## NOT A CANDIDATE.

Ex-Judge Shepherd Not to Run for Chief Justice.

Heavy Rains And Bad Roads. Sheriff's Slow in Settling. South Dakota Suit. Speculative Scheme. Fifth District Appeals.

RALEIGH, N. C., March 1.—The school board of Cumberland county divided the public school fund not on a per capita basis but in such a way as to keep every school open four months. The schools have been held that period and the teachers have been paid. The action of the board was in violation of the school law but the board thought it was acting under the law of 1901, which is of later date than the school law. The authorities here do not see that they can do anything in the matter. In fact the action in Cumberland may be really the initial step in a new way of dividing money among the schools.

Cherokee to day gave notice it needed no aid for its schools, while Gaston asked for only \$320.

The soil is so saturated with water that the roads are in some places treacherous. The soil on top appears firm but gives way under weight. No road work can be done for some time for this reason. There were two thunderstorms yesterday and torrential rains.

Sheriffs are settling last year's taxes quite slowly. In some counties collections are hard to make. In others money is plentiful.

Not one half the work on farms which was done at this date last year is now done. The difference is very marked.

There is but little talk here about the South Dakota bond suit, set for hearing Monday before the United States Supreme Court. There is grave doubt that the court will then go on with the case. To people here it appears to be a quite transparent fact that the State of Dakota is merely a cat's paw in this matter of the speculators who hold the \$300,000 of Western North Carolina railway bonds.

It is not believed here that the court has jurisdiction or will exercise it.

The State Supreme Court will devote next week to the docket of appeals from the 5th district.

The convicts in the penitentiary are expected to begin this month's work under the overall contract made with an Atlanta firm.

Ex-Judge Shepherd is not a candidate for Chief Justice nor will he engage in any scramble for that office. Reports were put in circulation yesterday that he was a candidate. He authorizes me to deny them.

## Practically Starving.

"After using a few bottles of Kodol Dyspepsia Cure my wife received perfect and permanent relief from a severe and chronic case of stomach trouble," says J. R. Holly, real estate, insurance and loan agent, of Macomb, Ill. "Before using Kodol Dyspepsia Cure she could not eat an ordinary meal without intense suffering. She is now entirely cured. Several physicians and many remedies had failed to give relief." You don't have to diet. Eat any good food you want, but don't overload the stomach. Kodol Dyspepsia Cure will always digest it for you. F. S. Duffy.

**YOU KNOW WHAT YOU ARE TAKING**  
 When you take Grove's Tasteless Chill Tonic, because the formula is plainly printed on every bottle showing that it is simply iron and quinine in a tasteless form. No cure—no pay. Price 66c.

## Wind 80 Miles an Hour.

CLEVELAND, Feb. 28.—One of the most violent storms in years prevailed throughout Northern Ohio early today.

Telephones and telegraph poles and wires were prostrated in many places. Scores of plate-glass windows and skylights in the downtown district were demolished, while signs, chimneys and trees were torn. At one time the wind blew 80 miles an hour.

## Damage to Florida's Capitol.

PENSACOLA, Fla., Feb. 28.—The entire south wall of the new wing of the State Capitol at Tallahassee was leveled to the ground last night by a furious gale.

How About These?  
 "If you want to improve your mind," said the sage, "associate only with persons who know more than you do."  
 "But if they follow the same rule," said one of those who were learning wisdom at his feet, "what are we to do?"—Chicago Tribune.

His Position.  
 An exchange tells of a godfather who when asked in the course of the service if he believed what all Christians hold as the essentials of the faith answered with emphasis, "I renounce them all," to the consternation of the parson and all the witnesses.

## Heavy Gale at Norfolk.

Norfolk, Va., Feb. 28.—A southerly gale struck Norfolk this morning, and during its prevalence the wind attained a velocity of 80 miles an hour. Rain, snow-pellets by thunder and lightning, fell in torrents but no damage resulted in this city. The weather bureau's southeast telegraph wires between Norfolk and Cape Henry were prostrated.

NEGRO CONVENTION CALLED
To meet at Raleigh. Want to Find Out Where They Are At.

Special to Journal.

RALEIGH, March 1.—A State convention of negroes is called to meet here, April 15th. The call is signed by Henry E. Hagan, R. H. Leak and S. G. Newson.
--

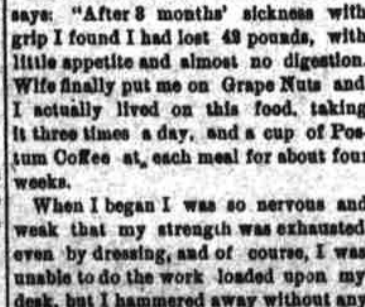

The call says there is a lack of understanding among the leaders of the negroes and no organization. That the meeting is to more greatly stimulate improvement in the industrial and educational conditions of the negro. That this is a year of doubt and uncertainty, and that the negroes are wishing to see what is to be their future hope politically. That only the most conservative men should be selected as delegates to the convention.

## ANY ONE CAN Prove the Value of Scientific Food.

A good straightforward test of food is worth much to humanity. The following is interesting:  
 Mr. T. K. Durborow of Greenfield, O. says: "After 8 months' sickness with grip I found I had lost 43 pounds, with little appetite and almost no digestion. Wife finally put me on Grape Nuts and I actually lived on this food, taking it three times a day, and a cup of Postum Coffee at each meal for about four weeks.  
 When I began I was so nervous and weak that my strength was exhausted even by dressing, and of course, I was unable to do the work loaded upon my desk, but I hammered away without any tonics or medicines, only my diet of Grape Nuts and Postum three times a day. I found at the end of 35 days my nervousness gone, strength greatly increased and that I had gained 16 pounds.  
 Finally, after getting back to good health again I, of course, took on different kinds of food, and, as a change began using— for breakfast. After a while some peculiar spells began to appear in the morning with dizziness, sickness and nervous lassitude. I took treatment for biliousness but that did not avail.  
 About a month ago I gave up the — for breakfast and took on Grape Nuts again. These morning attacks left me entirely in a day or two and I feel that I have had sufficient evidence of the scientific value of Grape Nuts as a vitalizing, perfect food, that does not require the heavy work of the stomach occasioned by the use of starchy foods we use so much nowadays."

Surgery is no longer necessary to cure piles. De Witt's Witch Hazel Salve cures such cases at once, removing the necessity for dangerous, painful and expensive operations. For scalds, cuts, burns, wounds, bruises, sores and skin diseases it is unequalled. Beware of counterfeits. F. S. Duffy.
