RALEIGH.

No Negro Delegates to Republican State Convention.

Conference Negroes to Consider Their Political, Social and Industrial Status. Deaths From Small Pox. Late Arrivals Railroad Appointment.

RALEIGH, April 15.—At noon today a State conference or mass meeting of negroes began here, in Metropolitan hall. The call for it was made about a month ago, and the purpose was to consider the political, social and industrial status of the race. It was said this morning by a white Republican that the conference would give Senator Pritchard, the "head of the Republican party" in North Carolina, a "bad shake up."

The exodus of negroes from this State is not large. There was talk last winter of its being a really large movement this spring. Negroes are going North all the while but the movement does not even approach the dimensions of an exodus.

It is said that so far 8 deaths are known to have occurred in Wilson county from small pox during the present outbreak of it. There have been hundreds of cases.

Among the arrivals here are H. C. Bridgers, Tarboro; J. S. Armstrong, Wilmington, (who came to see Gov. Aycock); George W. Connor, Wilson; H. E. Fries, Winston-Salem; R. H. Patterson, Wilson; Cyrus B. Watson and Clement Manly, Winston-Salem; Harry W. Stubbs, Williamson; J. W. Biddle, S. D. Parefoy, N. P. Willis, New Bern; D. Y. Cooper, Henderson; W. F. Carter, Mt. Airy; M. S. Willard, Wilmington.

The latest arrivals at the penitentiary are six negro convicts.

State Superintendent Joyner left for Roxboro today and spoke there this evening in support of local taxation for public schools.

It is asserted that the white republicans have again advised that there be no negro delegates to their State convention at Greensboro. They practically eliminated the negro from this convention in 1900. They do not want the people of central North Carolina to see the negro portion of the party.

The annual report of the State Labor Commissioner has not yet appeared. There is some annoyance at the delay.

It is not yet known whether this State will have an exhibit at the St. Louis exposition. In June the exhibits sent to Charleston will be replaced in the museum.

J. W. White, of Raleigh, traveling freight agent of the Seaboard Air-Line in this State, is appointed chief industrial agent for that system; effective May 1. V. C. Tompkins, who has been solicitor for the system at Atlanta, succeeds White as traveling freight agent.

Insurance For Roosevelt.

New York, April 14.—President Roosevelt has taken out a life insurance policy for \$20,000, beside continuing other policies which he took out before he was elected Governor of N. Y.

Mr. Roosevelt's policy, it is understood, covered by \$15,000 or \$20,000 those held by President McKinley at the time of the latter's assassination in Buffalo. Mr. McKinley was paid about \$60,000 on policies on her husband's life. When Mr. Roosevelt succeeded to the Presidency he became convinced that it would be prudent for him to largely increase his life insurance.

FIGHTS BEEF TRUST.

Missouri District Attorney Ordered to Start Prosecution. Indictments For Members.

Kansas City, Mo., April 14.—It is known here that the Attorney General of the United States has telegraphed instructions to Major Warner, the Federal District Attorney, to at once prepare to dissolve the Beef Trust and to indict the members of it.

A Federal Grand Jury has been summoned to meet next week. Major Warner positively declined to make any statement in the premises. When pressed, he abruptly terminated the interview.

The legal representative of a packer here said he has been notified that such action was contemplated from Washington. "We were told," he said, "that every one of the Kansas City, Chicago and Omaha packers would be taken before the Grand Jury and afterwards indicted."

The trouble is over the rise in the price of meat. Reduced to the point of view of a retailer, meats are costing double what they did a year ago. It has hurt the dinner pail, and the President is interfering. There is no Trust. A tariff which none cuts, just as railroads make and stand by freight and passenger tariffs, but there is no Trust in the sense of profit-sharing."

When a private telegram from Washington was shown to the United States District Attorney, saying he had received orders direct he declared: "I have not a word to say."

But this dispatch says you have your instructions.

"If I have it will be highly improper in me to make a statement."

To-night the senior member of the law firm with which Major Warner does much business confirmed the private dispatch, and added: "The United States Commissioner has been cautioned to select his Grand Jury this time with the utmost care. The intimation to Warner is that President Roosevelt is making this his personal fight for the 'full dinner pail.' Packers are said to be making 100 per cent. The orders are to stop at nothing short of the Federal prison itself in the effort to kill the Beef Trust."

Hardly an Escrow.

A quartet was giving a concert before the patients of an insane hospital and was singing a number to a rather mournful cadence and a subdued refrain. The audience, with the best of good humor, such as invariably characterizes the audiences at this particular hospital, heard it to the bitter end, and when its last note had died away an old lady with a virtuous and dignified air of reconciliation on her face popped suddenly up out of the audience and, turning toward the stage, said reverently, "O Lord, forgive them, for they know not what they do!"

A WHOLE FORTUNE.

Good Food and Good Health.

The food tale from a trained nurse is worth reading.

"I want to tell you of the curative properties of the good food Grape-Nuts, and will say they are a whole fortune to anyone suffering as I did for years with a stomach so rebellious as to be almost useless to me."

For years and years I was tortured with flatulency, heart burn, bloating, tenderness of the stomach, and many a time I cried bitterly because of my great distress.

One never to be forgotten day, Sister came up from Columbus to visit me. She brought a package of Grape-Nuts to see if the food would agree with me. I found the new food very delicious with cream, and it caused me no pain or disturbance whatever.

To make a long story short I have been using Grape Nuts ever since. Here gained 30 pounds in five months and my health is perfect. It is a pleasure to be plump and healthy and feel well again. I am a professional nurse and naturally appreciate this change in my health.
