Coupon Book For Grand Stand. Although a chilly wind awapt across the field yesterday, at the Athletic Base Ball Park, the New Born players who have arrived, put in nearly two hours of ractice work.

Some two hundred speciators were out, to witness the work of the new men, and greatly enjoyed the sight.

The diamond, while a little soft from several days rain, still showed up fast, while the outfield continues to im-

Each of the pitchers took a few turns, try at. Gettig was in good form, and pleked up hot grounders, se if he had been playing for weeks. Pitcher Bass did a little work, and served up a few times his own "floater," which is going in Wilson, April 5th 1908.

But the other villages in the circuit need not think that these men not coming here means a weakening of New Bern's team, for Manager Bryan has some fast men in reserve. and the line up on May 5th is going to be all that local base ball cranks could wish, and will prove more sensational to outside teams, than the first line up was.

A few coupon books with reserve seats for the grand stand remain at the low price of one dollar each, When these go, it means higher price for the r. served seats.

Subscribers to the Athletic Associa tion are requested to be prepared to pay their assessment when called upon by the collector.

ROYAL ARCANUM.

Favorable Reports. New Bern

The thirteenth regular annual session of the grand council of the Royal Arganum of North Carolina was held at Monroe, on Wednesday, April 16. The attendance of the delegates was large. The reports of the retiring grand regent, W. F. Rountree, of New Bern, and the other officers of the grand council, showed the year just closed to have been the most presperous in the history of the order. The net gain during the year was more than double of any pravious and served up a few for the batters to year. The reports showed the payment during the year to the widows and or-

seasion of the grand council will be held in Wilson, April 5th 1908.

The Grand Council was invited to the Opera House at night, where a delightful entertainment was given for their pleasure, and at which several Royal Arganum speeches were made. At the meeting of the Grand Lodge

> TRIED TO GET TIRED. In Order to Bring on Sleep.

When people are kept awake by coffee daking and get into a nervous condition from it, they try all sorts of ways to overcome the trouble but generally encavor to stick to coffee.

A lady says in part of a long letter: "The only way I could get any sleep at all, at that time, was by walking at night in the yard until I got so tired I would fall asleep as soon as I touched the bed, but after a little I would commence rolling around and could not lie still or six

in one piace for any length of time.

I became despondent and unhappy
My alomach was all out of order and my nerves absolutely broken down. One day a lady friend when calling said, 'My ear, I believe it is coffee that makes dear, I believe it is coffee that makes you so sick and nervous'. I replied, 'I don't believe coffee hurts anyone. My physician knows that I use coffee and he has sever said anything about its being hurtful.' She replied, 'I can't help that they did not tell me either but I found

out myself when I quit coffee and began and a competion of veterinary skill resulted in the poor horse being dreached and deced almost to distraction. At lest secounts, the horse was better.

Work on the steamer Blanchs, is progressing finely and Capt. Smith expects to be able to steam to Bayboro on June lest, at the latest. The Blanchs, when completed, will be three feet wider, twenty lashes desper, and will have a burthen especity of 100 tons, and can carry 1,000 harrels of potators at a load.

Out myself when I quit coffee and began to use Postum that I got well.'

I will never forgot that Catober are buy of Pestum. It was made right, and top of Pestum. It was made right, and the second month I was well and happy and peaceful again. I have kept so over since and am now the picture of health and do lots of hard work when I want to." Hame given by Pestum Co. Bettle Creak, Mich.
