that Mr. Clyde Sanderson and his sister, Miss Julia had the smallpox at their home which is only 5 miles from this place. In justice to the healthful condition of this neighborhood I will say that the report is false as to smallpox. I have seen both Mr. Clyde and Miss Julia from 2 to 3 times a week for the last two months and know neither of them have been the least sick in any way. Neither of them have been to the Charleston Exposition as the report says. I am glad also to say that there has not been a case of smallpox in Jones county for 18 or 20 years and truly hope there will never be another.

Yours truly, JULIAN B. BENDER.

The Last Heard Of It.

"My little boy took the croup one night and soon grew so bad you could hear him all over the house," says F. D. Reynolds, Mansfield, O. "We feared he would die, but a few doses of One Minute Cough Cure quickly relieved him and he went to sleep. That's the last we heard of the croup. Now isn't a cough cure like that valuable?" One Minute Cough Cure is absolutely safe and acts immediately. For coughs, colds, croup, grip, bronchitis and all other throat and lung troubles it is a certain cure. Very pleasant to take. The little ones like it. F. S. DUFFY.

THE WRECKED SCHOONER

Maris Now On Ways. Extent Of Damage To Vessel.

The sunken schooner Maris, firmly lashed between the schooners Porter and Farnon, reached here late Tuesday night, a tug the last mile or two assisting in bringing the vessels to the foot of the marine railway.

Yesterday, the Maris was hoisted up the ways, and the extent of her injuries was made fully apparent.

On the starboard side, just aft of the foremast rigging, a wide gap from the rail to below the water line, showed where the schooner had been struck by the steamer Ocracoke.

The cargo which was hoisted out, is practically a total loss, as the river mud seemed to enter into every bundle and package, except a number of stone jugs containing whiskey.

Throughout the schooner there was a slime of the river bottom mud.

Besides the damage to the schooner's hull, sail and rigging will need overhauling.

Capt. Lige Lupton who had the work of raising the Maris and bringing her here, made a good and quick job.

A chain was first run under the schooner as she lay in 22 feet of water off Neuse river light, and then the boat was raised and lashed between the schooners Porter and Farnon, the two schooners then sailing up the Neuse, as above noted.

The Maris will be repaired and again put in service on the river. Capt. Nat Gaskill is the owner of the schooner.

AROUND AND ABOUT.

The spring like weather continued yesterday the temperature extremes varying between 45 and 74 degrees. Fair and probably warmer, is the forecast for to day.

PERSONAL PARAGRAPHS.

Mr. J. C. Quinley of Kinston, is in the city.

Mr. Ralph Gray returned from Richmond last night.

Mr. W. W. Clark returned last night from a business trip to New York.

Mr. G. A. Barfoot left on the steamer Neuse, yesterday, for New York on business.

Base Ball Outlook.

Now that the weather has finally cleared, and our door life is possible, the question of a State League of ball clubs, is likely to be determined in a few days.

Wilmington shows no sign of wanting to have a team in the League, and instead of a State League the prospect is for a number of independent clubs throughout the State.

The following from the Wilmington Star of 26th, shows the tendency in that city.

"Pitcher A. B. Hopkins, of last year's Wilmington base ball team, writes Mr. C. W. Westcott that he will be here March 15 to spend a few days with him. Hopkins talks of organizing an independent team in Wilmington for this season and will be assisted in the enterprise by Mr. Westcott."

New Bern will have a club, whether the State League is a go or not.

That Light Cough,

and as far as that concerned any cough or cold, could be relieved and cured with CHERRY GUYCERINE. It is an entirely reliable cough syrup which has had an enormous sale during the last few years. It seems to give better satisfaction than any other like preparation that we could get hold of. One thing we know—we had rather recommend it to our customers than any other we have in our store. It is safe to give to children. Hold only at HARGETT'S PHARMACY, Cor. Broad & Fleet Streets.

POLLOCKSVILLE.

Wet and Cold For Farmers. Only Two Big Lots of Cotton Left. Damage by Wind Storm.

February 25—Very little progress is being made by the farmers. When not too cold it is too wet to work.

Mr. J. R. Ball bought 200 bales of cotton last week from Mr. E. L. Haughton of this place, for Rodgers, McCabe & Co of Norfolk, Va.

Only two more big lots of cotton now held in this county that we know of, which is in the possession of Messrs. John Pearce and John Simmons, near here.

Mr. I. H. Barrus has contracted with the Elm City Lumber Co., to move the timber lately purchased by them, from Dr. Hughes and wife, of this place. He will soon begin operations.

Mrs. J. H. Bell of this place, is, and has been very sick, this week, but we are glad to learn she is some better at this writing.

Mr. Wm. Henderson of near Trenton, was visited last night about 4 o'clock, by a tornado that did much damage to his property by blowing his house off the foundation, blowing away all the out-buildings, tearing up and bearing away a wire fence and much more damage was done on the farm of Mr. Pollock, so Mr. Henderson reports.

Messrs. J. H. and E. T. Bender has bought the interest of Mr. T. A. Bell in the saw mill property formerly owned by Bender, Bell & Co. and will operate the same as before at the same place, where they make shingles and various kinds of lumber.

Messrs. Izora Jones and Emma Weeks, of Bogue, Carteret county, are visiting relatives in this place. Hope their stay will be an enjoyable one among us.

Very little courting among the young folks of this vicinity and not the slightest hope of a wedding any time soon.

Mr. G. H. Cooper the agent at the A. C. L. depot of this place will leave for new fields of operation in a day or so. His place will be filled by Mr. Isaac of Bula, N. C. We wish Mr. Cooper success in his new place of business.

Mr. William Kooze, one of the oldest citizens of this place and this county is very feeble at his home here. Old age and disease is telling on the old gentleman very fast.

LESS WORRY.

Children will play and get over-heated get their feet wet, expose themselves in dozens of ways, and you can't prevent it.
