From a Stranger.

While I was looking yesterday at different pieces of business of this growing little city I was much impressed with the Trent river warehouse. They were as busy as bees. Numbers and numbers of carts, busy bringing and carrying freight but on my way up the wharf, I ran against another enterprise, it was a saw mill cutting and wood in store lengths and there I found four carts taking it away. It was indeed a surprise to see how quickly it was out and how many loads was carried in a day. Am now thinking of locating here, excuse me for writing you as I am only a stranger in your city. I forgot to say that upon inquiry I found the wood was at Moore's Wood Yard.

Your attention is called to chapter 50 of the laws of N. C. session of 1901, which will explain to you your duties as road trustees; and after carefully reading the same, if you desire further information, I refer you to the Board of County Commissioners, which you are aware meets the first Monday in each and every month.

CONTINUAL IMPROVEMENTS

On Railroad Property and Road Bed of Atlantic and North Carolina Railroad.

Noting the amount of business done at the Trent river warehouse of the A. & N. C. railroad company, and the convenience it affords the merchants of the section of the city in which it is located, it is a surprise that the mercantile interests could have done without this warehouse so long.

On the opposite side of the railroad track to the warehouse property, the property also belonging to the A. & N. C. R. R. company, the lot which was largely low and a good deal under water, is being filled up, and will soon be ready to be occupied for railroad purposes.

It is expected that a passenger station will be built at no distant day on the South Front street end of this lot, next to and along the railroad track.

At the Trent warehouse dock there is the almost daily arrival of several schooners with new railroad cross-ties.

These cross-ties are being laid as fast as possible, and the road bed graveled, between this city and Goldsboro, or as it is called, the upper end of the road.

This section is being worked upon until the truck season opens, when the Morehead City end will be taken in charge and the track newly tied and graveled.

The entire road is receiving the personal attention of President James A. Bryan, who is ever intent on improving its conditions.

Surgeon's Knife Not Needed.

Surgery is no longer necessary to cure piles. De Witt's Witch Hazel Salve cures such cases at once, removing the necessity for dangerous, painful and expensive operations. For scalds, cuts, burns, wounds, bruises, sores and skin diseases it is unequalled. Beware of counterfeits. F. S. Duffy.

Special Millinery Notice.

Marriage A La Base Ball.

Unusual humor, states a Baltimore dispatch, was displayed by the Rev. C. F. Thomas in his remarks before the marriage ceremony of the well known base ball player, John J. McGraw, and Miss Blanche Stindal at St. Ann's Catholic church. He said in part:

"Let selfishness be no barrier to your happiness, but understand that each must often give up much, renounce himself, that both may enjoy it. For you know sacrifice hits add to the number of runs and wins the game. Don't try to jump this contract. The reserve clause is binding."

Could Not Breathe.

Coughs, colds, croup, grip, bronchitis, other throat and lung troubles are quickly cured by One Minute Cough Cure. One Minute Cough Cure is not a mere expectorant, which gives only temporary relief. It softens and liquefies the mucus, draws out the inflammation and removes the cause of the disease. Absolutely safe. Acts at once. "One Minute Cough Cure will do all that is claimed for it," says Justice of the Peace J. Q. Hood, Crosby, Miss. "My wife could not get her breath and was relieved by the first dose. It has been a benefit to all my family." F. S. Duffy.

Fine Western Beef and Mutton at the Oaks Market.

LESS WORRY.

Children will play and get over-heated get their feet wet, expose themselves in dozens of ways, and you can't prevent it. It is guaranteed to cure Coughs, Colds and Croup or the price 35 cents will be refunded by any dealer selling it. Sold by Davis', Henry's, and Bradham's Pharmacy.
