NEW BERN, N. C., FRIDAY MORNING, MAY 2, 1902.

TWENTY FIRST YEAR

RALEIGH.

Company Promises Capitol City Cheap Electric Lights.

Negro Exodus Continues. No Complaints of Scarcity of Farm Labor. The King's Daughters Meeting. College Commencement.

RALEIGH, May 1.—The exodus of negroes from this State this spring is not large, but is steady. Most of those who leave go North. Sixty men left here today to work in brick yards near New York.

So far there are no complaints of scarcity of farm labor. Many farmers who plant cotton make it a habit to plant a larger acreage than they can possibly attend to, but the notably large reduction of cotton acreage will eliminate a good deal of this trouble.

The King's Daughters of North Carolina meet here May 13-15. An earnest effort is to be made to revive interest in the order, the membership of which has fallen off greatly.

A score of natives of the Sandwich Islands were here today. They are giving concerts at various places in this State.

The plans for the new building at the Methodist Orphanage are not yet furnished. There are funds in hand and work should have begun long ago. Only one building is now in use and it is full.

At the Agricultural and Mechanical College here there will be the approaching commencement proper exercises. All the cadets are required to remain, instead of all going home except the senior class. The battalion will have a final parade, in the presence of the Governor and the trustees, at which the officers for next term will be announced.

Raleigh will get very cheap street electric lights. A new company offers to furnish 175 at \$55 a year. Charlotte pays now \$84. It will be some days before the contract is awarded.

DOBBS.

May 1.—Picnic season is on hand and we learn that there will be one at Cowpen Landing May 3rd.

The Sunday School at Ellsworth church has been reorganized with the following officers and teachers Miss Lizzie Lancaster supt., Mrs. Clara Lancaster, Asst. Supt., Miss Eva Ewell, secretary Miss Lois A. Willis, treasurer Misses Annie Ewell and Ella Lancaster and Mr. S. F. Hill teachers.

Our tobacco farmers are preparing for a good crop this year. They took advantage of the showers yesterday and have made a good start in transplanting.

There will be a grand picnic and foot tournament at A. P. Willis, "Moss Oak Farm" on Saturday May 10th. Our people all expect to attend and are anticipating a good time. The managers are Messrs A. P. Willis, B. F. Willis, W. E. Brown and G. H. Morris.

The "political pot" is beginning to "simmer" and we expect it will soon be "boiling". There are so many good candidates this year that we hardly know how to choose.

Mr. Lynn Lancaster went to Epworth last Saturday to witness a game of baseball between Rutherford and Epworth club. The Epworth team beat the visitors. Baseball seems to be "warmer" than ever in our section. There will be a club organized at Vanceboro and one at Dobbs this week so we learn.

The New Bern boys had better look out for we guess our boys can catch a "fly" when they open their mouths. Our concert troupe presented their entertainment at Vanceboro April 21st to a crowded house. In fact there were many people turned away from the door. They also went to Bellair Friday evening April 25th, and the people gave us a hearty welcome although the house was not crowded.

OLYMPIA.

May 1.—Rev J D Jenkins filled his regular appointment Saturday night and Sunday. He delivered two able and instructive sermons to his congregation.

The farmers are pleased at the nice refreshing showers that came last night as it will add cotton to come up and make corn grow.

Miss Della Diskin is contemplating a very nice entertainment at the close of her school. It will surely be an enjoyable occasion for all.

Miss Fannie Keel has returned home for a visit with Miss Ida Wayne for a week.

We note Mr. Wm. Spolts is selling some of his last year's cotton.

The young people of Olympia are having an excellent choir practice every Sunday afternoon at 4 o'clock.

A number of our young people attended the Free Will Baptist quarterly meeting at Spring Hope during Saturday and Sunday.

A fine daughter was born to Mr. and Mrs. Frank Weekings a few days ago.

Cola Headache Powders

DOVER.

Successful School Closing. Quarterly Conference. Street Improvements. Personal.

April 30.—Messrs. Lewis and Tommie Kilpatrick, Gless West of Cross, and W. R. Sauls and family of Fort Barnwell were visiting here Sunday.

The first pen shipment was made from here today by R. W. White. We understand that there is a good crop of them.

Mr. W. A. Wilson is now express agent at this point. The writer, who has held the office since its establishment at this point six years ago, resigned on account of other duties.

We were pleased to see Miss Carrie West, who has been sick for several weeks, at Sunday School Sunday morning. She is secretary in the Methodist Sunday School and a very earnest worker.

We are having ideal weather and the farming operators, as well as most every one else around this vicinity, are busily engaged trying to make "hay while the sun shines."

Dover High School will hold its commencement on June 6th. Quite an attractive and interesting program is being arranged by Prof. Hargrave and wife, Mr. A. J. Coggins, L. L. D. President of Atlantic Christian College, Willson, N. C., will deliver the literary address at 11 o'clock. Mr. S. M. Brinson, County Superintendent of Graven public schools will deliver an educational address.

This school is closing a very successful term under the principalship of Prof. Hargrave, who has decided to locate here permanently. He has purchased a lot from Mr. S. West and will place it soon commence a dwelling. We are indeed glad to have the Professor and his interesting family in our midst. They have already won a large place in the hearts of our people.

The second quarterly conference for Craven circuit was held here Saturday and Sunday. Nearly all the churches on the work were represented. We are always glad to have the brethren with us. Dr. Swindell preached two excellent sermons Sunday to large and attentive congregations.

Rev. E D Brown will preach in the Presbyterian church Friday night and Rev. W H Townsend will fill his regular appointment in the Methodist church Sunday.

Our board of aldermen have commenced work in earnest, grading streets, repairing ditches and contemplating on putting in a lot of tiling. The guard house is completed and Mayor Blandford is requested to go forward dealing with the violators of the law. The Mayor while young in experience seems to be handling the affairs of the office with a good deal of alacrity.

Mr H P Woodson, general manager for the Goldboro Lumber Co., is speaking of running electric lights from the mill plant up in town. Our merchants are very anxious to secure these lights.

Mr B H Parrot is talking of building several dwellings on the property he recently purchased from Mr. W. M. Tyndal.

Deputy sheriff J F Tyndal says there are a few who will fail to pay their poll tax. He was out driving most of yesterday looking after the delinquents.

Mr Lon Taylor of Trenton was here today looking after his farming after his farming interest near here.

Mr O J Rivenbark, News & Observer alert correspondent, was here between trains yesterday.

YOU KNOW WHAT YOU ARE TAKING
When you take Grove's Tasteless Chill Tonic, because the formula is plainly printed on every bottle showing that it is simply iron and quinine in a tasteless form. No cure—no pay. Price 50c.

Surprising Statements.

One account of an accident to a royal motor car near Articia announces that "fortunately a number of pneumatics were working close by, and with their help the motor car was righted." This surprising statement is only the reverse of the traditional printer's error by which "Lord X" was stated to have gone out with a party of heads to shoot pinnacles.—London Globe.

Balancing.
The famous equilibrist was balancing four billiard balls on a cue, much to the amusement of the vaudeville audience.

"Humph!" growled a young man with ink on his fingers. "I'll bet he can't balance a set of books."—Exchange.

An Unguarded Word.
"This new meter seems rather small," doubtfully remarked the householder. "Oh, it will fill the bill," was the unguarded response of the gas company employee.—Philadelphia Record.

You weep on a gravestone. It is the threshold of eternity that you are weeping with your tears.—De Helstre.

LESS WORRY.
Children will play and get over-heated get their feet wet, expose themselves in dozens of ways, and you can't prevent it. All you can do is to keep them as free from exposure as possible—and always have in the house a Gough Remedy that can be depended upon. Anway's Gough Syrup will fill every requirement. It is guaranteed to cure Coughs, Colds and Croup or the price 25 cents will be refunded by any dealer selling it. Sold by Davis, Henry's, and Bradham's Pharmacy.

Cashed a Forged Check—Old Citizen Retired.

May 1.—Capt. S. E. Ewell and family spent a few days here recently.

The Rev. Turner, of New Bern preached sanctificationism to we sinners Saturday night.

Mr. L. F. Taylor had the misfortune to lose fifteen dollars last week by cashing a forged check.

We regret very much to lose Mr. George Avery who moved out of town last week. Mr. Avery says he was tired of the business he was following, therefore he has retired for a quieter life.

It is with sad regret that we chronicle the death of little Dora, the 18 months old daughter of Mr. and Mrs. W. D. Lambert which occurred here Tuesday evening. Our heart felt sympathy to the bereaved family.

We regret to note that little Miss Ruth Avery has been quite sick for several days, but glad to say that she is much better now.
