## TWENTY FIRST YEAR

Mrs. Win, Hetrick, Kennard, Washington county, Neb., writes:

"I am fifty-six years old and have not felt well since the Change of Life began ten years ago. I was in misery somewhere most of the time. My back was very weak, and my flesh so tender it hurt me to lean against the back of a chair. I had pain under my shoulder-blades, in the small of my back and hips. I sometimes wished myself out of this world. Had hot and cold spells, dissiness, and trembling of the limbs, and was losing flesh all the time.

"After following your directions and taking Peruns I now feel like a different person."-Mrs. Wm. Hetrick.

Barbara Alberty, corner Seventh and Walnut streets, Appleton, Wis., writes as follows in regard to Peruna:

"For years I have suffered with backache and severe pains in the side. I doctored so much that I became dis ouraged.

"A school friend told me how very much Peruna had benefited her and I sent out for a

bottle, which did more to relieve me than all the other medicine I had over taken. "I used it faith. fully for two weeks and it completely cured me I have not had any pains since anywhere, but

feel like a new woman. I am truly thankful for what Peruna has done for me."-Barbara Alberty. Mrs. D. W. Mason, 502 Dauphine street,

New Orleans, La., writes: "I have been taking your Peruna and

Manalin and can cheerfully recommend it to all those suffering with the same trouble that I was. I have been suffering for the past two years with female weakness, palpitation of the heart, stomach, kidney and liver disorder, and above all a dreadful cough with smothering spells. I was completely run down. "After I had taken one bottle of Peruna and a few doses of your Manalin, I could sleep soundly, my heart was better, my cough left me, it acted immediately upon my nerves, and after tak-ing four bottles according to your directions, I was entirely cured of all my

"I can truthfully say that there is nothing to equal your Peruna and Manalin. I was a different women after taking the second bottle. It is without a doubt the best medicine in the world. Language fails to express my gratitude for this cure. May God bless you."-Mrs. D. W. Mason.

location. This will be done at once and a report with secommendations made at a special session of the Lodge June 27 at Oxford The towns in the race are Raleigh, Durham, Greensboro and Charlotte. Grand Master Clark says the odds

are decidedly in favor of Raleigh provided she improves hotel facilities and carries out her proposition as to the purchase of several mortgage bonds. The committee met here last night but received no proposition owing to a contention made by Durham's delagation that her citizens had not been given sufficient definite information as to plans to prepare a proposition for locating the temple there.
