Slight Decrease in Total Fertilizer Sales.

Perfect Easter Weather. Rain Damage Apparent. Additional Exhibit in State Museum. Sudden Death. Railway Hurray.

RALEIGH, March 31.—The weather yesterday was beautiful in the morning and summer-like in its warmth. The attendance at the churches was never larger, and the Easter parade was a fine one.

The Supreme Court devoted this week to the hearing of appeals from the 9th district.

It is estimated that the Republicans will make an interesting nomination for chief justice.

Now that the roads are dry the damage done to them by the heavy rain is apparent. There are 75 convicts now on the road gang here and there is a month's work ahead of these in the way of repairs.

The latest addition to the State Museum is a collection of insects made by Franklin Sherman, State Entomologist. A number of each kind are grouped. They are also in special departments exhibits which show how insects ely, feel, eat, hear, etc.

The sales of fertilizer tax tags up to March 15 were \$8000 less than to the same date last year. Week before last the sales were heavy, but last week they were small. It is estimated that the sales are now \$10,000 less.

A naval recruiting office has been opened here and some men are being secured. Quite a number of persons from this county are in the navy and many are in the army.

The cotton mills here were shut-down today on account of the holiday. The weather was rather cool and very windy, but in spite of this many people went fishing. For a great many years Easter Monday has opened the fishing season in this section.

The growth of vegetation is now very rapid, but there is grave fear of frost up to April 15.

The survey for the southern extension of the Raleigh & Cape Fear railway is actively in progress. The road will cross the Cape Fear river at or near Lillington, Harnett county.

ARAPAHOE.

March 31.—Our farmers have begun to plant corn, some say they will not plant before the second week in April, but the most of them have their land in readiness for the reception of the grain and our people seem to be in good heart over the future.

We had a very heavy rain Saturday but not so heavy as some in the past.

Mr. J. B. Lee and son, our saw mill men of Arapahoe, are preparing to add many improvements to their lumber business, they have ordered a new mill and are expediting the shipment at any time.

Mr. Gerald Lee is building a new house over their dressing machine, assisted by Mr. Willie Cathrel who has recently moved to Arapahoe from Hyde county. We are glad to see the business men of our little town moving to the front.

Our union meeting at Arapahoe was bunched Saturday by rain. The morning services were broken up, in the afternoon, the preachers and delegates be-

COFFEE TOOK IT.

Robbed the Doctor of his Cunning.

"I was compelled to drink some Java coffee yesterday morning and suffered so much from its effects that I feel like writing you at once.

I am 61 years old and for a great many years have been a coffee drinker. My nerves finally got into a terrible condition and for about two years I suffered with sinking spells and was so nervous that it seemed as though I could hardly live. I suffered untold agonies. My heart would stop and my kidneys gave me no end of trouble.

About six months ago I gave up coffee for good and began using Postum. I insisted on knowing that it was properly made by being sufficiently boiled, and I prefer a cup of rich Postum to Java, Mocha, or any other coffee.

My sinking spells have left me, my head gives me no trouble now, the kidneys are greatly improved, and, in fact, I feel a great change in my whole body. It is such a comfort to be well again.

I know a physician in San Antonio who had become so nervous from the use of coffee that his head troubled him so badly that he could not hold a paper, or even take a splinter out, and could scarcely hold anything in his hand. Finally he got coffee and began using Postum. Now the doctor's nervousness is all gone and he is in good health. Home gives by Postum Co., Battle Creek, Mich.

gan to gather, Rev. M. S. Spear, of New Bern and Mr. G. H. Waters of New Bern came in, and Rev. R. H. Jones, who works in the Pamlico District also arrived in the afternoon and many others. Rev. R. H. Jones, preached Saturday night, Rev. J. R. Tingle of Alden, N. C. who came to our town Friday preached yesterday at 11 a. m., and Rev. R. H. Jones at night. The meeting was well represented yesterday. Sunday the visitors from the surrounding country were many more than could get in the house.

Mr. Mittin Holton and sister Lena Holton and Miss Lucy Holton of Olympia visited our town last Friday to visit their friends in Arapahoe and attend the Union.

Shot in His Left Leg.

For all kinds of sores, burns, bruises, or other wounds DeWitt's Witch Hazel Salve is a sure cure. Skin diseases yield to it at once. Never fails in cases of piles. Cooling and healing. None genuine but DeWitt's. Beware of counterfeits. "I suffered for many years from a sore caused by a gun shot wound in my left leg," says A. S. Fuller, English, Ind. "It would not heal and gave me much trouble. I used all kinds of remedies to no purpose until I tried DeWitt's Witch Hazel Salve. A few boxes completely cured me." F. S. Duffy.

SALTER PATH.

Since our last note, we have increased a bit in population by Mr. George Smith and wife, who have moved over from the main land to our place; no particular news to relate, but hardly a day passes by, but what we see or hear something funny, strange or comical.

Our people are well in health as usual, but most all the time in great trouble about what we would term nothing, today it is about one thing, tomorrow another, for sometime we have been rowing in the church, that is, the members have split up, some in favor of one preacher, some another. We go so high up in the pictures, that we have now two factions one, going to the people's houses, while the others to the church, to worship, as we call it. We have about 45 members, all M. E. members, and we can shout, pray, get happy and sing all in the loud-est style, then go out and play hypocrites, lie, deceive and humbug in the finest sort of way, get in debt, beg, borrow, etc., and never think of paying, but we think it all right as long as we can make a long, loud prayer afterwards. Now we don't mean to insinuate that we are all that way, we have some very good and upright citizens at Salter Path as good as they know how to be, and it is a pity that these people can't have the benefit of a civilized world. We certainly have room for our Missionary money without sending it off to the foreign nations.

Lately we are having a row over the soft crab, one wants to sell to one man and another to another, and we sign contracts of agreements and then break them, then we call each other liars and scoundrels, etc., and yet, we are all strict members of the M. E. Church, we are afraid the good Lord don't know of such a people as we are.

A short time ago a man in Beaufort named Thomas, ordered some of us to leave here because as he said, we were thieves, liars, etc. Thomas claims the land we live on here, but we still are staying on hoping we will get better. We want all good people to pray for our mean people at Salter Path. Pray for us brothers and sisters.

Our school is jogging along slowly, the teacher has his up and down with the children, and parents too, sometimes he gets fighting mad, especially when the old lady, mother of some of the children comes along with her short-stem pipe in her mouth, and that not painted very white, with "Missus Wood, my child is skeered y'all whop him for anthen, please don't do it." He smiles and says "all right judge." These good people don't know and don't want to know, the good of an education, a compulsory law is the only way for us here, or we see no need of spending money for such people as we are here, by public schools.

Wild geese and Black brant are plentiful here now, one man killed five yesterday as one shot, another three, another two and so on. Fish are scarce, only small mullets are being caught now, clams have disappeared, conchs and looms with sea gulls, are our chief products of food now, next week soft crabs will be in bloom, maybe we will get a mess of them, provided we don't get killed before that time; we are offered 25 cents each for soft crabs now that will measure 1 1/2 inches long, we couldn't see many at that size and price. We tell the people to catch the crabs before they get over them, also get soft crabs not crabs, then they won't want to guard and fight over nothing.

We have some nice gardens under way Messrs D. J. and Cisero Willis, Samuel Dixon, James Guthrie, Cooper Adams, Delaware Goulet and others, have the prospects for gardens, and by the way, this is the soil for Irish of any kind.

Two sharpshooters being built here now are almost done, launched here. They day, belonging to Cooper Adams and one, the other one to D. Guthrie and one almost half finished.

Mr. W. J. Shackelford of Wildwood is teaching school on the west end of these banks, about 3 miles from Salter Path, guess he is getting his share of the sea this time.

Neglect Means Danger.

Don't neglect biliousness and constipation. Your health will suffer permanently if you do. DeWitt's Little Early Risers cure such cases. M. B. Smith, Batterant, Mich., says "DeWitt's Little Early Risers are the most satisfactory pills I ever took. Never gripes or causes nausea." F. S. Duffy.

A Parisian Recommendation. A political critic of a former generation was engaging an apartment in one of the chief streets of Paris. The landlady, wishing, like all landladies, to make the best of her rooms, led him to one of the principal windows and as she swung back the venetian blinds remarked, "It is from this point, sir, that all of our revolutions pass."

The good woman was so civic, but spoke from her heart and just as an English landlady who harps upon the splendid view of the sea from the two pair front—London Answers.

HARPOOT BROS.

Royal Masques.

Most of the sovereign houses of Europe possess one or more relics which they regard as mascots. The house of Bourbon possesses the boots and livery of Napoleon I. The Hohenzollerns possess the grey leather breeches worn by the Burggrave Frederick when he entered the marriage of Brandenburg. There is also at Sans Souci the cane which Frederick the Great carried at the battle of Rossbach. The Romanoffs cherish the carpenter's tool of Peter the Great, and the fetich of the Hapsburgs is the shoe which the Emperor Count-Rudolph cast at the moment when the envoys from the Reichstag announced to him his election as German Emperor.

Soapuds Are Valuable. Few persons know how very useful soapuds are when employed as manure. Applied to the roots of vines, fruit trees, roses, etc., they impart a vigor and a rapidity of growth which is perfectly surprising. No one who is not lucky as to have a garden should neglect this valuable form of manure. It is an excellent plan to have a large tub and put the soapuds and dirty water into it till required upon the garden.

Charlye Would Talk. Professor Blackie said of Charlye: "I admired his genius. But how he would talk, talk, talk, and give nobody a chance to put in a word! One night I actually shook him. His wife had been trying all the evening to say something, but there was not the smallest chance. I took hold of him and shook him, saying, 'Let your wife speak, you monster!' But it was of no use."
